## Millers Make News On Local Scene

ALL FOUR ATHLETES pictured above are named Miller—and they have made that name exceptionally prominent on the local scholastic basketball front this winter. The tallboy at the left is Larry, 6-3 Ross center and the leading scorer of the Little Giants and the Buckeye Conference. Looking admiringly at her big brother is Carole Miller, who in two games for the Ross girls team has scored 55 points. No. 4 in a St. Joe uniform is Ron Miller, the 5-8 sensation of the Crimson Streaks. His playmaking and shooting this season is one of the biggest reasons why the Crimson Streaks won the Sandusky Bay Conference title and have compiled a 13-3 record. The little chap is Bill Miller, who hopes some day to be a big cog on the Ross varsity. A brother of Larry and Carole, Bill is the leading scorer on the Ross seventh and eighth grade team. He's an eighth grader.

**GIRLS ATHLETIC ASSOCIATION** varsity basketball team is scheduled to play Sandusky, in the Ross gym on March 10. The Ross girls defeated Port Clinton varsity February 28, with a score of 25 to 17. Mary Zilles, captain, was high scorer with 12 points; Carole Miller second with 7 points. Social hour after the game was conducted by Sandy McCarthy, president of G. A. A., with Barbara Fowler and Marlene Miarer in charge of refreshments.

In the girls' basketball games, Carole Miller's team won a 7-0 victory over the team coached by Mary Zilles. Both squads were comprised of the All-Stars in girls' basketball. Nanette Perry, with four points, was high scorer for the winners.
