

1948 Season review...

Row 1—Bill Farver, Kenneth Kardatzke, Bob Beck, Bob Heid, Ralph Grubbs, Sam Sims, Bob Andecover, George Rohleder, Walt Weinhardt, Tex Frey, John Auxter, Dick Baron.
Row 2—Marlin Farver, Jack Lombard, John Anspach, Jack Howard, Bob Beeker, Jim Jones, Bill Johnson, Dick Pratt, Tom Lee, Dick Sherman, Dean Kellogg, Stan Ridley.
Row 3—Gene Geib, Bob Graham, Stan Sovinski, Jerry Shannon, Charlie Glover, Bob Boucher, Don Naftulin, George Batie, Leroy Maillard, Dennis Suter, Norb Zienta, Dick Joseph.

VARSITY FOOTBALL

On September 12th the Little Giant football team opened their season with Dover, a new foe. Walt Weinhardt returned the opening kick off 95 yards for the first score and Ross went on to win 33-13.

The Rossmen invaded Ashland for their next triumph downing the A's 20-6. For the first league game Fremont traveled to Fostoria where they met a stubborn Redmen crew but after a battle came out on top 19-0.

Findlay was the next victim to fall before the attack of the Purple-clad Little Giants. In this game Tex Frey pleased the Home-coming crowd by scoring 18 of Fremont's 45 points.

The winless Sandusky Blue Streaks then came to Harmon Field for their traditional battle. After the battle dust had cleared the scoreboard read 13 for the Little Giants and a big zero for Sandusky. In this game John Auxter sparked the team on with a nice run for the first score.

Tiffin and Bowling Green were the next two teams to face the Rossmen and they also fell under a barrage of touchdowns. Tiffin was routed 53-0 and the score would have been higher if the reserve team hadn't played almost three quarters of the game. The Bowling Green Bobcats went home with a 45-0 drubbing and left Fremont with the Buckeye League Banner.

The next game was rated the game of the week by sports-writers all over Ohio. The Little Giants invaded Elyria in hopes of their eighth straight victory but the Rossmen came home on the short end of a 39-7 score, after playing before 10,000 spectators.

Toledo Scott then met Fremont on the rebound and the Bulldogs were upset 27-0. In the last game Fremont journeyed to Marion Harding where they came to life in the fourth quarter and turned back the foe 13-7.

The Little Giants closed the season with nine wins and one defeat, making it one of the best seasons in Ross High Football. Lester Binkley was head coach with Bob Seele, Harold Schahet, Al Ziemke, Gordon Hart, and John Titsworth as assistants. Bob Heid, Sam Simms, Tex Frey, and Bill Farver received state recognition.

Scrimmage Is Scheduled For Ross Gridders

Ross high football team will scrimmage Toledo DeVilbiss high school here next Wednesday late in the afternoon at Harmon field.

With little time available for practice before the actual start of the season on September 17 at Dover, Coach Les Binkley and Assistant Coach Bob Seeley put the Little Giant football aspirants to hard work very quickly.

In their first day of practice yesterday, the candidates did everything but scrimmage. Running races and a good deal of blocking practice were emphasized.

Coach Binkley also gave his backfield boys a little work in the aerial department during the evening session. Bob Beck and Charley Glover did most of the passing.

The team worked out at eight in the morning and then came back for more of the same at six in the evening. The team will follow a similar schedule until school starts on September 13.

ROSS SCRIMMAGES TOLEDO SCHOOL

Coach Les Binkley's Ross high football team was to get its first taste of the year of outside activity when it scrimmaged Toledo DeVilbiss high school late today at Harmon field.

The Ross squad has been working hard in squad scrimmages but has been practicing for only a little over a week now. The Toledo team has been at it since August 20.

ROSS GRIDDERS SHOW PROMISE

Coach Les Binkley and a number of other Fremonters had their first look at the 1948 version of the Ross high football team in action yesterday against Toledo DeVilbiss in a scrimmage.

Teams worked their first string against each other for some 30 minutes and their second teams for about some 10 minutes. Each team scored a pair of touchdowns and although Ross looked far from a club that would easily equal its record of a year ago, neither did it look like any pushover for the coming year.

DeVilbiss boasted a very big line which proved quite troublesome for Ross. Bob Beek, George Batie, Charley Glover and Tommy Lee saw considerable action in the backfield for Ross but it was Dick Sherman who threw a pass to Hosea Simms to score the second Ross touchdown.

Club gave signs it could use plenty of additional work. Team shows a great deal of promise but with only four lettermen around the premises will have to work hard to gain the necessary experience.

Considering Ross has been in practice for only a week or so and DeVilbiss has been going since Aug. 20 and had been touted strongly, the locals gave hint that in time they will be plenty rough.

LITTLE GIANTS MEET UP WITH SPEEDY RIVAL

Local Lineup To Be Different On Offense, Defense

Ross high's Little Giants hit the road today in their first test of the 1948 grid campaign meeting Dover high at Dover at 7 tonight Fremont time.

Coach Les Binkley's club had a tough pair of brogans to fill in those of the 1947 aggregation and in Dover were scheduled to meet a speedy but light club that is supposed to be able to throw the ball.

This Dover team which went down to a 33 to 13 shellacking a year ago should remember Ross quite well. Ten of the 11 starters are lettermen and four started a year ago. Two of the returned starters are backfield men Paul Yackey and Friday Livingston. The returning linemen are Socrates Space, a guard, and Ron Cassella, another guard. Three underclassmen will be in the lineup, Carl Barlock, a sophomore, at center; Dick Lauber, a junior, at tackle; and Livingston, Junior.

For Ross the only starter from a year ago is Bob Beck at fullback. Bob Beeker, an end; Tommy Lee, converted from center to quarterback; and Bill Johnson, a tackle, are the other returning lettermen.

The rest will be new faces and it is on the unknown quality of these players in actual game conditions that the balance of the team hangs.

Beck Did Well

Last night Coach Binkley put his boys through their final work-out under the lights at Harmon field. The club worked on kicking and passing. In both points Bob Beck was the key man. If Beck can perform the way he did last night Ross should convert any extra points that it attempts. In the passing Beck again was the chief thrower with Dick Sherman also a few.

The club left for Dover at eight this morning. They were to stop at Wooster for lunch and then continue on into Dover arriving early in the afternoon. The team will stay overnight at New Philadelphia following the game.

Ross' starting lineup was subject to change according to who kicked off and who received. If Ross kicked off Dean Kellogg would start at right guard and Dick Sherman at right halfback. If the Little Giants received, Marlin Farver will hold down the guard position and George Batie would take over the right half spot.

In the weight department Dover will boast a line averaging about 157 and a line going about 168. Ross will field a backfield averaging around 166 while the line will go around 178 which gives the locals a definite edge in the heft department.

Since no one should make Glover or Batie look bad on speed the Ross backs should more than hold their own there but in the line Dover will have the speed advantage.

The Dover bunch will be a nice crew to hurdle but one capable of being tripped up by.

Little Giants Surprise With Easy Win In Inaugural Effort

Ross high's Little Giants, as green as grass as varsity football teams go, but as willing as the day is long to battle for every inch of ground on a gridiron, pulled a mild surprise Friday night at Dover, Ohio, by defeating the Tornado by a 33-7 score.

The final result, however, compares favorably with last year's 33-13 advantage for the crack Ross team of that season. The two teams, though amazeballs last night at the start of the season, which the Little Giants can't be blamed for, had been up the middle. The romping ability of the Ross attack is proven by the yardage gained from rushing — 143 total — a hook is proven by the yardage gained from passing — 100 total. The scoring was as follows: a scoring toss by Bob Beck to Dick Sherman to the goal line. However, the rushing gain was 100, but you take 27 yards from that for losses caused by Ross' own players. The reason is that they were stopped before they were started.

Yards gained were estimated at 4,000, but most of the cash carries were present were Doverites, not Ross men. Piemonters wishing to make the better than 100-mile journey to the Tuscarawas county capital were few in number.

Many localities stayed away, too, fearing that the Fremont team, which graduated after a splendid 1947 season, would not come close to winning.

But the idea of losing apparently didn't occur to the Little Giant team.

One touchdown came in the first period, and two more in the second, and the more in the fourth. Dick Sherman and George Balle scoring two each, and George Balle getting one extra point, three of them were scored by Charlie Glover, Bob Beck, and Dick Sherman. The game was won with only three seconds left.

Paul Yackey, Dover's captain, was the first to get into the end zone, followed by Dick Sherman, and then by the Ross team, which carried the ball to the seven when punting, race which Scarborough Sherman swam around left end on at Tiffin last year. The races took place at the 10 and 15 yards.

The next score came after a 78-yard drive. Dover received, and officials have opposed the races because of the time lost, and the 12th man, a punt that went out the 12.

Then started the drive, big noise in the march down the field being.

With the ball on the 21 and fourth down, Beck faded back and was stopped by Sherman, who had the ball in Sherman's hands on the goal line.

Several penalties interrupted this drive, even though it was part of a lineman getting the Ross end in the grease. But the stops were few.

A Dover attack after the kickoff bogged down, a first down by Yackey, a punt, and a 21-yard drive to Ross 35, but there the advance stopped. So the Little Giants were off to the races, and were off with George Balle moving around the vulnerable Dover left end for 12 yards. Glover ran end for the extra point.

Dover had the ball much of the time, but the Ross team was as good as the team could penetrate. More offside penalties bailed out Dover, and the Ross team was going once for 32 yards to the Dover 20 only to be called back.

Then came the 78-yard drive, Yackey putting out of bounds on the Ross 50. Then Balle took over again, and the Ross team was off end, then was sent around left end with a wall of blockers out front, and the Ross team was off to the sideline, reversed his field and scampered 63 yards to pay dirt. Beck was off the line for the points and it was 26.

Nord Goes Over

Bob Beck, pass interception, set up the first Ross touchdown, taking the Dover aerial on the 43. Two first downs carried the puskin to the 16. Bill Beck, end, was off end for three, then threaded a needle down the north sideline for the second score. Beck kept his right tackle for the final point.

Dover's score came a few moments later.

Play of many of the Ross boys was outstanding, considering the fact it was the first varsity game for many of them. The Ross team, the only boy starting last night's game who was in when the game started, was the Ross team. The Ross team had a tower last night in every department. Offensive blocking of Bill Beck, and the Ross defense was outstanding, and defensive work of many of the boys was excellent. The Ross team is still a team to the Ross team. There is still much work to be done before Ross can really be considered a winner, but from willingness shown last night there are vast possibilities for the Ross team to be a good year despite a rugged schedule next Friday.

Ashland, coming here next Friday, will be off Ross home to drop a 7-6 decision last night to Willard.

N-M Carriers To Be Guests At Car Races

The News-Messenger carrier boys will be guests of the Tri-State Racing association's automobile races Sunday at the fairgrounds.

A number of the top drivers throughout the midwest including the top drivers from the Ohio, Indiana, and Michigan areas will be in the races.

The carrier boys will be the change carriers to the seven when pushpin race which Scarborough Sherman, swam around left end on at Tiffin last year. The races took place at the 10 and 15 yards.

The next score came after a 78-yard drive. Dover received, and officials have opposed the races because of the time lost, and the 12th man, a punt that went out the 12.

LITTLE GIANTS FAVORED OVER VISITING TEAM

Binkley's Squad Seeks Win No. 2 Of Infant Season

An overflow crowd of over 5,000 Fremonters is expected to greet Ross high's 1948 gridiron team tonight in their home debut against Ashland high at Harmon field at 8.

The Little Giants will be out to make the Taylor Tots dead duck No. 2 on their schedule. And after whipping Dover by a 33 to 7 score last week while Ashland was being tripped 7 to 6 by Willard, the locals will have to be made a definite favorite in the game.

On paper the two teams are pretty much in the same boat in both weight and experience, or rather lack of experience. The visitors will have just two lettermen from last year's squad in the game tonight. One is Dick Scott, an end, who might cause some trouble for Ross' powerful attack around the ends. The other vet is Raymond Bates who has been converted into a fullback from a end position that he held down a year ago.

For Coach Les Binkley's squad, it will be the same lineup, with one possible exception, as took to the field last Friday away from home in Dover. Dan Miller, 190 pound Junior tackle, is slated to get the starting nod over Phil Keller. The latter was a little too over-anxious last week and in a close game the penalties called because of his being offside would hurt.

Boys In Shape

Some of the boys picked up an assortment of bruises last week and one or two others complained of slight colds. But otherwise the team was in tip top shape.

That is considerably more than can be said of Ashland. The opposition tonight has lost four players through injuries, two through broken legs, another by a broken ankle and another with a broken collarbone.

The lad who will be missed the most for the Ashland squad is Howard Fackler who is out with the ankle injury. The latter was the speed merchant in the backfield for the team and was counted on to be the sparkplug on offense.

Ashland, incidentally, is a club that runs from the T formation strictly, while Coach Les Binkley at Ross, of course, relies on the single wing for a power laden ground attack.

The most unusual part of the Ashland offense is a boy named Art Griffith who is reported to be an exceptional place kicking artist. However in the Willard game he failed on three attempts although one was from as far out as the 40 yard line.

The big part about the Ross team in its game last week was the fact that it didn't fumble the ball. That was something which in early practices appeared to be an unfailing weakness on the squad.

Ground Attack Strong

Ross ran up the amazing yardage of 433 yards on the ground. When you can eat up that much territory without fumbling the ball then you are bound to hit pay dirt often. The club attempted only two passes completing one. You can expect the Ashland line to be playing its secondary very close tonight.

Ashland will be out to bounce back from its initial defeat. Inexperience reportedly cost them their first game. The big question tonight will be whether Ross can overcome its own greenness to the surprising degree that it did a week ago.

While Ross battles Ashland, the other Buckeye league schools also will be getting in their last game preparatory to league competition. Bowling Green will play host to Whitmer, Fostoria greets Marion and Findlay journeys to Lima and South.

LITTLE GIANTS HAVE TO HALT SPEEDY RIVAL

Capacity Crowd Is Expected To Take In Battle

All roads lead to Harmon field tonight as an expected capacity crowd will sit or jam its way in to view Ross high's initial defense of the Buckeye league football crown.

The foe, Fostoria high, poses as the most serious challenger in the league for the championship. On paper and off their season's record to date, they are rated superior to the remainder of the Buckeye schools which Ross will face.

For the Little Giants it will be their first big test of the year. After disposing of two inferior opponents with little or no trouble, the locals go up against a team that is rated as a very potent aggregation.

The task tonight will be to manhandle Carlos Jackson, the lightning fast halfback, who has run and passed Fostoria to two victories this year. And who a year ago ran wild against most every opponent save Ross high.

Besides Jackson, Fostoria boasts strong ends in Al Cotter and Ray Pastorius, but Pastorius is said to be in poor physical condition and the rest of the Fostoria line is just as inexperienced as is Ross high's.

For the locals there will probably be some changes in the starting line-up. Dan (Humphrey) Keeling will be in to start at a guard post instead of Dick White. The latter has had a severe cold and is not expected to see much action, if any.

Drills Toughies

Through the week Ross has been put through a series of almost savage intersquad drills in preparation for the game. It has been pointed out that a week ago when rain cut into the practice sessions, the team was not nearly as effective against its rival Ashland as it was in the opening game against Dover. This week, the only fear could be that the team might go stale from overwork.

All reserved seats for the game have been sold and Fostoria's allotment of 800 tickets were almost sold. All that remained were a good number of general admission seats and with good weather, a huge crowd could be expected.

Fostoria, or rather Jackson, presents a challenge to the Ross gridironers. A year ago with Sam Sims, now at Ohio State, the big gun, Jackson was stopped cold and spent most of his time going backwards. Last week when Fostoria upset Marion Harding, 26 to 6, Jackson ran for three touchdowns and passed to another. It is Ross' problem to stop such a performance this week.

On the other hand Fostoria will be bucking one of the strongest attacks in the area which features a heavy, yet inexperienced, line and a pair of the fastest halfbacks in the state.

Ross will average over a 10 pound weight advantage per man over Fostoria. Fostoria's line goes at about 172 while Ross high's nears the 186 mark. In the starting backfield, Fostoria goes at about 155 while Ross goes around 165.

Defenses Different

Through the week Coach Binkley has used several of the Fostoria plays in practice and also shown that he will employ different defenses to stop Fostoria. Other than the normal six man line with the three backers playing close used by Ross, the club also has been practicing with a diamond type defense.

It's a big game. Ross knows it, the fans know it, and no one is taking chances on not being prepared for it.

LEAGUE LEAD IS AT STAKE IN BIG GAME

Little Giants To Have Big Weight Edge On Trojans

The Buckeye league which consists of four football teams and one other entry that goes along strictly for the ride should have an undisputed leader late tonight.

The battle for first place centers about Ross high's Little Giants who journey to Findlay tonight to meet the Findlay Trojans. Both teams are unbeaten in league competition. The only other school that is unbeaten is weak sister Tiffin Columbian. The reason for that is that the Tiffin school hasn't played a loop game as yet. Tonight Bowling Green visits Tiffin to inflict loss No. 1.

Both Ross and Findlay opened with victories last Friday night. The Little Giants gained an impressive win over Fostoria, 19 to 0. The Trojans eked out a not too impressive triumph over Bowling Green, 7 to 0.

Kellogg Lost

Even without Dean (Humphrey) Kellogg, Ross will retain a considerable advantage over its hosts. With Kellogg out and Dick White in his place, that knocks about 100 pounds of extra beef out of the lineup and sends the line average plummeting from 186 to 173 pounds. Findlay averages around 160 pounds which is even lighter than Fostoria was. The biggest man on their starting line goes about 185. Reports on Findlay say that the club goes in for a considerable bit of razzle dazzle. It does boast of speed in the backfield with four or five backs who can reportedly carry the mail but quickly. The Trojans have in past games done a good bit of lateralizing, and used wide sweeps.

In Captain Bob File the team is also supposed to have the best passer that Ross has yet encountered. However the Findlay line has not been said to look strong. The tackles are said to be weak and that is supposed to be the strong point on any line. The guards are very light, both men going around 145 but supposedly quite fast.

During the practices this week Kellogg wasn't the only boy to be banged up. Both Phil Keller and Marlin Farver were kicked in the head during scrimmages but both are reported in good shape.

Surprises Due

One thing that may be promise for tonight is that Coach Les Binkley may spring a few surprises offensively himself. During the week Coach Binkley had his boys working on a number of plays that have not been seen in games to date.

With the exception that White will be in most all of the game for Kellogg tonight instead of alternating with him as was the case in the past, the Ross lineup will be the same as in the early games.

Before trimming Bowling Green, Findlay lost a tough 18 to 12 game to Lima South and whipped Dayton Dunbar 14 to 6. While Bowling Green visits Tiffin Columbian in the other Buckeye league game, Fostoria tests Port Clinton in an independent contest.

The Ross players were to leave for Findlay at about five after eating here. They were to return immediately after the game.

Rossmen Add Fourth Victory Of Season In Wild Contest

Ross high's Little Giants were still unbeaten today but only after one of the most fantastic and bitter football games in the history of the school. Ross scored its fourth straight victory at Donnell stadium 29 to 1 over Findlay last night. However the score in no way indicated the closeness of the contest.

The game was fantastic in that Bob Beck was ejected from the contest for unnecessary roughness—in simpler words fighting—when the official吹哨子叫他走开。The banning was possibly the only one to note him since any alleged hits were.

It was fantastic in that Ross lost the ball after being allowed apparently only three downs while deep in their own territory in the third quarter.

It was fantastic in that the outweighed Findlay team outmanned Ross with a brand of razzle dazzle football that refused to be subdued despite the Rossers' efforts.

It was fantastic in that Findlay almost reached pay dirt on one play where what appeared to most everyone to be a very definite forward pass was actually a fumble and allowed to pass.

It was fantastic too that this little fighting Findlay team almost came from behind a 15 to 0 deficit to upset Ross.

It was all such a state until Johnny Beck, Ross' star halfback, found a hole in the Findlay defense and raced 60 yards to score the final touchdown and save the day.

Three Stand Out

Defeat might have easily come to Ross last night but for wise play by Beck's two more boys. Ross, too, had great heights. They were two who didn't shape up much in press conferences. One was Gene Sherman, man who after replacing Beck, scored two touchdowns, played him in on downs, and had that one Findlay march with a pass interception. The other was Gene Koehler, who, despite being tackled two out of every three tackles, backed up the Ross line.

It was a remarkable night that Findlay didn't baffle Ross with its wide open pass offense. The figures were their own record. They gained 149 yards rushing and another 131 yards passing. The Rossers on the other hand put up 180 yards on the ground and had 14 through the air. Findlay also made 12 first downs to eight for Ross.

The game even started on an odd note as Ross received for the first time in nearly a year. Beck was all alone. He passed overhand and underhand and started runs that ended in pictures to a man going like a madman. All this time the Ross team invariably chased the man with the ball, disregarding most of the Findlay flukes to go wide and eventually grab it lateral.

Nowhere Findlay nor Ross could go anywhere on the next exchange of punts. Ross was stopped to a great distance by a double penalty called at vital times.

But on the exchange of punts Ross got the better of it. For Beck got a quick start that carried him all the way to the Findlay 15, the key play to setting up the first score.

Findlay was pushed back to its four-yard line and punted out to its own 20. However, after a long over tackle to the 21-yard mark, it was also there that Beck was ejected.

Bob Beck had given the ball off on a handoff and Guard Fred Wilch drove in. Beck, however, was in the concession of opinion was that Wilch was apparently jabsing Beck but that Wilch, in turn, had only seen two players on the ground, and immediately batted both Beck and Wilch over.

Beck, however, could not halt the Ross drive. Bate moved to the 18 and Sherman to the 11. On the 11, Fred Wilch, Guard, took a tackle for the remaining distance and a TD. Becker tried to make a hook but was stopped at the 14 but could not quite hold onto the ball for the extra point.

Findlay could go nowhere after recovering the ball. They tried to kick it all the way but were blocked by Ross' Sims and Ross took possession on the Findlay 37. Sherman, Bob Grover and the others tried to bring the ball to the two-yard line from where Sherman went over. Grover ran over for the extra point.

That was the last time until the final moments that Ross wasn't on the way to winning the game. Findlay drove all the way to the two-yard line before time ran out at the 11.

Coming back in the third quarter Findlay scored its lone touch down. Beck still took a quick kickoff for the second half and returned the ball all the way from his own five to the Ross 38-yard line. Beck, Charlie Wilch, however, playing the safety position, brought him down that stopped a touch.

Findlay moved all the way to the 16-yard line and with fourth down and one, Findlay's Phil Phillips who went over for the score. A Ross player had a clear shot at Wilch but Beck, Charlie Wilch, and Beck, who had stopped a touch.

Ross drove all the way to the Findlay 10 and followed the touchdown but a terrible start to the march. Findlay moved to the 49 but then punted to Ross on its 25. Beck, Charlie Wilch, and Beck, the game was almost given away to Findlay. The Little Giants ran twice and then Beck, Charlie Wilch, and Beck, the second a 15-yard penalty was called. This would normally nullify the play but Beck, Charlie Wilch, and Beck, then threw Beck, Charlie Wilch, and Beck, on a pass. Three or four more yards were needed for a first down and Ross, believing it was third down tried a run and was stopped. But the official吹哨子叫他走开. Beck, Charlie Wilch, and Beck, gave the ball to Findlay. The official explained that the ball had been downed and the penalty was called and so the second running play was not nullified.

Game Notes

Nowhere Findlay nor Ross could go anywhere on the next exchange of punts. Ross was stopped to a great distance by a double penalty called at vital times.

Beck, Charlie Wilch, and Beck, gave the ball to Findlay. The official explained that the ball had been downed and the penalty was called and so the second running play was not nullified.

Johnny Ansbach was a surprise starter for Martin Farver at guard. He had been a star at the University of Michigan the year before and he and Farver alternated through most of the contest.

Ansbach, however, came out with a dislocated shoulder, watched the game from the press box which was in the stadium, and around the local radio broadcast. Others had to call their plays with their view obstructed by a rather large shoulder.

Officials who were under fire all night made things worse by giving out.

State highway patrol was busy nailing speeding vehicles leaving after the game.

ROSSMEN SEEK FIFTH VICTORY IN SUCCESSION

Local Team Again Holds Big Weight Margin Over Rival

The biggest game of this year or any other year as far as Fremont and Sandusky football fans are concerned comes off tonight at eight when the Little Giants of Ross invade Strobel field to meet the Sandusky Blue Streaks.

Ross with the much superior record and a much heavier team should rate a definite favorite over the Sandusky team. But the word from the latter town is that the fans and players there are all up in the air over the contest and just laying for the Ross gridders.

The lineup for the Rossmen should be about the same as it was last week when the team gained its fourth straight triumph of the year over Findlay high's Trojans at Findlay. Coach Les Binkley wasn't sure whether Phil Keller or Dan Miller would start at one tackle position but it looked as though Johnny Anspach would be in the starting lineup for the second straight week at guard post.

Kellogg Out

Dean Kellogg, the 250-pound guard who was sidelined over a week ago with a dislocated shoulder, will be in uniform but probably won't see any action. Kellogg could play if necessary on defense but it was considered likely that he would sit it out for another week.

Otherwise the team was in good shape, including end Bob Becker who suffered a bad cut over his lower lip against Findlay but which has healed pretty well.

As far as the record goes, Ross looks to have much the better of it. The Little Giants in successive games have trimmed Dover, Ashland, Fostoria and Findlay. Sandusky on the other hand was trimmed by Akron West, Elyria and Mansfield before meeting and whipping Ashland. However, Ross scouts who have been watching the Blue Streaks, report that the club came to life in the second half of the Mansfield game and looked very good there as well as against Ashland.

Good Spirit

One notion has definitely been brought back here by people up to Sandusky. That is the fact that the team has more spirit than it has had in a number of years and that the dissension which was reportedly evident the last couple of years is definitely gone.

However, as far as weight goes, Ross again has the big advantage over its opponent. The Sandusky line only averages around 166 pounds and the backfield goes at 148 pounds.

Ross, on the other side of the picture, will average around 173 on the line even without the services of Kellogg while the backfield goes at about 164.

Ron Lauber, the one returning etteman in the backfield for Sandusky, is only 150 pounds, but reportedly had a great deal of drive. The team is said to have a considerable bit of speed in its backfield with a boy named Elwood Clemens, the speed merchant.

The club has had little success with its passing so far but scouting reports have hinted that is because they have gone up against strong pass defenses.

Plenty of tickets were reported still available for the game and there are no reserved seats sold at Strobel field, Sandusky.

Bob Beck Sparks Gridders To Conquest Of Traditional Foe

Ross high's Little Giants led by Bonmin' Bobby Beck powered their way to their fifth straight victory of the season 29 to 7 over a light Sandusky team last night before some 7,000 spectators at St. John's Field.

Ross tallied in the first, third and fourth quarters while the Blue Streaks reached pay dirt for their one score late in the fourth period. For possibly the first time all season, one man stood out above the rest and that man was the senior fullback, who was found unstoppable by the Sandusky club.

The Little Giants drove for the initial touchdown the very first time they received the ball. Beck took a kick from the 45 yard line 15 to 38 in a zig-zag pattern from the 43-yard line, set the ball back on the 27. In three tries Beck powered his way back up to the 43-yard mark. Charley Glover moved to the 49 and Dick Sherman took over. It was Glover racing to Blue Streaks' 31-yard line. Glover moved to the 29 and then Beck in two more attempts ploughed to the 19 and scored his first touch.

There Beck took over again. He banged through the two and then took a handoff from Sherman to add to his work he romped through for the extra point.

The two clubs then battled on for the next period, running through the second quarter. A 45 yard holding penalty put the Sandusky defense in a bind. But then with their backs to the wall George Kreimes broke over the 42 and ran 10 yards and ran all the way to the Ross 44 yard line before being bounded out of bounds.

Sandusky couldn't go anywhere from there and the teams then went through an exchange of punts until the Blue Streaks finally took over on the Ross 48. Elwood Clemens sidestepped his way to the 38, and Kreimes ripped to the 30. Beck then took the ball to the 10, but a 15 yard penalty nullified the run and put the ball back on the 25.

Pass Backfires

The Blue Streaks finally had to punt and Ross took over on the 20. The club moved up to the 34, but then Ross tried its first pass and it backfired badly. Beck's toss was picked off by George Kreimes, who raced from the 50 yard line 15 to the 17 yard line 9 yards.

The Ross forward wall then proceeded to stop Sandusky cold. On fourth down McGory sent a pass to Beck. The ball was down in the Ross defense, and also wound up out of the end zone when he tried to catch the ball but dropped it.

It was the end of the half a few plays later and Ross clung to a lead 7 to 0.

Ross kicked off to Sandusky to start the second half. Again the Blue Streaks were unable to move and punted to Ross. Taking the ball on the 39, the Little Giants went the distance for a score. Glover on the first play from the 30, then the Sandusky 42. Beck went back to work and in three attempts was unable to move the ball and Sandusky 21. Glover moved to the 14.

Beck then lunged the pigskin to the six yard line, to the three yard marker, and finally went over for the second score. He made it 14 to 0.

Later in the third quarter Ross again had a punt but Sandusky was unable to move. Charley Glover on a beautiful run sprinted 49 yards into the end zone but his left leg slipped against Beck, ruled out the score.

Ross capitalized on a break in the play and scored the final tally.

Beck quick kicked, and the ball bounced off a Sandusky player and alert Dick Sherman recovered it at the 40. Glover romped to the 36 and then it was Beck in two tries placing the ball on the 20.

In a moment Ross had six more points as Glover, like a bolt of lightning dashed out and cut to the left and sprinted 23 yards to score. Sherman tried to kick the extra point, but the attempt was low.

With just five minutes left in the contest the Sandusky score was set up and Ross finished in time on the 32 yard line. The Blue Streaks could move only to the 30 on three plays. But on fourth down Dan Johnson sent a pass. The ball was batted up in the air by a Ross defenseman and came down on the 20. Beck then took the ball and Sandusky who romped the remaining 20 yards for the score. Kreimes pointed to the point.

Handicapped Opportunity

The Sanduskyans were handed another scoring opportunity with one minute left in the game. The Ross backfield just let the pigskin roll around until Sandusky fell on the free ball and took possession on the 30. Beck then ran out as the Sanduskyans could move only to the 20 yard line.

It was a brilliant game offense. Beck also was a tower of strength backing up the line. Big Bill Johnson who received a couple of passes from the nose, which caused him to bleed profusely for a spell was the big man on the line. Ross Sims also playing a standout game.

Game Notes

Ross players came out of what turned out to be a very rough game in the final half in pretty good shape. Besides Bill Johnson's banged up nose, Charley Glover had a sprained knee and Dick Sherman had a sprained ankle. Neither case was described as serious and both managed to have the Sandusky secondary when he was down on those two long runs. It was hard to indicate he was in fine fettle.

The quick kick on the part of Ross still leaves a very valuable weapon. Bill Beck got off two more last night, one going 45 yards and the other 39. . . . Although the Ross defense was unable to stop the Sandusky secondary when he was down on those two long runs, it was hard to indicate he was in fine fettle.

LITTLE GIANTS RATED AS TOO TOUGH FOR FOE

Former Athletes To Celebrate At Homecoming Game

Ross high's Little Giants encounter the closest thing to an open date on their schedule tonight, an engagement with Tiffin Columbian high school at Harmon field at 8.

Both teams boast of streaks. Ross has yet to lose a game in five outings while Columbian has yet to win a game in four attempts. And Columbian hasn't come nearly as close to winning as Ross has to losing. Elyria, Marion, Bowling Green and Fostoria all have walloped Columbian.

The regular Ross starting line-up will list two doubtful starters. One is back Dick Sherman who came down with an attack of the flu in the middle of the week. The other is End Bob Becker who reopened a cut on his lower lip which he incurred in the game with Findlay. Becker suffered the recurrence of the old injury in a practice session Wednesday afternoon. However it is thought that he will be able to start. Sherman was also back in school at the end of the week.

Two Doubtful

If Sherman is not set to go at the opening gun, George Battie will get the nod. If Becker is out, Dick Pratt will get the starting assignment.

Another boy not slated to see much action if any is big Dean Kellogg who suffered a shoulder dislocation a couple of weeks ago. He is ready to play again, but Coach Les Binkley will give him a little more rest if he is not needed. Kellogg could have been used against Sandusky a week ago provided it had been necessary.

As far as the Columbian team goes, it is reported to have a couple of pretty good backfield men and that is as far as it goes. Every crew it has played has walloped the daylights out of it.

Some 35 boys will be in uniform and it is possible that some of the boys who will be coming up to the varsity from the reserves next year such as Jerome Surratt and John Lewis will get in to see some action.

Party Scheduled

Other than the game itself, the big thing is that it is Homecoming tonight and all the old lettermen will be getting together. One party is scheduled for the Saratoga Club tonight for all the lettermen up to the year 1920. All the lettermen will meet at Stamm school before the game and march into the stadium in a body. Then after the game refreshments will be served for all the lettermen at Stamm school.

Probable lineups:

Ross	Columbian
Becker	L.E.
Johnson	L.T.
White	L.G.
Geib	C.
Ansbach	R.G.
Keller	R.T.
Sims	P.E.

Varsity Sees Limited Action As Little Giants Win Sixth

Ross high gridders chalked up victory No. 6 last night at Harmon field over a hapless Tiffin Columbian team, 34 to 0, and the score could just as easily have been 80 to 0.

The varsity won in the same manner as the quarter, adding together the first and third period times the first strike was scored.

Two touchdowns crossed the goal in the first period, two more in the third and one in the fourth. At the start of the last period, Coach Binkley waved every varsity lad into the dressing room and when the game ended only the boys who were on the field remained outside the shower room.

As Coach Bill Krauss of Columbian put it: "We had no more license on the football field against Ross high than we would have against the Chicago Bears."

And he means it. His lads, fighting until the last gun sounded, took a physical beating. The Little Giants blocking and tackling for keeps.

Back Injured

One Columbian lad, hard-working Jerry Van Camp, the quarterback, was to be taken to Mercy Hospital at Tiffin for an X-ray to determine whether his left shoulder is broken.

Only Little Giant banged up at all was Marlin Farver, sophomore guard, who has a hip bruise.

Ross scored the first time it had the ball, Bob Beck crashing over for three yards. Ross had a break. But to his leather back to Tiffin, 49, and in 10 plays had a TD. To provide an innovation Dick Sherman place-kicked the extra point, Bill Titsworth holding the ball. It was the first placement point scored all year by the Little Giants. Sherman repeated in the next two touchdowns, missing only the fifth one.

Second score came the next time the Ross lads had the ball. Sherman taking Chuck Warren's punt from his 20 to the 38. Beck picked up six and Charlie Glover broke around right end for 37 yards to the 13. Sherman sprinted around left end for the touchdown.

That was all the scoring until the third period, a fumble halting a second team drive.

In the third session, Hosea Sims booted a low kickoff, Van Camp fumbled it on the 25 and the same Sims fell on it. On the first play, Ross tried another signal for the first time this year, taking a short spot pass across the line of scrimmage to Sherman, who ran 10 yards then lateraled to Glover who went the rest of the way. The play was good for the full 25.

A partially blocked Tiffin kick set up the next TD. Columbian received, but couldn't gain from the 10. Carl Harger's short kick got to the 21. Ross was penalized 15 for holding, picked up 10 on two plays, then Beck fired an aerial to Sherman, then Harger, Tiffin center, touched the ball, but Sherman grabbed it on the 15 and ran across.

Nord Moves

The final score was one of the prettiest of the evening. Ross had the ball in play on its own 33, moved to the 19 on two plays with Bud Nord scooting 33 yards only to have the ball called back for a holding violation. The youngsters were not to be stopped, though.

Nord, with help from Dick Warren, alternating to move it to the 29 on first down where Nord broke around left end, stiff armed two tacklers and outran a couple of more for the score.

Ross fans got to look at many boys who have not performed this year. Many of them are possible ties, making things look pretty good for the next few years.

Among the new performers were Bob Markley, who spelled Beck at full; Jerome Surratt, a diminutive speed boy who was so excited in his first game his true speed was not shown; Dick Winnes, who also hit hard at the fullback spot; husky Jim Allen at center, and several others.

Lineups:

Ross	Tiffin
Becker..... LE..... Martin

Columbian..... 0 0 0 0-0	

Scoring: touchdowns, Sherman 2, Beck, Glover, Nord; points after touchdown, Sherman 4, place-kicks.

Substitutions—Ross: Batie, Titsworth, Farver, Pratt, Gallatin.

Ross Notes

An appeal to support the recreation bond issue at the November 2 election was voiced by Don Hirschberger on the P. A. system.

Congratulations! Ross and Tiffin bands faced the American flag last night while playing "The Star-Spangled Banner" . . . and Joe Terp finally has the flag pole where everyone (even newspapermen) can see it . . . thanks.

Both bands went patriotic in their themes, the U. N. day, Sunday, being responsible. . . . Ross band carried out its national election theme again this week (it was first at Sandusky) and added a few features, including the Russian veto and the American vote. . . . Boy baton twirler is Tom Chestnutwood, while the three lassies are Ruth Ann Carnicom, Kathy Durdel and Loretta Fritz . . . and they're good.

Week after week the value of young Dick Sherman to the Ross team continues to mount. He's probably the most alert lad on the squad, his running has been a surprise, and now he's added place-kicking to his repertoire. . . . That forward-lateral, Beck to Sherman to Glover, was one of the most thrilling plays of the year.

The P. A. system announced a Clyde alumni-Fremont Marine game at Clyde Community park November 14 at 2:30 p.m.

Crowd last night was smaller than usual, lack of build-up because of Tiffin's weak record, and the fact that St. Joe's was playing.

Tiffin Calvert cut into the cash customers, of whom there must have been around 2,700 to 3,000.

The alumni letter winners received a nice hand as they marched their places in front of the stands. . . . They had a little shindig at Stamm school and elsewhere after the game.

LITTLE GIANTS FAVORED OVER B. G. GRIDDERS

Bobcats Present Big, Fast Rival For Local Squad

Ross high's Little Giants go after victory No. 7 and the Buckeye League football crown tonight when they tackle the Bobcats at Bowling Green at 8.

Despite the fact that there is little comparison between the two records of the school, Bowling Green people are almost cocky about the outcome of the game. Bowling Green has walloped three extremely weak football teams in past weeks and the prestige of the Bobcats has soared at least in Bowling Green.

Bowling Green observers even go as far as to point out that B. G. whipped Tiffin Columbian worse than Ross did. Apparently no one told them Ross could have doubled its score with little difficulty if the varsity had been left in.

Actually Bowling Green and Ross have played two common rivals so far, hapless Columbian and Findlay. Bowling Green whipped Columbian 46 to 0 while Ross turned the trick 34 to 0. Bowling Green lost to Findlay 7 to 0 while Ross bumped the Trojans 20 to 7.

Bobcats In Shape

If Bowling Green was to have any edge on Ross, it would be in the injury department. The Bowling Green team is in tip top shape. Ross on the other hand has had three boys missing from practice at least one day this week in Marvin Farver, Bob Beck and Dick Sherman. Farver is not expected to see any action. However, Beck and Sherman who have had touches of the flu are expected to be ready to go. Also back in the line-up for Ross will be Dean Kellogg at guard.

Bowling Green is described as big and fast. The line is supposed to be as big as Ross high's. The club lists six lettermen back and the offense is built around Roger McKenzie, a fullback shifted to left half.

The Bobcat line will average around 175 but jumps considerably when Bowling Green's version of Dean Kellogg goes into the game at a guard post weighing 230 pounds.

Coach Forest Creason allegedly has been working on new defensive tactics to halt the powerful Ross running attack, something different than what Ross has run into so far this season.

The Ross starting lineup should be just about the same as last week. One possible change might see Dan Miller shifting over from alternating with Phil Keller at tackle and taking over at a guard post. A lot depends on what type of game Bowling Green uses. If it passes, it will probably be White and Anspach at the guards. If it runs, it may well be Kellogg and Miller seeing a good bit of action at the guards.

ROSS WHIPS

Beck Scores Twice As Little Giants Stop Bobcats 13 To 7

ROSS high's Little Giants were the undisputed champions of the Buckeye League for the second straight year today. And they were the victors again after they had stopped the Bobcats 13 to 7 on the Ross field before a jam-packed crowd of over 5,000 spectators.

But Ross, the unheralded crew who have learned as they went along, had something else today. The Ross gridiron knew they could win the hard way, and could win the easy way. They could win by whipping a good but definitely hopped-up tall team. The game had the works, and won it all over it. But Ross showed it had what good tall game must have.

Ability to come through in the fourth quarter when having a generally off night.

It was a tall game that had numerous key plays that spelled the difference between victory and defeat. There was that pass interception by Gene Gehl that halted a Bobcat attack that started off on the winning drive.

There was George Battle, the giant fullback who had shown in such promise at the start of the campaign but had slipped strangely into a series of bad plays off the bench in the third quarter to break the winning touchdown.

But most of all, what showed that the Little Giants might just be the ones for the year to come was the mark Ross took over and Beck fourth down the Ross forward wall bucket to the 26 yard line. Then slanted to the center of the field, the pigskin of the game that he not only failed to make to the necessary yardage, but also fumbled the ball away.

That was the payoff play. The game had started truly. Ross still just a team of others. Ross took the opening kickoff and drove down the field to the 20 and then Beck gave the Bobcats the specialty again getting off into the end zone with a 10 yard run to the 10 yard line.

The Little Giants after Tommy Lee returned the kickoff to the 40 yard line marched to the whole distance.

Beck Booms
It was Beck's show. Beck through the middle and Charles Glover off the tackles and around the ends. Beck literally ran the field until Beck finally rammed over from the one yard line. He then carried the ball around and plunging over. The only diversion from straight running play enough to drive the ball 20 yards past from Beck to Bob Beck.

There were just three minutes left in the first quarter after that score, and it was Beck that Ross was going to try to too powerful to his foes just as it had been all season. Bowling Green proved it wasn't so.

It was all Bowling Green through the first quarter, Beck driving to the 40 yard line, the Ross driving to the 30 yard line, Ross 28.

Then Quarterback Barney Firsden hit Dave White a well off the line 20 feet to the 10 with a pass but the end fundemented the ball and the yard line and Gene Gehl recovered it.

Ross could go nowhere on two downs but Beck had a specialty, a 33 yard quick kick that put Bowling Green back on the 40 yard line.

Then came the fun where Ross forced the ball to the 10 yard line, then the 5, then the 15, then the 20, then the 25, then the 30, then the 35, then the 40, then the 45, then the 48 yard line.

Immediately following, Firsden faked back and flipped a pass to Bob Johnson, who had gotten out of the Ross line and who hit daylight. He was in the clear and on the way to a touchdown when Dick Sherman belted him out of bounds with a strong tackle on the 45 yard line.

Ross held for one down on the one yard marker, but then Sam Adams, a tackle converted into a fullback, plunged over for a touchdown. The score was 13 to 0 and the extra point and on the way to a tall game.

The Little Giants came back as if they were going to go right back into the 40 yard line. Beck's kick to the 35 Beck connected on a 11 yard pass to Becker, and when he was down and carrying, the club went all the way to the B. G. 19 yard line before being stopped.

Bowling Green then went to work again. A pass from Beck to the 30, and out of a key formation put the ball on the Ross 40. Another pass from Beck to Ross McKenna, and the ball to the 19. Bowling Green moved to the 19 yard line but then time ran out in the 4th quarter.

H. G. Moves
Came the third quarter and the Bobcats started on the move again. The team took the ball and out of a key formation marched all the way to the Ross 31 yard line. The Ross forward wall tight, and the ball was stopped for a nine yard loss, but both teams were ruled offside and the play was ruled offside and the play was ruled offside.

When came one of those key plays. Battle went back and checked another pass. But this time Gene Gehl picked the pigskin out of the air at the 31 yard line and Ross was on its way.

Beck plunged up to the 32 yard line, and when he was down the game came George Battle and he immediately ripped 10 yards across the end zone to the 22. Battle moved next to the 44 and then burst around end again to the 32 yard line.

Beck on three tries drove to the 31, and Battle followed with the pigskin, gained a 26 yard scamper to the 5 yard line. Out there, Beck again plunged over for the touchdown. He tried to drive over for the extra point but was stopped.

The third quarter was over there. Bowling Green could go nowhere on the 5 yard line, and Beck again punted to Ross on the Little Giant 19 yard marker. Ross in the clear and on the way to the 15, and Beck got off a 37 yard boot. Bowling Green returned the punt to the Ross 26 yard line and Beck stopped Ross back to its 26 yard line.

Bowling Green took full advantage of the break and the ball again started to move. Sticking strictly to the ground, the Bobcats drove

Game Notes

Bob Beck proved he was a true triple threat performer last night. He was a running back, he scored both touchdowns. Passing, he completed two out of three, and he was a good placekicker.

He also was his usual stal-

wart self, backing up the line on de-

fenses.

Tommy Lee came up with what seemed to be a great idea in the third period, and had to be spelled briefly while Ross was on the field.

ROSS GRIDDERS SEEK REVENGE OVER PIONEERS

Opponent Was Last Team To Win Over Ross

The Little Giants of Ross high take to Harmon field tonight at 8 with a dual purpose in mind. The Rossmen will be out to hang up their eighth straight victory of the campaign and to gain revenge for the one defeat suffered over the last two seasons.

Elyria high presents the opposition. And the Pioneers are remembered as the one team to defeat Ross last season, the only defeat in the last 17 games. A year ago Elyria was claiming the state football title or at least fighting for the honor with Barberon.

This year the Pioneers bring to town a football team that has one but one game, tied one and lost five. The team scored its one victory over Sandusky, 25 to 0. It gained a 13 to 13 tie with Cleveland Heights, and lost to Shaker Heights, Lakewood, Youngstown South, Shaw and Toledo DeVilbiss. Where at this time last year, the team was in first place in the very rugged Lake Erie league, this year it occupies the basement.

Same Picture

Ross, of course, looks to be much the same as it was last year. The team is unbeaten and has won its league title. The one difference is that the scores have been much closer for the Ross team this season. A year ago Ross went to Elyria after trimming Bowling Green 45 to 0. This year it plays host to the Pioneers after just having eked out a 13 to 7 win over the B. G. squad.

The Elyria line will average about 172 pounds on offense which is just about even with the Ross line. On defense, the entry of a pair of 200 pound tackles into the game sends the line averaging to about 185, which is also about the same as the Ross line when Dean Kellogg is in on defense.

The Elyria backfield only goes at about 154 which is considerably lighter than the 165 sported by the Little Giant backfield.

The Pioneer offense is built primarily around Tony Cucillo, the 188-pound fullback who does the running, passing and kicking, and is co-captain of the team along with Tackle Jim Lear. The principal offensive threat of the Elyria team is the passing combination of Cucillo to End Andy Arvay, a 150-pounder who has plenty of speed.

Parents Honored

Parents' night will also be celebrated tonight. The parents will be seated together along the side of the field as were the lettermen in the game with Tiffin Columbian here. The fathers will wear cards with their son's numeral. The mothers will be given flowers. After the game they will all gather at the Ross high school cafeteria.

Curcillo Steals Show Scoring Two Touchdowns For Pioneers

The Pioneers of Elyria high rudely shattered any dreams of an unbeaten season for Ross high last night at Harmon Field by scoring a 13 to 7 victory over the Little Giants before an estimated 2,500 spectators.

No one told Tony Curcillo and company that it was a good night for ducks, period. For Elyria played through the driving rain that turned the field into a quagmire as though it was just a nice evening and an easy place to hold one's footing.

Curcillo, the Elyria fullback who took over the spotlight that shone a year ago on Jim Jardine, was the whole show. He ran, he passed, he kicked and did a beautiful job of breaking up the line. Then, on fourth time, it appeared as though Bob Beck was going to burst through the middle and go all the way only to have Curcillo make one last desperate attempt as Beck tried to pass. But Curcillo was there to pick-off the ball, and one play later time ran out.

The game started out in typical Ross fashion. The Little Giants kicked off and Elyria went nowhere. It's first time on offense Ross, on the other hand drove all the way from the Ross 27 to the Elyria 29 the first time it got its hands on the ball.

The initial Little Giant drive stalled on the 29 but near the end of the first quarter Ross again took possession of the pigskin on the Elyria 45 yard line and drove all the way for a touchdown.

Beck drove to the 24 and then all the way to the 17. Charley Glover sped to the eighth yard line, and then Beck burst through a tremendous hole for the score. Glover skinned his own right end for the extra point.

Curcillo Is Off

Ross kicked off to Elyria and the Pioneers drove to the 45 yard line. The quarter ended there and then Ross got its first taste of Curcillo's running.

On the very first play of the second quarter, Curcillo started wide around his own right end. It looked as though he was going to be hit but he was able to elude the potential tackler. He seemed boxed in as he neared the side-lines and was surrounded by a host of Ross players. But he stopped dead in his tracks, saw one small piece of daylight and cut back through the hole. He was gone into the secondary then and proceeded to run away from the whole Ross team to go 55 yards for the score.

Curcillo passed to End Andy Arway for the extra point to tie the score.

Ross drove all the way to the Elyria 37 yard line after recovering the kick-off but the Little Giants were hit by the Elyria 27 yard line. The quarter ended there and then Ross got a taste of Curcillo as a passer.

Curcillo first flipped a pass to Halfback Tom Ristas for a first down on the 50. Then he flipped to Halfback Phil Hahn all the way to the 27 yard line, and then to End Andy Arway to the 26 and then again to Arway to the seven yard line.

Curcillo bucked to the two yard line and then went over for the score. Ross defenders were never in a position to cover the Elyria receivers. Curcillo's passes would have been considered very fine on a dry night but with the weather what it was, the performance was just magnificent.

Elyria missed the extra point as Curcillo was stopped on a plunge. And that second Elyria touchdown was the end of the scoring for the evening, although both teams threatened during the second half.

Elyria again received the kick-off to start the second period and moved all the way to the Ross 30 yard line before losing the ball on a fumble.

Ross couldn't advance the ball and so pushed back to the 25 yard line when Beck tried to quick kick on third down and the pass from center was high and the Ross beck lost the handle on the ball. However Beck came back to get off a beautiful kick to the Elyria 44 to get Ross out of a potential hole.

Elyria advanced to the 48 and then Curcillo went back to pass but couldn't find a receiver. So he neatly wove his way through the Ross defense to go all the way to the Ross 34 but a 15 yard clipping penalty pushed Elyria back and it had to punt on the Ross 16.

Ross Makes Bid

Here late in the third quarter Ross made its bid. Beck boomed to the 26 and then to the 38. Glover lost back to the 35 but Beck went to the 48 and then Sherman went to the 49. Beck on three more tries drove the ball to the 38.

However the drive was stopped on the 34 just at the turn into the fourth quarter and that was the ball game. Elyria, in turn, moved all the way to the Ross 20 yard line but a fumble there again halted the Pioneers.

The teams fumbled the ball back

Game Notes

Don Hawk, sports writer for the Elyria Chronicle, thought that it was the best game that Elyria had played so far this year . . . It was only the second victory of the season, the other being over Sandusky. . . . A photographer for Elyria had his camera smashed when he wound up in the middle of a pileup of players out of bounds on the bleacher side of the field . . . Another boy who stood out for Elyria was Jim Lear, the veteran tackle who played a great game on defense.

This was the first in eight outings for Ross this season and only the second in the last 18 contests . . . Of course it was the second straight year that Elyria had knocked Ross from the unbeaten ranks, although the score was considerably closer than the 39 to 27 score administered at Elyria last year.

It was the first time all season that Ross had been held to just one touchdown, and when Elyria went ahead in the second quarter it was the first time that the team had been behind . . . The team, however, held onto its distinction of still scoring first in every game played so far.

Game Statistics

	Ross	Elyria
First Downs	8	6
Yds. Gained Rushing	212	147
Yds. Lost Rushing	26	17
Passes Attempted	6	6
Passes Completed	0	5
Passes Intercepted By	0	1
Fumbles	3	6
Fumbles Recovered By	5	4
Number Punts	2	3
Punt Average	33	29
Penalties	10	2
Yds. Lost Penalties	10	20

Perhaps an old-time race racing term would be best to describe the difference between the two teams . . . Elyria was definitely a superior "mudder" while Ross was a poor "mudder" . . . With the exception of Beck, and once or twice when George Battle was in the line for Ross, the local backs never could gain gain.

As far as statistics went, Ross again was the superior team on the ground, gaining 212 yards to 147 for Elyria . . . However while Ross could only score once on the ground while eating up all that yardage, Curcillo turned the trick just that on a spectacular 35 yard run . . . Biggest difference was in the pass statistics . . .

Both teams attempted six . . . Ross could not complete any and had one intercepted . . . Elyria completed five out of six and had none intercepted . . . It was those two passes that during the second period drove that meant the difference in the game.

Parents of members of the Ross football squad were guests at the athletic association at the school cafeteria after last night's mudfest. Arranged by Coach Les Binkley and a Faculty Manager John

CATS PRESENT HEAVY, YOUNG FOE FOR ROSS

Local Squad Out To Start Another Winning Streak

Over 8,000 football fans are expected to turn out at Evans stadium, Springfield, tonight when Ross high tangies with the Springfield Wildcats. The Little Giants from Ross will be attempting to start out on another winning streak and also try to regain some of the prestige lost by Northwest Ohio grid teams in previous battles with teams from other districts.

The Little Giants, who have won seven and lost one game this season, will be meeting in Springfield a team that has won only two out of eight games on its schedule. However there is all the difference in the world between the schedules of the two teams. Springfield plays one of the toughest schedules in the entire state and the same cannot be said of Ross. The game again shapes up as another battle to prove just how much difference there is in the caliber of play in the various districts in the state.

Teams Are Even

As far as size and experience goes the two teams stand about even. Springfield is big, perhaps even a little more so than the Ross team. For instance the Wildcat starting line goes at 182 pounds. The big man is Tackle Jack Grant at 228. The club also boasts of a pretty big pair of ends in Don DeJong and Al Sanders. DeJong is 6'3" in height and weighs 180. Sanders is an even six feet and weighs 182.

In the backfield the starting foursome will at 172 and the two boys who do most of the carrying, Fred Pearl and Clive Rush are the big boys. Pearl, the main cog on offense who is a good runner and passer, stands 6'2" and weighs in at 185. Rush, the fullback, stands 6'1" and weighs 181.

Springfield also shapes up as having just as many underclassmen in the lineup as does Ross. The backfield goes the same as Ross. The only senior is Rush the fullback. The others are all juniors. On the line five juniors and two seniors are listed. The latter two are the left guard, Thomas and the center, Downey.

Two Formations

The club runs from both the T formation and the single wing offense with Pearl and Rush the chief ground gainers. The game will be the first in history with Springfield and there is only a one year contract for the contest.

Closest comparison of records may be made through the fact that Toledo Libbey whacked Springfield 24 to 6 in the opening game of the year. Libbey is the only team out of the Northwest district to have played Springfield. Other than Libbey, Portsmouth, Middlebury, Mansfield, Hamilton, and Lima Central have trimmed the Wildcats. The team has scored victories over Piqua and Youngstown Campbell Memorial. Some comparison might be made out of the fact Mansfield just beat Springfield by one touch-

Ross

down and took Sandusky by two.

Little Giants Wage Scoreless Battle In Rain With Wildcats

How high's Little Giants and the Wildcats of Springfield, two normally high scoring football teams, battled to a 0 to 0 draw last night before an estimated 4,000 people. The Little Giants, who had been defeated by poor mudmen, found their attack sputtering on and off at crucial times and although leading statistically in every department could never punch over for a score. Springfield, who had been forced to play seriously to reach pay dirt. The Springfield line, led by Bill Johnson and Dean Kellogg along with some great backing up by Bob Beck and Ross, was just too much for the Wildcats.

It was the second straight week that the Little Giants failed to play on a muddy turf and through a downpour. There was one big difference, however, from the affair the week previous.

Springfield was just as handicapped as was Ross by the weather. With the lead, one who threw the ball with any proficiency which wasn't the case last week with Elmer DeJong, the ball of the big Springfield line was equal to the occasion of being the first team to hold Ross scoreless.

The game in no way started out as what shaped up to be a scoreless affair. The Little Giants field could go nowhere. The Wildcats punted and Dick Sherman, all mud, brought the ball all the way back from the 15 to the 35 yard line.

Then on the very first play Bob Beck burst through a huge hole in the line, got away from a pair of tacklers and was tackled in the second quarter. The ball was fumbled and went all the way to the Springfield 18 yard line before being brought down from behind. Beck, who had been tackled from the 25 and the ball was pushed back to the 40, was stopped there and the two teams waged a punting duel into the second quarter.

Early in the second quarter Beck went from his own 27 to the 41 but then an offside penalty sent the team back to the 36. A funny thing in the tenth attack of the 32 and then the team proceeded to get off a booming quick kick from the 36. Sherman, who had been cracked all the way up to the Springfield 35 and Clete Rush went to the 10.

Ross held there and Rush kicked with Sherman returning the ball to the 28 to the 35. A funny offside penalty nullified the play and passed the ball back to the 17. Dick Sherman, Springfield, cracked all the way up to the Springfield 35 and Clete Rush went to the 10.

Ross held there and Rush kicked with Sherman returning the ball to the 28 to the 35. A funny offside penalty nullified the play and passed the ball back to the 17. Dick Sherman, Springfield, cracked all the way up to the Springfield 35 and Clete Rush went to the 10.

Ross held there and Rush kicked with Sherman returning the ball to the 28 to the 35. A funny offside penalty nullified the play and passed the ball back to the 17. Dick Sherman, Springfield, cracked all the way up to the Springfield 35 and Clete Rush went to the 10.

Ross received the kick to start the second half and Tom Lee made a great catch from the 46 from the five to the 42 yard line. Sherman plunged to the 46 and Beck, who had been cracked and ed to the 48 for what would have been a first down but instead another offside penalty sent Ross back to the 40. Game was to the Springfield 48. And on fourth down with a yard to go Ross game down. Beck, who had been cracked all the way up to the Springfield 48 and the first down but there was no hole and he was stopped again.

Springfield tried hard to take

Ross Notes

Ross last night gave the perfect example of the team that won everything but the ball game. Springfield led him everywhere; except passing. There Springfield completed one pass for 10 yards and also completed one for exactly no gain. On that pass Beck was to Ross who looked as though he was about to score but he was hit before he could find anyone.

Lee, the Giant led in first

downs with 7 to 5 and in rushing by almost double with 213 yards with Ross last night was that it returned to its early season offside ways. . . . The club picked up 50 yards in the first and second downs for offside. . . . Unfortunately the penalties all seemed to come at critical times.

Worse luck Ross got all right when he had the first of the secondary in Springfield territory in the third quarter only to slip and fall into a mud hole. . . . Ross, Sherman and Ross free from which he just barely managed to grab out and stop Clete Peal with one hand to tackle him to the end where the latter was headed around end with a clean path before him in the fourth quarter. Ross had another other good chance when Charley Glover just missed intercepting his second pass.

There was no one near him and he was on a dry spot that would have had a couple of opportunities to show his speed.

Both Glover and Sherman gave Springfield support running last night despite the underhanded play of Bob Held, the great Ross

from last year and now De

Forest, a former center at Ohio State, was a guest at the game. . . . Both teams scored equally in short distances and the field seemed as completely lacking

a pass attack as Ross. However the

defensive line was strong and

threatened nearly as much as the

Ross ground machine.

LITTLE GIANTS FINISH SEASON ON HOME FIELD

Local Gridders Seek Win No. 8 In Last Contest

The lights go on for the final football game of the season tonight at 8 at Harmon field when Ross high's Little Giants tangle with Marion Harding high.

The Little Giants, who have surprised even the most optimistic rooters in Fremont by turning out one of the toughest teams in the state, will be gunning for victory No. 8. Only a loss to Elyria by one touchdown and a scoreless tie with powerful Springfield mar the record of the Rossmen.

Tonight one of the most unpredictable teams in Ohio is the foe. Marion has been hot and cold, extremely weak one game and as rough as they come another. Marion has won four games, lost four and tied one. It has lost to teams it figured to beat and come through with sterling performances against teams that figured to wallop the school.

One-Man Show

If nothing else, for about the fourth time this season, Ross is expected to have to stop what is termed as a one-man show. That will be Clarence Smith, 170-pound fullback who has tremendous speed and who is described as the entire Marion offense.

Marion is primarily a running team. But when the school does have occasion to pass, Smith takes care of that department.

Ross has run into three previous teams that boasted of candidates for All-Ohio backfield honors. One was Carlos Jackson of Fostoria. He was stopped cold. One was Tony Cucillo of Elyria. He's the reason why Ross high is still not listed among the unbeaten teams. Another was Fred Pearl of Springfield. He also was stopped cold.

When the curtain does ring down after the game tonight the departing fans will have one nice thought to keep with them through the off season. Only six varsity boys put on their uniforms, and only four of the six are regulars.

Sure enough the six, Bob Beck, Bob Beeker, Gene Geib, Bill Johnson, Dick Pratt and Bob Graham will be missed. But that is a mighty comforting thought to know that seven regulars will be back next year.

Tough As They Come

The Ross line has proven to be one of the very toughest in the state. No other line has yet pushed it around. Even in losing to Elyria, the Ross forward wall more than held its own.

Tonight the same boys as usual should be in there playing. For the most part it will be those same inexperienced kids who started the season. After this game they will have that vital experience behind them and it will be a pleasure to look forward to the following year with expectations of another season as successful if not more so than the one that closes tonight.

Little Giants Close Out Grid Season In Driving Rain Storm

The Little Giants of Ross high wrote the finishing chapter on one of their greatest football seasons in history last night at Marion field scoring a 13 to 6 victory over Marion Harding high.

The Little Giants simply outclassed the opposition as they recorded their eighth victory of the season. Only one of the worst rain storms imaginable stopped Ross from running up a much larger score. The entire second half of the game was played through a driving rain and wind that not only made good football impossible but wound up having the game played in half darkness as a great number of the lights were blown out.

It required just eight times for Ross to carry the ball in order to produce the initial touchdown. Marion kicked off and the Little Giants drove straight down the field for a TD. Bob Beck returned the opening kickoff from the 20 to the 31-yard line.

Beck picked up two yards on the first play. Then Charley Glover sprinted off tackle to go all the way to the Marion 46-yard line. Beck drove down to the Marion 27-yard marker and Glover moved to the 12. Beck powered to the nine-yard line.

George Batie was given the ball and skirted wide around his own left end and went all the way for the touchdown. Beck tried to buck over for the extra point but was stopped.

80-Yard March

That opening drive covered 80 yards and although the Ross backs did some beautiful running on the slippery turf, it was the play of the line that was opening huge holes through the Marion forward wall that indicated Ross was headed for little trouble.

Marion made a first down the first time it got its hands on the ball, thanks to the aid of an off-side penalty on fourth down as the visitors kicked. That gave Marion the ball on its own 38, but two plays later the Presidents found themselves parked back on their own 36-yard line.

Ross, which has used the quick kick to perfection all year, got a taste of its own medicine for a change when Fullback Clarence Smith of Marion booted a 55-yard beauty to the Ross 15-yard line. However Dick Sherman picked the ball up on the 15 and raced all the way back to the 27-yard line.

Here the Little Giants were off and running again as the team showed the most diversified attack of any time through the season. Instead of just relying on Beck's power plunges, everybody in the backfield tried his hand and it worked perfectly.

Glover started off by ripping to the Marion 44-yard line. Dick Sherman moved to the 35. Beck went to the 31 but Sherman lost back to the 33. Then Glover came through again to the 20. At this point Marion had spread out its defense to stop the sweeps of Glover and Sherman.

Perfect Setup

It was a perfect setup for Beck and he burst through the middle and ran over one would-be tackler to go 20 yards for the second touchdown. Beck plunged right over center through a tremendous hole for the extra point to make it 13 to 0. The dash for the touchdown came on the very first play of the second quarter.

The teams exchanged punts through the second quarter until Ross finally wound up with possession on its own 16. Here the Little Giants started another drive. Glover dashed all the way to the 34. Sherman moved to the 41. Beck went to the 46 and Glover to the 50. Beck plowed to the Marion 43 and Batie who kept alternating with Sherman, moved to the 40.

Time was running out in the half and at this point Beck connected with the first pass of the night to End Bob Becker down to the 27-yard line.

Glover went to the 26 and then Ross took to the air again. Dick Sherman got into the clear and Beck faded back to chuck a long pass to him but the slippery ball eluded Sherman's grasp. With just a few seconds left to play in the half, Beck hit Glover with a screen pass but Glover was stopped on the 16-yard line as the gun went off.

The rains came just at the end of the intermission and with its coming went any resemblance of football. Through the second half the two teams just waddled around in the mire and muck although Marion came within four yards of a touchdown.

Ross kicked off to Marion to start the second half but the receiver fumbled and Gene Geib recovered on the Marion 41. Ross moved as far as the 33 but there lost the ball on downs. Marion was forced to punt after going nowhere on three plays and Ross took over on the Marion 45. Sherman squirmed his way to the Marion 25. Beck went to the 23, Sherman to the 18 and Glover to the 13. Here Ross was finally stopped by a combination of the Marion line and the mud.

Visitors Drive

After an exchange of punts Marion finally wound up with the ball on its own 38. The visitors drove all the way to the eight-yard line where they had a first down. But here the Ross line rose to the occasion and Marion could go no further than to the four-yard marker on four plays.

Ross took over and drove all the way back to its own 47 before time ran out quickly to end the contest and the season for Ross.

That was it for the year. A great season that saw Ross win eight games, tie one and lose one, was finished. Six boys, Bob Beck, Bob Becker, Bill Johnson, Gene Geib, Dick Pratt and Bob Graham dressed in Ross uniforms for the last time.

The seniors who played their final game last night played great games. So did the kids who will be back next year. It was the greatest team effort put forth by any team all season especially in the backfield where for a change everybody had a hand in things.

Johnson, Beeker, Geib Gain Honorable Mention On Squad

COLUMBUS, O., Nov. 24.—Fremont Ross high school listed four seniors as regulars on its football team this season and all four were named as members of the All-Ohio football squad. Bob Beck was named as the first team fullback. Tackle Bill Johnson, End Bob Beeker and Center Gene Geib, all of Ross, were named as honorable mentions.

Fremont also took another honor when Beck was named to first team. It is the smallest city in the group to place a man on the first eleven.

Three of the top teams in Ohio—all widely separated from each other geographically—each selected two men today on the team selected by a poll of sports editors from newspapers and radio.

Undefeated Martins Ferry, and one that lost to it, McKinley and Hamilton were the honored teams. Dick Thomas, Martins Ferry end, and Jim Bailey, great back from Hamilton, were the two starters from last year on the team.

Martins Ferry placed Thomas at end and J. DeFede at guard on the first eleven, while McKinley and Hamilton had ends and Johnnny Colceri at left half. Hamilton placed Bailey, and Dick Grimes at end.

No one team placed more than two players over the entire 22 selections made.

The voting editors usually singled out one or two players from their selections for particular praise.

The Elyria Chronicle said that Tackle Dick Olson of Lorain was probably the best player in the state. While The Fremont News-Messenger was high on Bob Beck of Fremont Ross, as were others who had seen him.

He was described as a bear cat offensively and defensively, averaging 40 yards per kick in punting, and also leading in all the passing, for the strong frontoners.

The Indianapolis Daily Tribune said Gene Wetherton's play was a slow worm rather than a college education anywhere in the country, and the Conneaut News-Herald said Jim Hiettiko, Conneaut, tackle, has been under the eye of Ohio State Coach Wes Fesler.

The Martins Ferry Times-Ledger said the team was better than last year and was one of the big reasons Mansfield and Steubenville couldn't score against the Riders. Thomas is the star of Martins Ferry Coach Fred Thomas.

The Canton Repository said O'Bryan, Canton's captain, is a 48-minute player at tackle and loves the game. The Youngstown Chronicle said Dean Coventry, a guard, doubled as a fullback in one game and gained 90 yards rushing.

The selections:

BUCKS RELEASE

1949 SCHEDULE

COLUMBUS, O., Nov. 21—UP—Ohio State university athletic publicity director, Wilbur Spry, today released the 1949 schedule for the Buckeye football team.

Sept. 24, Missouri at home. Oct. 1, Indiana at home. Oct. 5, at Southern California. Oct. 12, at Stanford. Oct. 19, at Wisconsin. Oct. 29, Northwestern at home. Nov. 5, at Pittsburgh. Nov. 12, Illinois at home. Nov. 19, at Michigan.

BILLY FOX GOES INTO HOSPITAL

BUFFALO, N. Y., Nov. 24—UP—Blackjack BULL, Fox, 22-year-old Negro boxer, best known in Philadelphia, was rushed to the hospital in an unconscious condition early today, shortly after he lost a hard-fought decision to Ted Lovett of New Bedford, Mass.

Fox took a terrific beating about the head during the bout but appeared to be in good condition when he left the ring. He com-

er, Mansfield; Brown, Massillon; Sikavica, Struthers; Shuff, Mount Vernon; Smith, Marion Harding; Joseph, Martins Ferry.

Two More 'All' Elevens Honor Ross High Gridders

Additional honors for Ross high gridders are included in two more "all" teams announced by Gene Wilburn, former News-Messenger sports editor, now sports announcer for WFRO-FM. One is a Ross-Opposition team and the other the Buckeye league team, picked by votes of Coach Les Binkley, Wilburn, Frank Swartz, Al Kauble and Dick Myers, the latter four connected with WFRO.

The first Ross-Opposition team in which each picked three full teams, points being awarded on a 5-3-1 basis, brings the following results: Al Swasick, Findlay, and Andy Arvay, Elyria, ends; Bill Johnson, Fremont, and Jim Lear, Elyria, tackles; John Anspach, Fremont, and Don Thomas, Springfield, guards; Dallas Bigelow, of Bowling Green, and Gene Geib, of Fremont, tied for center; Tom Lee, Fremont, quarterback; Tony Cuccillo, Elyria, and Bob File, Findlay, halfbacks, and Bob Beck, Fre-

mont, fullback. Beck and Johnson received 25 points each, with Cuccillo getting 23.

Fremont boys on the second team are Phil Keller, tackle, and Charlie Glover, halfback; third team, Hosea Sims, end; Dan Miller, tackle; Dick Sherman, halfback; honorable mention, Bob Beeker, end; Dick White, Marlin Farver, guards; George Batie, halfback.

The all-Buckeye team chosen by the five includes eight Fremont boys and three from Findlay. The Ross choices are Johnson, tackle; Sims, end; Anspach and White, guards; Geib, center; Lee, Sherman and Beck, backfield men. On the second team are Beeker, end; Kellogg, guard; Keller, tackle; Glover, halfback; third team, Miller, tackle; Farver, guard; honorable mention, Batie.

The Findlay boys on the first team are Al Swasick, end; Frank Mowry, tackle, and Bob File, backfield.
