

FIELD DAY TROPHY PUT ON EXHIBITION

The silver trophy to be awarded the winner of the Little Big Seven track meet to be held at Harmon Field on May 10, has arrived here and is on exhibit at the High school gym office.

A statue of a Grecian runner placed at the top of a silver Corinthian column features the trophy and a silver band about the base of the award is inscribed the words, "Winner, Little Big Seven Track Meet, Fremont, May 10."

WEIL'S TRACK BRIGADE LOOMS PASSING FAIR

Purple and Whiter's Work Hard for Big Meeting on May 10

What chance has Fremont High's contingent of thin clad in the Little Big Seven track and field meeting scheduled for Harmon Field May 10?

This question is being broadcast considerably since the cinder and grass brigade started to amble about the field and track on Mr. Harmon's broad acres, preparatory to mingling with the eclat of the tidliest little high school league in seven states and a couple more.

Early observation indicates that, although the purple and white thin clad under the direction of Eddie Weil, good 'un who used to pat the cinders quite handily for that dear old Miami (Ohio not Florida), the collective crew may not set the league ablaze with record breaking efforts, but the outfits that trim it will be well informed as to some keen competition when the sun goes down on the battle field.

J. W. Miller, all around star, is back on the job and he will probably be entered in the sprints, low hurdles, broad jump and may take a turn at the weights, also being an adept in shoving the leaden ball. Ross, a high hurdler and a pole vaulter, will also be looked upon to show and Paul Schwartz may show the boys a trick or two on the javelin shove. Eggie Newton is a corking good quarter miler and then there is Nelson Trafalger Jones to take his shot at the half mile, distance in which he is really a star. Ireland is listed as a mile hiker and Leedy can soar over the sticks in the high jump at a height that would make a timid aviator dizzy.

Jimmy O'Farrell is also showing well in the sprints and can be depended upon as can Johnny Shamp. Eddie Brehm, Babione, Kohr, Ezra Bowers, Lawrence, Wonzer and the flashy Bob Redding as well as Bob Pettiford can also be looked upon to be out point hunting when the big drive opens.

The purple and whiter's will have a few dual sessions before they take their stances for the main go and they will supply lots of excitement when the L. B. S. merry-go-round starts on the cinders and the leapers and stout fellows mingle on the paddock a few weeks hence.

LEAGUE TRACK MEETING ONE OF BIG CLASS

**Stars From All Units of
Little Big Seven
All Set**

Those that love the crunch of spiked shoes on the cinder paths and the thud of the weights, broad jumpers and pole volters on the ground can surely have their fond hopes for a bountiful supply of entertainment satisfied at Harmon field next Saturday afternoon. It will be the occasion of the Little Big Seven annual track and field meeting, first time the big session was ever held on Harmon field and great plans have been made for the doings.

Each and every unit in the association, Fremont, Sandusky, Norwalk, Tiffin, Willard, Oberlin and Bellevue have girded their loins for the contests and they have been practicing for weeks and weeks.

Norwalk and Sandusky appear to be the outstanding favorites to pick off the championship, but they will have plenty of competition. Blumm, of Tiffin, will make them all hurry to take off the weight honors while Captain Bob Ross will have something to say about the pole vault and the high hurdles. J. W. Miller, Fremont's versatile athlete will also be looked upon to give the visiting boys something to think about in the 100 yards and 220 dashes. Newton can amble nicely in the 440 while Nelson Jones will be in there with abated breath when the half mile talent is being credited with the honors.

Each school has its big pick and the relays will also supply some of the excitement.

The meeting will mark the finals appearance of Captain Bob Ross who for the past four years has been a capable performer in football, basketball and track. Nelson Jones, captain of football in 1929, will also be taking his last fling under the purple and white colors as will the capable happy George. J. W. Miller and Newton, who are also members of the graduating class, are lined up in baseball and will make several more appearances before they bid farewell to F. H. S. halls.

NORWALK HIGH FAVORITE TO WIN MEETING

Sandusky Second and Fremont Listed Third; Time Will Tell

SANDUSKY, O., May 7.—While Sandusky High School's cinder artists are undergoing strenuous workouts daily at Strobel field under the direction of Coaches Jim Nicholson and Bob Whittaker, word is going the rounds throughout this district that Norwalk High's stellar track squad will enter as the top favorite to cop the annual Little Big Seven League track and field meet, to be held this year at Fremont.

It is generally conceded that Norwalk this year has the strongest track team that has represented the Maple City for many seasons, and this fact is not being overlooked in selecting a probable winner. Sandusky, because of its records in the past, is generally accorded a second choice and is looked upon as a possible "dark horse" to win the meet. Both teams are expected to chalk up around 60 points.

Fremont is rated as a third place choice, while Tiffin, Columbian, Willard, Bellevue and Oberlin are expected to battle it out for the remaining places, possibly in that order.

After the Blue Streaks' impressive win last Saturday over Lorain, the stock of the local athletes has gone up considerably and they loom at least as decided threats in the league meet. In preparation for this annual competition the Sandusky High mentors are devoting special attention to each of their possible point-getters.

150 ATHLETES ENTER GREAT L. B. S. MEET

Each of the Seven Schools
Sends Best Talent;
Many Favorites

With weather conditions at all favorable on Saturday Little Big Seven records will be broken or at least tied in many of the events scheduled for the big track and field meet at Harmon field. Athletes of Norwalk, Sandusky, Bellevue, Tiffin, Willard, Oberlin and Fremont will try for honors in 35 events staged under the capable direction of Coaches Bob Oldfather and Howard Laub.

Burton and Bettridge of Sandusky will no doubt show their heels to one of the fastest galaxy of speedsters in the 100 yard dash, when Barnes, Oberlin; Johnny Miller, Willard; Stape, Bellevue; Wentz Tiffin; Taylor, Norwalk; and O'Farrell, Fremont, toe the mark for the century.

Bettridge may be forced in the 100, but he looks to be the best bet for the 220, with practically the same field against him.

Newton of the Purple and White, with Jones also of the Bob Cats are expected to win the 440 and the 880 runs, with Stape, Willard; Farr, Bellevue; Hickson, Tiffin; Chapin, Norwalk; Johnson, Oberlin; and Harple of Sandusky all crowding in line at the finish for first in the 880, while Burton, Sandusky; Evans, Oberlin; Brown, Norwalk; Hintz, Tiffin; Reitz, Bellevue; and Gates of Willard are sure to force Newton to the limit in the quarter.

Nagle of Sandusky looks to be the best bet for the mile, with Johnson, Oberlin; Farr, Bellevue, and Ireland, Fremont, in line to place. Miller, Fremont ace, and Whitaker of Norwalk will stage a tight race in the low hurdles, with Parkhurst of Oberlin pushing them hard. In the high hurdles, Captain Ross will likely win with Mead of Norwalk and Wright of Sandusky trying hard to overtake him.

Ross Favored
In the pole vault, Ross and Angell and Whitaker of Norwalk will more than likely qualify in the preliminaries and are expected to place in the final. Blum of Tiffin is booked to win the shot and discus events in easy style with a fight on by the other schools for second and third places. Blum is present state title holder in the discus.

Beach of Norwalk and Blum of Tiffin will make the grade in the javelin and first place will probably go to Beach with Blum a close second. In the broad jump, Bishman, Norwalk, Miller, and Newton of Fremont and Taylor, Norwalk will without doubt go to the finals. Leady of the Fremont outfit appears to have the edge in the high jump, closely pressed by Wentz, Sandusky, and DeMuth of Tiffin. Norwalk is slated to win the 880 relay while the final event, the mile relay will end the meet with Sandusky and Fremont fighting it out for first place.

Preliminaries for the big meet will be started at ten o'clock with the final starting at two o'clock. The Fremont High band resplendent in their new purple and white uniforms will make their first appearance in the afternoon and will be stationed at the grandstand throughout the entire meet.

The list of stars entered in the meeting consists of over 150 of the pick of seven contending schools and entries, together with their numeral, as follows:

Bellevue: 1. Walter Stape, 2. Woodrow Hanson, 3. Robert Beckman, 4. Paul Farr, 5. Melvin Miller, 6. Meyer, 7. Reitz Thomas, 8. Maxwell, 9. Hillhouse, 10. Martin, 11. Horton, 12. Miller, 13. RECORD GROUP OF ATHLETES TO FACE GUN

Stage Set for Annual L. B. S. Track Meeting Here Saturday

A real gathering of the hosts, greatest in the history of Harmon field, is scheduled Saturday, when the cinder stars of the units affiliated in the Little Big Seven, gather for their annual joust. The pick of the athletic talent at Fremont, Sandusky, Norwalk, Tiffin, Bellevue, Willard and Oberlin will be on hand and the accumulated numbers will total up around the 150 mark.

The preliminary try-outs are scheduled for 10 o'clock in the morning and the finals will be opened at two o'clock in the afternoon. Sandusky and Norwalk, according to the advance dope, are picked to split first and second with Fremont coming in for third honors. There may be a dark horse, too, proceedings of the kind always breaking out in affairs of the kind.

Fremont has some capable performers in Captain Bob Ross, J. W. Miller, Newton, Redding, Leedy, Bowers, Jones, Ireland, Schwartz, Shamp, O'Farrell and other good boys. Each team has its stars groomed. Sandusky is sending Johnny Bettridge, among others; Tiffin has the incomparable Blumm with the weights; Norwalk has Whittaker and Taylor, together with Beach; Willard has Johnny Taylor; Bellevue has Ross, and here comes Oberlin with its share of the cinder gallopers.

Harmon field has been arrayed in its best bib and tucker for the classic and extra tents have been erected for the comfort of the visiting athletes. The Fremont high school band will be out on the job, dressed in its new uniforms to give one of its famous concerts.

Many of the teams are bringing along delegations of fans and one of the largest crowds that ever witnessed a L. B. S. track and field event will be on hand for the doings.

In looking over the events of the past, the following records for three years have been compiled:

1927.—Sandusky 69 1-3; Norwalk 54 1-3; Fremont 47; Tiffin 17; Oberlin 15 1-3; Willard 6; Bellevue 0.

1928.—Sandusky 48½; Norwalk 44; Fremont 43; Willard 28½; Tiffin 22; Oberlin 21; Bellevue 3.

1929. — Sandusky 54; Norwalk 45 8-10; Fremont 39 9-10; Tiffin 23 1-5; Oberlin 22; Willard 21; Bellevue 4.

Disciples of the winged footed Mercury; those who have patterned after the grace of Jove who hurled thunderbolts, and the immortal hero who won the first Marathon in early Grecian days, were gathered in Fremont today in the greatest numbers in the history of Sandusky county.

It was the occasion of the annual field meet on Harmon Field and, just a few blocks distant, county schools, grades and higher class students, were holding their annual field day and picnic on the rolling slopes and clay oval of the Sandusky county fairgrounds.

The two great meetings, both classics in their line, have drawn thousands to Fremont on a day that was built to order for the entertainment.

Athletes in Fettle

The thin clads took the city by storm and the crunch of spiked cinders, the whirr of the discus, the solid thumps of the broad jumpers, high jumpers and pole vaulters resounded over the entire northwest section of the city while the bark of the starter's guns in both localities heralded the exciting events.

Harmon field, best ordered athletic park around the L. B. S. loop, is harboring its first league track and field meeting. Norwalk, Tiffin, Bellevue, Willard, Oberlin and Sandusky sent trained athletes here to compete with Captain Bob Ross and his group of seasoned stars. Norwalk was looked upon as the winner with its Beech, Taylor, Whittaker and a well balanced crew of point getters.

Sandusky also was in the top betting, but Fremont and Tiffin, the latter with the mighty Blumm, star of weights were looked upon as dark horses.

Fremont pinned its hopes on Captain Ross, J. W. Miller, Egge Newton, Bully Jones, Redding, George,

Opens at 10 a. m.

The preliminary events opened at 10 o'clock this morning and the finals were started at 2 o'clock this afternoon. At noon the big stands, affluted with school colors, and facing the field was the black, cinder- of half mile track forms the border for a well kept field of emerald green. The high school band, 75 pieces and the new uniforms gave a concert in front of the stand this afternoon.

Over on the county show lot, the county schools were having it out in athletic competition with all the zest that features action on Harmon Field. The big objective in the county meeting was the Messenger silver loving cup that has been held by the Clyde school for two years and which again was the object of athletic attention this year. Clyde with its Dolly Gray, Friedley and other performers was again an outstanding favorite, but Woodville, with Graham and other good performers, was a dangerous contender, not to forget Jackson, Gibson, burg York, Townsend and Lindsey.

Many at Picnic
The picnic at the county meeting witnessed many a family group convened under the shade of the spreading elms, oaks and maples, gatherings that were centered by heaps of fried chicken, salads, cakes and pies.

Athletes, compelled to fight shy of rich foods prior to feats of endurance, cast longing eyes at the eats, but their shares were kept until the events of the track resulted in victory or defeat for the lads and the lassies who had visions of drum sticks, white meat and pie two inches thick as they galloped for the glory of old Swiaah.

Qualifying Rounds
In the qualifying rounds at Harmon field this morning, some of the entries stepped high, wide and handsome and one of the L. B. S. records fell by the wayside, when Blumm, Hercules from Columbian High, Tiffin, heaved the shot for a distance of 46 feet, 9 1/2 inches, bettering "Oom Paul" Krueger's (Sandusky) mark of 44 feet made several years ago. Blumm also shot the discus for 119 feet, approaching his own record of 120 feet.

Fremont failed to qualify in the 100 yard dash, but is represented in the remainder of the events, Captain Ross, J. W. Miller, Jones, Bower, being among the qualifiers and Newton, Jones, Ireland in on long distance jaunts and the boys all set for the relay.

Such stars as Whittaker, Norwalk; Blumm, Tiffin, Beach and Taylor, Norwalk, Sands and Thompson; Willard; Wentz, Tiffin, Miller; Willard; Gordon, Oberlin; Staff; Bellevue; Parkhurst, Oberlin; Bettridge, Sandusky, and others set for the finals.

The results of the qualifying rounds this morning were listed as follows:

120 High Hurdles
Parkhurst, Oberlin; Garcia, Norwalk; Ross, Fremont; Wright, Sandusky; Young, Tiffin and Mead, Norwalk. Best time 18.4.

Discus Throw
Jones, Fremont; Blahman, Norwalk; Gant, Sandusky; Bright, Sandusky; Blumm, Tiffin, and Johnny Miller, Willard. Best mark 119 2-3 inches, Blumm, Tiffin.

Pole Vault
Ross, Fremont; Bower, Fremont; Angel, Norwalk; Blahman, Norwalk; Briskley, Oberlin, Hollinger, Willard; Thompsons, Willard, Kaib, Sandusky.

100 Yard Dash
Thompson, Willard; Wentz, Tiffin; Taylor, Norwalk, Staff, Bellevue; Gordon, Oberlin, Bettridge, Sandusky. Best time, 10.2, Thompson, Willard.

220 Low Hurdles
Whittaker, Norwalk; Ross, Fremont; Parkhurst, Oberlin; Miller, Fremont; Wright, Sandusky; Martin, Bellevue. Best time, 27.3, Whittaker, Norwalk.

220 Yard Dash
Thompson, Willard; Taylor, Norwalk; Bettridge, Sandusky; Miller, Fremont; Staff, Bellevue; Wentz, Tiffin. Best time, 23.2, Thompson, Willard.

Javelin Throw
Beach, Norwalk; Cunningham, Norwalk; Gant, Sandusky; Bright, Sandusky; Blumm, Tiffin; Sands, Willard. Best mark 136 feet 10 1/2 inches, Beach, Norwalk.

Broad Jump
Bettridge, Sandusky; Miller, Fremont; Blahman, Sandusky; Staff, Bellevue; Barnes, Oberlin; Yokum, Willard. Best mark, 19 feet 6 2-3 inches, Bettridge, Sandusky.

Shot Put
Blumm, Tiffin; Miller, Fremont; Gant, Sandusky; Cunningham, Norwalk; Taylor, Norwalk; Bright, Sandusky. Best mark 46 feet 9 1/2 inches, Blumm, Tiffin, new record.

Sam Monnetta and Rube Hecht, of Toledo, were the starting judges and the referee. The stands were comfortably filled this morning and the crowd was increased greatly as the hour for the finals, 2 o'clock, approached. The F. H. S. band, in its new uniforms made a decided hit as it marched into field for concert purposes.

SANDUSKY WINS L. B. S. CROWN IN EASY WAY

Norwalk Second; Fremont
in Third Place; Greatest
of Meetings

Records cracked like clay pipe
stems, when the brawn, muscle and
nerve of the athletic stars of the
Little Big Seven gathered for their
annual trials and tests at Harmon
Field Saturday afternoon. No less
than seven league records and one
state mark fell by the boards with
a dull sickening thud on the day
that was made to order for the
shattering of the idols, speaking
along the line of the innocents
who love to see the golden images
tumble from their perches.

Sandusky won the meeting, lead-
ing its fourth consecutive parade
in this respect and scoring 82 1/2
points. Norwalk was second with
53 points and Fremont finished in
third position with a collection of
38 1/2. Other competitors finished
as follows: Willard, 23 1/2; Tiffin
Columbian, 20; Oberlin, 13 1/2; Bel-
levue 13.

Sandusky won over the greatly
heralded Norwalk outfit because it
was able to land points in all the
events with its well balanced team
and by showing an outstanding
edge in distance events.

Johnny Bettridge, Sandusky's
super-man, making his final appear-
ance as a Little Big Seven perform-
er, finished his high school career
in a blaze of glory, taking high di-
vidual honors. Johnny topped the
220 dash, the broad jump, drew sec-
ond in the 100 yard dash and pulled
down a point and a fraction in the
wind-up event of the day, the 400
relay. His total collection was 15 1/2.
Blumen, giant Tiffin perform-
er, was the outstanding individual
of the greatest Little Big Seven
climber and held second on record.
The tall blonde with the Tom
Sharkey shoulders and the Jack
Dempsy hands, showed the shot
for 46 feet 2 1/2 inches, breaking
Krueger's mark of 44 feet. His
next sensation and outstanding
effort of the day, was the while
he gave the discus, sending it
swirling for 130 feet 11 inches,
breaking his own state record of
124 feet two inches and conse-
quently bettering his L. B. S.
mark of 120 feet nine inches.
Blumen, in all scored 14 points,
and his collection of medals was
about the only events taken by
the Columbian team that was
edged out by Willard in the ar-
ray marked up at the finish.

Other Records

Edgar (Egert) Newton, of Fre-
mont, another versatile performer
who was making his farewell as a
L. B. S. star, also showed into the
record cracking. Newton lagged in
the front in his special event, the
440 and hung up a mark of 52 1/2
beating the league numerical 44
by the speedy Mayberry, of Nor-
walk, in 1928, who did the distance
in 53 1/2. Newton's performance was
the acme of skill and judgement
and pretty close. He conserved his
final spur for the proper moment
and breasted the tape ahead of Ek-
in, Sandusky who finished second.
Eck Redding, Fremont, finished
fourth in the event.

Angell, of Norwalk, a wee bit of
a man, broke the league high jump
record, clearing the bars at 5 feet
10 inches, bettering Conn. Paul
Krueger's leap of 5 feet 9 3/4. His
is sure an Angel with "Wings".
Flaher, Oberlin, R. Tompkins, Wil-
lard tied for second and Wess,
Sandusky, Leedy and George, Fre-
mont, tied for fourth and fifth in
the event.

Tompkins, Willard, broke
the league century dash record in
the qualifying rounds, hitting the
tape in 10 1/2. This flashy perform-
er, however fell before Taylor, Nor-
walk, in the finals, but this moun-
tain's mark better the old record
of 10 1/2 made by the winged-footed
Barton, Norwalk, in 1927.

One of the prettiest events of
the afternoon was the 880, won
by Red Harris, Sandusky cap-
tain, in 2:03 1/2 a feat that broke
the old return of 2:04 1/2 made by
Don Brittain, Sandusky, in 1923.
Bettles, Sandusky, was second
and Nelson Jones, Fremont, third,
the latter ran a strong race, but
allowed the Sanduskians to ob-
tain too long a lead in the first
round and failed to overtake the
leaders in his final sprint.

The Sandusky relay outfit won
the mile and half mile gallops in
record time, the first event being
done in 3:24, a new record and the
latter in 1:35 1/2 another new notch
for future champions to gallop at.

Big Winners

Sandusky took down five firsts,
Norwalk four, Fremont and Tiffin
each two, while Oberlin and Bel-
levue garnered one apiece. Willard
failed to finish first in any event,
but prided in placing men in the
second, third, fourth and fifth pos-
itions.

Captain Rob Ross, of the Fre-
mont team, won the pole vault after
a hot duel with Bluhman and Angell
of Norwalk, the latter pair splitting
second place. Ross shot over the
bar at a height of 11 feet, close to
the record which he might have
broken had he been pushed a bit
harder by the opposition.

Rob Taylor, Norwalk, was his
team's outstanding performer in the
meeting and counted his total at 11
points. He bested Bettridge, a meat
chop, in the century dash, and gar-
nered plenty in seconds and thirds.

J. W. Miller, Fremont, great old
war horse, football, cage, baseball
and track man, who finished off
one of the greatest careers in the
history of Fremont athletics, failed
to land a first position, but
best individual in the meeting,
taking second in the weights, sec-
ond in the broad jump, third in the
low hurdles and fifth in the
220 dash.

Captain Ross was up
there with a first in the pole
vault, third in the high hurdles.
Newton added five points with
his 440 classic.

The 880 relay, something new to
league records, was won by the
Sandusky team, and stepped in 1:
55, fast time.

It was a wonderful meeting, a

wonderful success and the achieve-
ment reflects great glory on the
good boys who met, battled it out
and divided trophies. The season,
first of the kind ever held in Fre-
mont, also shows the local ability
to handle affairs of the time on the
finest field in the county a lightning
track and other fine accommodations.
The Fremont faculty, in charge of
the arrangements, certainly deserve
the great credit that is their share
of the success, in fact that made
it a success.

ECHOING CRUNCH OF CINDER PATHS

The Little Big Seven coaches and all visitors, for that matter, agreed that the track was lightning fast, the field arrangements perfect and that Fremont was the logical point for sessions of the kind.

A stiff wind from the northeast sort of bothered the sprinters, but it did not prevent a lot of record-cracking. Bettridge, in his 220 victory, would have added another record performance to the day's list, had he been pushed a bit more by Tompkins and J. W. Miller.

By the way, Bettridge said Saturday that headed toward Kiska preparatory school and that institution headed its graduates to the University of Penn or Ohio State.

Captain Bob Ross, J. W. Miller, Eggie Newton, Nelson Jones, all graduating in June, staged their final performances as athletes under the purple and white banner, flag they have fought for with credit and glory during their past four years. They finished their careers in a blaze of brilliance, the work of Ross and Newton standing out prominently among the features of the exciting day.

A perusal of college track and field records made in other localities Saturday, indicate the class of the Little Big Seven cinder conference, the majority of the marks exceeding the returns from the higher school centers. Harpel's half mile, Blumm's javelin and discus toss, the high jump and the pole vault returns being something to read about and digest with pride.

Blumm, Tiffin giant, is one of the coolest gents in the history of L. B. S. athletics. He takes things as a matter of fact and is never hurried or worried. Breaking a state high school record as he did in the discus toss, is all in a day's work with him. He walked up to the secretary's desk where C. A. Hudson had charge and took his medals and ribbons with a brief thanks and elbowed his way across the lot where he sat down with the rest of the boys and that was that.

The Columbian students from Tiffin were sort of put out by the returns. The fact that Willard finished fourth sort of got under their skin.

Captain Bob Ross was plainly fouled in the 880 relay, but the bump that set the Fremont leader off his stride and lost the purple and white its chance was not officially reported. Fremont was shut out in this event and the bump, happening that was staged in front of the grand stand, did the business.

This Angel of Norwalk, who won the high jump event, setting a new league mark with a height of 5 feet 10 inches, is sure gifted and has wings. His record leap was almost seven inches higher than his head, he being a wee bit of a customer.

Newton, a real classy performer in the broad jump, failed to qualify, fouling on all his trials. Newton can leap more than 20 feet and would have given Bettridge a race for the honors that were taken in

this evening by the Sandusky speed merchant.

A flock of newspaper gents were sprauled all over the lot collecting data for their stories. Among the out of town scribes noticed were Earl Walrath, Sandusky Register; Fred Ball, Tiffin Advertiser and Henry Wynne, Willard News.

If ever a fellow was busier than the proverbial one-armed barber with hives, this gent was Howard (Gob) Laub, popular Fremont athletic director who was one of the powers behind the throne that managed the successful session. Gob was here, there and every where and at the right time in the right place.

Bob Oldfather, grid coach, was also on the job as were Messrs. Timmons, Weland, Bodie, Cooper, Bohn and others.

The F. H. S. band, under the direction of Mr. Seils, Oberlin, did itself proud. The newly uniformed musicians, seated in the field in front of the grand stand gave a concert that was in keeping with the class of the big cinder convention.

Captain (Red) Harple, of the Sandusky team, was the proudest youngster on the lot, when presented with the handsome silver trophy emblematic of the L. B. S. title at the close of the fray. Red clasped the trophy as presented him by C. A. Hudson and he hiked toward the Sandusky dressing tent the center of a joyous throng of blue and white clad boys.

Although Taylor of Norwalk, won the century dash in the finals, Tompkins of Willard gets credit for a new record, 10.2, made in the qualifying rounds in the morning. Taylor's time was 10.4 a performance that also trimmed the old record that stood at 10.6 and was made by Sartor, Sandusky, back in '27.

Sammy Monette and Rube Beethel, of Toledo, starters and referees, are a sweet pair to have at a track meeting or any other kind of an athletic doings. They left immediately after the meeting, having to broadcast over station WSPD Toledo, later in the day.

Nelson Jones, who finished third in the 880 seemed to delay just a bit at the start and allow Harple and Reitzke, of Sandusky to get too much of a lead on him. This space could not be overcome when Jones made his sprint, but he shoved the leaders into a new record, 2:03.3, remarkable performance for high school joggers.

Newton's running in the 440 was a thing of beauty and joy for ever. He timed his spring nicely and eased against the tape with a new record to his credit.

Bob Ross and Bishman, of Norwalk had a long, lingering duel in the pole vault and the Fremont captain won at 11 feet. Bob's brother, Bunk Ross, of Mansfield, was there to cheer him on and the presence of the former F. H. S. mentor helped a lot right there and then, he having coming all the way up from home to see the doings.

Bob Redding ran a nifty quarter in the mile relay and helped a lot in easing his team into second place in the finish.
