

1924 Class A Tournament...

FREMONT HIGH GOES OUT IN FIRST ENCOUNTER

Fremont high school, still pursued by the villain and his pack of hoodoos, took another defeat Friday. This time the purple and white team fell before the Sandusky high team in the class A tourney that is being staged at Norwalk. The count was 19 to 13 and those that saw the melee say that the Fremonters played way below their normal line of speed. Fremont wasn't alone in the suffering. The first day's work saw such teams as Fostoria, Norwalk, Bellevue and Tiffin fall by the thorny wayside and beg for air, while Galion, Mansfield, Bucyrus and Sandusky rode on to other fields of conquest.

Of the four Little Big Seven teams in the tourney Friday morning, only one, Sandusky, remained in the running to represent the league Saturday. Sandusky and Mansfield were looked upon as winners, according to ringside experts. Big crowds viewed the games.

Here's how the list of pallbearers looked that buried the hopes of Fremont in the big tourney:
