

1939 was the first year All-Ohioans were named in football.

Bob Shaw Named On Second Team Of A.P.'s 1939 All-Ohio

PRESS PASSES Over the Desk From Jerry Liska News-Messenger Sports Editor

Mike Does Well . . .

According to the National Bassoon Association the Fremont Green Sox reserve list includes nine players

—Bernard Binsack, Ray Cook, Sam Cunningham, Fred Gerken, George Geyser, Ted Haas, Oliver Hess, Fred McDouough and George Severson. . . However, the list was released before the close of the season. Of the remaining eight, probably three or four will not be back, if, and when, the Green Sox begin preparing for the 1940 campaign. . . Sam Moxley, of the Lima team, met the third and final ball of Class D ball and are expected to ask for their releases. As a matter of fact, an entire new club, with one or two exceptions, is likely if the Green Sox enter the Ohio State league this coming spring. . . Fostoria has the loop's smallest reserve list, consisting of only two men, Jerry Liska and Jerry Navroci. . . which isn't causing the Red Birds any worry, as long as the parent St. Louis Cards are hovering hard by. . . The Lima list includes 19 names, although Merle Settimi and Bill Wood are the only ones on the club since the roster was compiled. . . The Ohio State league officials were slated to meet in Cincinnati Monday morning during the half-league session of baseball's annual pow-wow. . . While the opening session of next season was to be considered, the park was expected to be the place for a park or organization of amendments to Class D regulations, proposed by the National Association. . . This was a great year for Attorney Michael DiSalle of Toledo. . . The former Lima club president sold the park for \$27,000 in the fall and just last week he was appointed an assistant city law director in Toledo for a modest starting stipend of \$2,400 annually. . . DiSalle, a graduate of Georgetown University law school, is only 31. . .

Cage Rule Changes . . .

You'll find only a few cage rule changes this winter. . . Most important is the change in the rule sum affecting a player fouled from the act of shooting. The defensive player until a fraction of a second the basket is made . . . Those foul points will be added to the complexion of a game in a hurry. . . Ken Sibley, former Jackson-Burnham star, has been awarded fresh air, a new team and a chance to get the ball out-of-bounds in the end zone. . . The new minimum rule as fall as Dave Engler, ex-Oak Harbor, has been minimum rule before the Tiffin schools. In his talk before the Tiffin schools last week, Jack Sutherland, former local coach, said that the new rule he offending player will be disallowed. . . As a result, a wonder player would not reject or accept foul this season. . . The new rule that the baskets should be four feet within the end lines to make more room for timekeeping at big games in the past three or four seasons? . . . For the first time, the operators of electric clocks in big stadium . . . The new clock sys-
