# Clyde singl earns state

News-Messenger Reports

Angie Maines simply refuses to let her tennis season end.

Maines, Clyde's No. 1 singles player this year, made a little history Saturday by becoming the first Flier tennis player ever to reach the state high school tennis tournament when she advanced to the semifinals of the Bowling Green Class AA regional tournament.

Meanwhile, the Ross doubles team of Julie Young and Jennifer Miesle ran into some trouble at the Class AAA regional at Delaware, falling in the first round.
