DIVISION III (PLYMOUTH)

Fox leads Margaretta trio

Three Margaretta wrestlers advanced to the district tournament as the Polar Bears finished seventh at the Division III Plymouth sectional.

Josh Fox (189) finished second, James Toth (103) was third and Sean Avila (112) was fourth for Margaretta.

State powerhouse Sandusky St. Mary Central Catholic won the sectional.

The Polar Bears next wrestle at the district meet in Fostoria.

DIVISION I (ROGERS)

Bias, Biehler, Perez, Krueger move on

Four Fremont Ross wrestlers advanced to next weekend's Division I district tournament at Mentor.

Chris Bias (145), Brad Biehler (160)

and Jorge Perez (215) each finished third at the sectional meet at Toledo Rogers.

Sam Krueger (130) was fourth for the Little Giants.

Ross finished seventh as a team with 97.5 points. Perrysburg won the event with 247 points.

"I am very happy for those four," Ross coach Mike Mezinger said.

Especially for Biehler and Bias.

In the opening-round match, Biehler lost to Sandusky's Daren Warner for the third time this season.

But Biehler rebounded and won five consecutive matches — including another bout with Warner — to finish third.

Biehler beat Warner 6-3 in the consolation semifinal.

"He wrestled great," Mezinger said of the event as a whole. "That's the best I've seen him wrestle."

Bias went 3-1 at sectionals to improve to 13-19 on the season. It's a rarity when a wrestler with a below .500 record advances to the district tournament.

"At the beginning of the season, he

was really inconsistent and I was pulling my hair out," Mezinger said. "In the last month or so, he has really come on strong."

Perez improved to 29-7 on the season, and Krueger upped his mark to 29-10.

"I'm really proud of how all of the guys have improved over the whole season," Mezinger said. "I'm anxious for next season already, and this season is not even over."

DIVISION II (SHELBY)

Dusty Gurley (140) was second, and Dawson Riedy (119), Mike Yingling (130), Ed Hupp (152) and Dan Yingling (160) each finished third.
