OAK HARBOR'S Meghan Cervantes swims in Monday's dual meet. The Rockets defeated Fremont Ross and Port Clinton.

# Little Giants stand tall in pool

By MATTHEW HORN  
Sports Writer

OAK HARBOR — Fremont Ross coach Phil Moran puts very little credence in dual meet scores choosing instead to focus on the meets at the end of the campaign.

However, he is unlikely to find qualms with having seven event winners on each side of a meet Monday. The Little Giant boys topped Oak Harbor 100-83 and Port Clinton 123-47, while the girls defeated the Redskins 112-58 and fell to the Rockets 99-81.

The Oak Harbor girls beat Port Clinton 138-44 and the boys won 110-70.

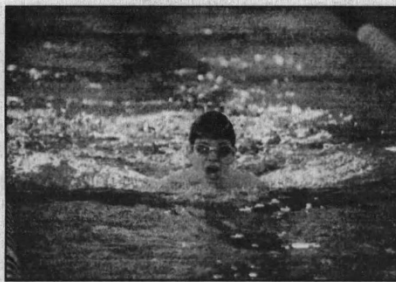

Lincoln Fahrbach (200 individual medly, 500

freestyle), Matt Bachelder (200 freestyle) and Chris Beier (50 freestyle) each captured individual event wins for Ross. Bachelder, Beier, Fahrbach and Brad Nuhfer combined to win the 200-freestyle relay, and Beier, Fahrbach, Bachelder and Andre Velez teamed up on a winning 400-freestyle relay.

Bachelder, Nuhfer and Fahrbach went to state as part of a 200-freestyle relay last season. Fahrbach went in the 100 butterfly.

Spencer Schabel won the 100 breaststroke for the Little Giants.

Jessica Ickes (200 IM, 100 backstroke), Caley Miller (100 butterfly), Jacque Fate (100 freestyle) and Megan

OAK HARBOR'S Sam Reynolds swims in Monday's dual meet. The Rocket boys beat Port Clinton but fell to Fremont Ross.

Wasserman (100 breaststroke) each won individual events for Ross. Ickes, Wasserman, Miller and Fate also comprised the

first-place 200 medley and freestyle relays.

Fate, Wasserman, Miller and Ickes qualified to state in the 200-freestyle relay

last year. Fate also qualified in the 50 and 100 freestyles.

Kyle Beck (100 backstroke) and Josh Young (100 freestyle) each won one event and participated on the winning 200 medley relay for Oak Harbor.

"We had great times (Monday) and you love to see that early in the season," Rocket coach Andrea Sorg said. "We're in good shape for this time of year on both sides."

Stephanie Greggila (200 freestyle), Kristin Goldstein (50 freestyle) and Katie Bechtel (500 freestyle) each won one event and swam on the winning 400-freestyle relay for

the Rocket girls.

Sorg was particularly excited about Greggila's time of 2 minutes, 8.88 seconds in the 200 freestyle.

Sorg said her teams never cease to amaze her. And this is coming off an unbeaten regular season for the boys last year.

"They work so hard in practice. This is the first time in three years I'm satisfied with the times and technique that we saw," Sorg said of the Rockets first meet earlier this season.

And even with some key departures Sorg's expectations have not been lowered.

"I don't have team expectations but individual expectations and those haven't let up," she said. "We lost a strong group of boys but the expectations for individuals still have not been lowered."

Sorg is getting her first opportunities to see many of her swimmers in a competitive setting and is pleased with their progress — especially considering their

bodies are tired from the time and energy they've put in preparing for the season.

Stevyn Perry and Brent Browning rounded out the 200 Medley Relay for Oak Harbor. Adam Andryc won the boys diving competition and Carrie Andryc took the girls portion for the Rockets.

Sorg said Alyssa Perry's swims in the 50 and 100 freestyles stood out.

"She continues to lower her times — she had some really nice splits," Sorg said.

# Chances of relay teams' return trip look good

By **MATTHEW HORN**  
Sports Writer

Fremont Ross sent an entry to state in the 200-yard freestyle relay for both the girls and boys last year.

Jessica Ickes, Caley Miller, Megan Wasserman and Jacque Fate — who are each back for a run at a second trip — are already only 2 seconds off their district time from a year ago. They established a pool record at 1 minute, 44.84 seconds Wednesday as the girls fell to Findlay 67-26.

"That was a tremendous swim in our 75-year old pool," said Little Giant coach Phil Moran. "That record stood for about 30

years. That's a great sign of what they're capable of doing at the end."

The foursome swam the event in 1:45.11 over the weekend at the Ned Reeb Invitational at Ohio State in what was supposed to be the fastest pool in the U.S., according to Moran.

"They were faster in our little old pool," he said. "There is something about being at home to find that extra special effort — especially when you're tired. It was all guts on that relay."

The Ross boys beat Findlay 59-35.

Chris Beier has replaced graduated Jake Ickes on the boys 200-freestyle relay.

Matt Bachelder, Lincoln Fahrback and Brad Nuhfer each returns, but the foursome didn't swim the event together Wednesday.

The group is currently 3 seconds faster than this time last year as Nuhfer said Beier has fit right in.

"He's filling in the position very well," Nuhfer said. "He's a fast kid. He's working hard. If it was anybody he'd be the one I'd choose to fill that spot."

The boys swam a 1:29.5 at districts last season and the school record of 1:29.27 is a definite goal, Nuhfer said.

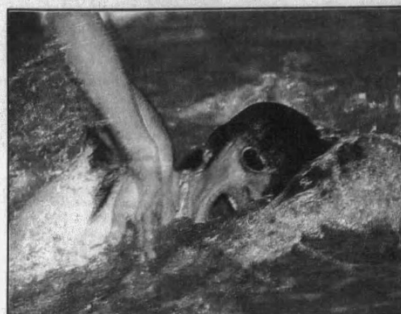

"We'd like to get to 1:30 before districts and 1:27 or faster to get to state," he

said. "I think we can do that for sure. Everybody on the relay wants it."

"We had a ball at state. It's just fun to get there and it's amazing to think you're one of the top ranked relays. We're trying to get Beier there. We have the experience and we know what we want and we're going for it."

Nuhfer would also like to qualify for state in the 50 or 100 freestyle. And an unbeaten regular-season record would certainly work as well.

"We're trying," Nuhfer said. "We practice hard and

work hard. We just jump in and swim fast and whatever happens, happens. So far so good."

Fahrbach, Bachelder, Spencer Schabel and Andre Velez won the 200-medley relay. Bachelder took the 200 freestyle, Fahrbach the 200 IM and 500 freestyle, and Velez the 100 butterfly.

Schabel, Beier, Nuhfer and Josh Bowen won the 200-freestyle relay, Fahrbach, Beier, Velez and Bachelder the 400-freestyle relay, and Schabel the 100 breaststroke.

Fate captured the 50 freestyle and Ickes the 100 butterfly.

"The kids swam well," Moran said. "A lot of young kids had personal-best times. Findlay is tough. That's who we'll have to beat at districts so it's good to

see them. The (girls) relays should definitely be competitive — relay to relay getting kids to state we can compete."

Erick White and Bachelder each shaved 2 seconds off their best times in the 100 backstroke

Brooke Ratcliff (50 and 100 freestyles), D.J. Tucker (200 freestyle), Brittany Hausman (200 freestyle), Miller (IM), Michael Yuhas (50 freestyle), Jordan Beck (50 freestyle) and Joy Risner (50 freestyle) established personal-best times for Ross. Brad Osborne's split in the 200-freestyle relay also set a personal mark.

"We had freshmen already posting times that could get to districts," Moran said.

# Practice pays off for Ross

By KYLE TIMMONS

News-Messenger correspondent

SANDUSKY — The grueling workouts the Fremont Ross boys and girls swim teams faced over the holidays paid off, as the Little Giants posted big victories over Sandusky on Tuesday night.

The girl's team, led by a variety of swimmers, handed the Lady Blue Streaks a 111-58 defeat, finishing first in all eleven events.

"We definitely swam well today," said senior swimmer Megan Wasserman. "I'm proud of the whole team's performance. They really stepped it up today."

Wasserman aided the Little Giant attack by taking first place in the 100-meter butterfly (1:05.78) and the 100 breaststroke (1:17.79).

Wasserman was also part of the winning 200 medley relay team of freshmen Alyssa Moyer and sophomores Jenn Serrick and Amy Kim that finished in 2:12.45, and the 200 freestyle relay of junior Caley Miller, Kim and sophomore Jessica Ickes that finished in 1:51.60.

Miller was just as impressive as she captured first place in the 200 freestyle (2:14.21), the 100 freestyle (1:00.53) and a part of the winning 400 freestyle relay team of Ickes, Moyer and Jacque Fate.

"This meet has been good," Miller said. "We're all kind of tired, but we did our best."

Fremont coach Phil Moran said he was pleased with the performances of Wasserman and Miller.

"(Wasserman and Miller) did a nice job," Moran said. "The kids swam about 70,000 yards last week but they swam hard for being broken down."

Other first place finishes for the Lady Giants included Ickes in the 200 medley (2:27.97) and the 500 freestyle (5:55.20) and sophomore Jacque Fate in the 50 freestyle (25.41) and the 100 backstroke (1:10.24).

## Ross wins both ends of swim meet

### Continued From B1

The boys were nearly as successful, taking first place in 10 of the 11 events as they defeated Sandusky 107-63 to keep their dual meet record perfect at 7-0.

The boys were led by sophomore standout Lincoln Fahrback, who won the 500 freestyle in 5:08.64 and the 100 backstroke in 1:00.06.

"(Fahrback) was hurting by the end of the week," Moran said of last week's grueling practice schedule. "He's a tired kid and he still swam some pretty good times."

Fahrback was also part of the winning 200 freestyle relay team of senior Brad Nuhfer, senior Spencer Schabel and junior Andre Velez which finished

with a time of 1:38.97, edging out another Ross relay team by less than two seconds.

"(Fremont) has a lot of good swimmers, both young and old," said Sandusky coach Tom Patterson. "They had a really good meet."

Freshmen Kyle Wasserman also tallied two first place finishes as he finished the 200 individual medley in 2:32.13 and the 100 butterfly in 1:04.64.

"Wasserman dropped four seconds on his fly today and swam a 1:04 out of nowhere," Moran said. "He had just an insane swim today."

The Little Giants will return to action this Saturday at 1 p.m. as they will face league foe Marion Harding in a dual meet.

# Ross beats Margareta; boys stay undefeated

Jacque Fate sets record in 100 freestyle

By KYLE TIMMONS

News-Messenger correspondent

Fremont Ross senior Kevin Held has been swimming at the Fremont Middle School pool since his seventh grade year.

On Tuesday, Held accomplished a first.

Held captured first place in the 200-Individual Medley (2:30.85) as the Little Giants' boys swim team kept its perfect season intact by defeating Margareta 64-30.

"It feels really good," Held said. "I've been swimming here six years and it feels good to finally get first."

Held fought off freshman Kyle Wasserman who finished less than a second later at 2:31.32.

"(Held) was fighting for it," said Fremont coach Phil Moran. "He really wanted it."

The Little Giants, who improved to 10-0 in dual meets, were led by a handful of individuals.

Junior Chris Beier took first in the 200-free (1:58.70) and was part of the first place 200-free relay team of Lincoln Fahrback, Matt

Bachelder and Brad Nuhfer which finished in 1:34.09.

"Beier had a (personal record) in the 200-free," Moran said. "He's never been under two minutes so that was a nice swim."

Beier said he was pleased with his performance.

"It felt pretty good," said Beier of his personal best time.

Margareta coach Joe Groskost said he was pleased with the performance of Caleb Griffith and Ross Wriker.

"The biggest surprise was Wriker in 500-free,"

Groskost said. "He's never swam that in his life and he finished in 5:46.9. He's typically a sprinter."

"Caleb also did very well. He finished third in the 100-fly and he had never swam that as well."

In girls' action, the Lady Giants also defeated the Polar Bears 56-38 as Jacque Fate and Jessica Ickes led the way in the victory.

Fate set the pool record in the 100-free with a time of 55.06. The previous pool record was 55.98.

Fate also earned first place in the 100-back (1:08.51) and was a part of the 200 and 400-freestyle re-

lay teams which finished first in 1:45.51 and 3:57.52.

Ickes joined Fate on the 200 and 400 freestyle relay teams and she won the 200-free (2:07.87), and the 100-butterfly (1:04.57).

"I'm pretty tired right now," Ickes said after completing the 200-freestyle event. "The team has been doing really good."

The girls finished first in every event except the 200 Medley Relay.

"Phil (Moran) has a good team," Groskost said. "He's worked really hard with his team and he has good kids coming up and a good program."

The Little Giants will conclude their home season Saturday against league nemesis Napoleon.

Napoleon, who beat out Fremont for first place last Saturday at the Greater Buckeye Conference meet, has beaten the Little Giants 12 out of the last 13 years in dual action.

"It will be one of the toughest swims this season," Moran said. "(Napoleon) has no real weaknesses."

The meet will be the final meet ever held at the Fremont Middle School. Construction is underway for a new pool at the high school.

# Ross beats Napoleon in pool finale

**Boys finish first undefeated dual season since 1953**

By KYLE TIMMONS

News-Messenger correspondent

After 74 years of swimming action at Fremont Middle School, the Fremont Ross boys and girls swim teams closed the pool Saturday against Greater Buckeye Conference champion Napoleon.

And they did so in style. Napoleon, who captured the conference title on Jan. 14 fell to the Little Giants in boy's action 94-76 as the Fremont boys finished the season undefeated at 11-0, the first time they have finished with a perfect record since 1953 — coincidentally,

the last time Ross won a state swimming title.

"I told Phil (Moran) that if his boys swam last week like they did today, they could have won a league title," said Napoleon coach Larry Vocke said. "Our day was last week, their day was (Saturday)."

But the Fremont victory didn't come easily as both squads fought their way through event after event.

The Little Giants picked up their first top finish in the 200 meter freestyle as senior Matt Bachelder finished in 1:55.31 and junior Chris Beier (1:59.06) placed second, less than a second ahead of Napoleon's Adam Weirich.

"We've never had a crowd this big," said Fremont senior Megan Wasserman. "And when it started rocking during the 200 free for Chris Beier, it

was just phenomenal."

Things didn't calm down either as Wildcat Nick Saul set a Fremont pool record in the 200 individual medley in a time of 2:02.47.

"(Saul) can swim anything," Vocke said. "I can put him in any event and he is going to be very competitive at it."

Fremont junior Andre Velez (2:22.96) and freshman Kyle Wasserman (2:30.39) finished second and third in the event.

In the succeeding event, Little Giant sophomore Lincoln Fahrback broke a 25-year old pool record, swimming the 50-free in 22.29, .01 seconds better than the previous mark.

"That was fun," said Fremont coach Phil Moran. "It's fun breaking a record by one-hundredth of a second. That's the way they ought to be broken."

Fahrback would also earn first place in the 100 butterfly in 54.76.

Both teams continued to battle it out until Fremont captured the top two spots in a pivotal 200 free relay, giving the Little Giants the momentum they needed the rest of the way.

Led by Bachelder, Chris Beier, freshman Jordan Beck and senior Brad Nuhfer, Fremont took first in 1:37.10.

The team of junior Josh Bowen, senior Spencer Schabel, Fahrback and freshman Adam Widman finished second in 1:38.61.

"Everyone stepped it up," Bachelder said. "I'm so proud of my team."

The victory marked just the second time Fremont has defeated Napoleon in Moran's 13-year tenure.

"This was tremendous," Moran said. "We knew we

were going to have our hands full. We got a little lucky with our lineup. That's the name of the game, sometimes you catch them and sometimes you don't."

In the girl's meet, Napoleon earned a 105-65 victory, establishing two pool records of their own.

Wildcat senior Allison Zuch established a new 500-Free record in 5:24.92, nearly five seconds faster than the old mark of 5:29.32 set in 2003.

Sophomore Chelsea Meyer broke the record in the 100-Breaststroke with a time of 1:09.03.

"(Meyer) is really coming on and becoming a real force," Vocke said. "She works hard and today was her best breaststroke time."

The final pool record was beaten on the final event for the girls.

Megan Wasserman, the only senior on the girl's squad, along with sophomores Jessica Ickes and Jacque Fate, and junior Caley Miller finished the 400-Freestyle Relay in 3:48.65.

"We wanted that record for a long time and today was our last chance," Wasserman said. "I told them, 'Do it now or do it never.' We went out and put everything into it and just saw what we had and I'm very proud of them."

The dual meet brings the regular season to a close as well as a chapter on an era in Fremont swimming at the Middle School.

"In Napoleon, we call (the pool) 'the shoe box,'" said Vocke. "We don't say it to be derogatory, it's a term of endearment. I'm kind of sad to see it go."

Despite its age and size, many others are too.

HIGH SCHOOL SWIMMING: KEN GIPE RELAYS

## Ross boys, Oak Harbor girls finish second at Gipe relays

By MATTHEW HORN  
Sports Writer

PORT CLINTON — The Fremont Ross boys and Oak Harbor girls finished the Ken Gipe Relays in second place on Saturday.

But winning wasn't the primary objective.

Instead, the meet serves as one final chance to relax — albeit in a competitive environment — before sectionals.

"It's fun," said Little Giant coach Phil Moran. "We want to be fast but fun is the whole point. It's a stress reliever before sectionals."

"All the kids swam well and did a nice job. We had a good meet. The older kids look tired — which is to be expected. This is a good barometer."

Saint John's Jesuit won the boys portion Saturday while Powell Olentangy took the girls. The Margaretta boys finished fourth while the girls wound up seventh.

The Rocket boys tied for sixth and the Ross girls were also sixth.

Jessica Ickes, Megan Wasserman, Caley Miller and Jacque Fate of Ross were first in the 400-yard freestyle with a time of 3:54.59.

"The girls set a (meet) record in the 400," Moran said.

Ross also held the old record — established in 2002.

"That was the relay that made it to state," Moran said. "The girls are right in line."

Lincoln Fahrback, Matt Bachelder, Chris Beier and Andre Velez of the Little Giants were first in the 400 freestyle. Erick White, Spencer Schabel, Chris Beier and Brad Nuhfer finished second in the 200 Medley, and Velez, Schabel, Kyle Wasserman and Josh Bowen were second in the 200 butterfly-breaststroke.

Erika Pail, Kristin Goldstein, Caryn Diefenthaler and Kaycee Hallett of Oak Harbor were second in the 400 freestyle.

"Our girls were solid in everything we put them in. They swam hard but came up a bit short," said Rocket coach Andrea Sorg of the two-point finishing margin. "All the girls came in knowing they had a chance to win and they put their hearts into it."

"Everybody swam hard. Some of the kids that typically finish third or fourth at dual meets took some points for us. You have to be proud."

Josh Young, Kyle Beck and Lucas Bechtel finished second in the 300 IM for Oak Harbor.

The event's namesake coached at Port Clinton for more than 30 years before he retired in 2001. The Relays — formerly known as the Port Clinton Relays — were held for the 38th time Saturday.

"The camaraderie of the teams and the way the coaches get along — the atmosphere of the meet," said Gipe, who functioned as meet manager, of what stands out. "They try to make it very friendly — like a family thing."

Gipe — who is still a major supporter of the Port Clinton program — is the former president of NISCA. He officiates at the district, sectional and state levels — which are elected positions.

"He's respected by his peers and he sets a standard for integrity," said Redskin coach Dan Diaz.

Teams came from as far as Columbus and Toledo on Saturday. Sectionals may be right around the corner but for a day everyone was friendly.

"It's competitive," Sorg said. "It's a non-stressful meet just before sectionals. It gets stressful next week."
