

Little Giants drop season opener to Anthony Wayne...

The Fremont Ross boys tennis team kicked off their season with a tough matchup against Northern Lakes League powerhouse Anthony Wayne on Monday, ultimately falling 4-1 in a highly competitive contest.

Despite the final score, the Little Giants battled hard on every court, showing resilience and determination against one of the area's top programs. Leading the way for Fremont Ross was the duo of Zach Bishop and Logan Wensinger, who secured the team's lone point at #2 doubles. After dropping the first set 1-6, the pair regrouped and fought back to win the next two sets 6-2, 6-4, displaying impressive composure under pressure.

Another closely contested match came at #3 singles, where Charlie Kramer pushed his opponent to the limit in a thrilling three-set showdown. Kramer took the first set 6-3 before Anthony Wayne's player responded with a 6-2 win in the second. The decisive third set was a back-and-forth battle, but Kramer ultimately fell just short, 5-7.

The remaining Fremont Ross players gave strong efforts against a talented Anthony Wayne squad, proving that the Little Giants have plenty of fight as they embark on the 2025 season.

Fremont Ross will look to build on this effort in their next match as they take on Rossford later this week. With the season just getting underway, the Little Giants are eager to keep improving and make their mark on the court.

Tennis team shuts-out Rossford...

The Fremont Ross boys' tennis team notched their first victory of the season in commanding fashion, defeating the Rossford Bulldogs in straight sets. The win was a confidence booster for the Little Giants, who put together a strong overall team performance.

Head coach Lisa Wolf was particularly impressed with the play of Logan Wensinger, who competed at #3 singles. Wensinger's ability to take instruction and immediately apply it on the court was a highlight of the match.

"Logan is very coachable. He absorbs suggestions and puts them to use right away," Coach Wolf said. "It's great to see that kind of mindset in a player."

Senior Adriel Benavidez also earned high praise from Coach Wolf. Making his varsity debut at #2 doubles, Benavidez delivered a solid performance that helped secure the team's sweep.

"Adriel did a great job in his first varsity match. He stepped up when we needed him, and I'm really proud of his effort," said Wolf.

With the season now underway, the Little Giants are looking to build on this victory as they prepare for their next match. If their performance against Rossford is any indication, the team is poised for continued growth and success.

Tennis Triumphant on Senior Night...

FREMONT — It was a night to remember on the courts of Fremont Ross as the Little Giants delivered a thrilling 3-2 victory over Tiffin Columbian on Senior Night, capping off a heartfelt celebration with a hard-fought win that came down to the final match.

Head coach Lisa Wolfe made it clear before the match that the evening was about more than just the scoreboard.

"It was Senior Night, and I felt it was very important that our five seniors were in the varsity lineup," Wolfe said. "Win or lose, that would be the most important part of the evening—honoring our seniors."

And honored they were. The Little Giants recognized seniors Cole Kinsey, Zach Bishop, Adriel Benavidez, Isaac Sanchez, and Rylann Fox for their dedication, leadership, and contributions to the program.

"I told them, if this is your first year or your fourth year, you are a very important part of the team," Wolfe said. "Your leadership, your sportsmanship, and your respectful personalities earned you a varsity position."

As the match unfolded, emotions ran high and competition was fierce. With the overall team score tied at 2-2, all eyes turned to Charlie Kramer at No. 3 singles. The sophomore battled through a three-set thriller to clinch the victory for Fremont Ross, grinding out a 7-5, 1-6, 6-4 win that sent the home crowd into celebration.

The win boosts the Little Giants' record to 7-2 on the season and serves as a perfect send-off for the senior class.

Fremont Ross returns to the courts on Thursday for another home match, this time hosting Northern Lakes League foe Napoleon. With momentum and morale on their side, the Little Giants are poised for another strong showing.

It's been a whirlwind week for the Fremont Ross boys tennis team, but the Little Giants have risen to the occasion — racking up three wins in three consecutive days to extend their win streak to eight and improve to 12-2 on the season.

The action began on Monday with a solid 4-1 victory over Maumee. Building on that momentum, the team turned in a dominant performance Tuesday, sweeping NLL foe Springfield 5-0.

But it was Wednesday night's road match in Oregon against a tough Clay team that truly tested the team's resolve. In a gritty battle, Fremont Ross pulled through with a hard-fought win to cap off their third victory in as many days.

Standout performances included:

#1 Singles: Cole Kinsey showed resilience and poise, grinding out a 7-6 (2), 6-4 win.

#3 Singles: Carson Lewis outlasted his opponent in a three-set thriller, 7-5, 3-6, 6-2.

Despite the packed schedule, the Little Giants aren't done yet. They hit the road again this evening to face Perrysburg, travel to Southview on Friday, and will wrap up their demanding week by hosting the annual Little Giant Doubles Invitational this weekend.

With their confidence growing and momentum building, Fremont Ross tennis is making a strong case as one of the area's top programs this spring.

Friday Night Lights Shine Bright on Little Giants at Home Doubles Invite

The Little Giant Doubles Invite took on a fresh and exciting twist this year, turning an early setback into an unforgettable evening of competition. Originally scheduled for the previous Saturday, inclement weather forced the cancellation of the annual event. But the Fremont Ross tennis program didn't back down. Instead, they pivoted — and under the glow of Friday night lights, the invite came to life.

With courts lit and energy high, the newly dubbed Friday Night Lights Doubles Invite became an instant crowd favorite. The unique atmosphere added electricity to an already competitive field, and the home team delivered standout performances across all divisions.

#1 Doubles – Cole Kinsey and Charlie Kramer were dominant on the court, rolling past tough teams from Fostoria, Sandusky, and Norwalk to capture 1st place honors. Their chemistry and aggressive play at the net proved too much for their opponents all evening.

#2 Doubles – Zach Bishop and Jack Swinehart fought their way into the finals with a strong win over a Norwalk/Tiffin combo, before falling in a hard-fought match against Tiffin Columbian. Their performance earned them an impressive 2nd place finish.

#3 Doubles – Chase Culbertson and Logan Wensinger battled through the bracket and ended the night in 5th place, showing steady improvement and resilience throughout their matches.

#4 Doubles – Adriel Benavidez and Brandon Fry turned in one of the evening's most complete performances, notching victories over teams from Sandusky, Norwalk, and Upper Sandusky to claim 1st place in their division.

Beyond the scores and standings, the night had a deeper meaning — exemplified by Maden Dewalt, who stepped in to sub for a missing Fostoria player. Dewalt's positive attitude, team-first mindset, and leadership on and off the court earned him the prestigious Sportsmanship Plaque, a recognition voted on by both coaches and players. It's a testament to the character and class Fremont Ross tennis brings to every match.

The Friday night lights may have been a Plan B, but judging by the atmosphere, competition, and community response, it might just be the start of a new tradition.
