
INTER-CLASS TRACK MEETING

Arrangements have been completed for the inter-class track and field meet to be held at the fair grounds Thursday afternoon and the first event, the pole vault, will be started promptly at 3:30.

Vorys Collier has been named as head starter, and Gordon Maxwell will act as clerk of the course, and Gob Laub will have charge of the field events.

There will probably be three entries in each event from each of the classes and five places will be given. The junior high school will be represented by one team, that is, the three grades will be combined.

Coach Ross is hopeful of turning out a squad that will be placed in the meets in which they are to take part during the coming month and the meet is being staged for the purpose of encouraging the youngsters to show just what can be expected from them in competition.

A tag sale is to be held at the school Thursday with tickets for the meet being sold to the students at 15 cents, in an effort to have every student in the school attend the meet.
