## Ross Matmen Go To State Finals

State high school wrestlers will compete for the championships in all weight divisions Friday and Saturday in Lakewood high school and among the entrants will be six wrestlers from the Ross high squad of Coach Mal Mackey.

The half dozen grapplers earned the right to compete last weekend when they won out in Findlay elimination events. They include Dick Karlovetz, who is in the heavyweight class; Bill Sheets, in the 138 pound bracket; John Nitschke, 127 pounds; Larry Reed, in 154; Wayne Michaels, 145 pounder; and Russ Nitschke, listed in the 120 pound bracket.

These wrestlers formed the nucleus around which the current Ross high team was formed. The squad won nine out of their 12 bouts.

Three boys from the Ohio State School for the Blind will compete in the championships.

It will be the first time sightless wrestlers have participated in the state prep meet.

Two of the entries from the Columbus school, Richard Brawner in the 134 pound class, and Charles Warren Jr. in the 139 pound division, won regional titles at Findlay last weekend.

The third, 146-pound Buel Messer was runnerup in his first loss in 21 matches.
