## Camelback Warm-Up will be Saturday

A Camelback Warm-Up will be Saturday, April 28, at the Ross High School all-weather track.

Sponsored by the Fremont Elite Runners Club, the Warm-Up is a kickoff for The News-Messenger Camelback 10,000 meter race which will be held May 20.

At the Warm-Up, there will be a one-mile fitness and fun run and a three-mile prediction race.

The one-mile run will begin promptly at 10 a.m. with the three-mile event to follow immediately afterwards.

Sign-up for the runs will begin at 9:30 a.m.

There is NO ENTRY FEE for the Warm-Up but there will be prizes given to runners.

The first two men and the first woman in the prediction race will receive free T-shirts and registration in The Camelback 10,000.

People in the prediction run will predict how long it will take them to run the three-mile distance. The people closest to that prediction time will be the winners.

The Warm-Up is geared especially for The Camelback 10,000 but all runners, regardless if they intend to run in the May 20 race, are welcome at the Warm-Up.

ARLENE LONG of Ross is on her way down after clearing the second hurdle on her leg of the shuttle hurdles. She helped her team to winning time of 1:08.6.
