THE TWENTY

Cuyahoga

The Ross High Little Giants started their '56 Football season with a rousing victory, defeating Cuyahoga Falls 38-7 in the opening game at Harmon Field, September 14. The Little Giants monopolized the first three quarters, allowing Cuyahoga to score only once in the fourth period. Jim Tiller, with two T.D.'s and Bill Smiley may be accredited with the half-time score of 25-0. The second half saw Tiller score again and—throw to Smiley for a T.D. giving the Little Giants a smashing 38-7 victory.

Latin

The second victory came when Ross's Little Giants gave Cathedral Latin a double drenching, 19-13, fighting hard in the rain at Harmon Field, September 21. Jim Tiller bolted 66 yards in the mud, then 3 yards to give us a lead of 13-0. Latin retaliated by scoring a touchdown and leaving the score 13-7 at the half. Latin scored again tying Ross at the end of the third quarter. Tiller scored early in the final quarter to carry Ross to a 19-13 victory.

GAME WINNERS . . .

Fostoria

Staying home September 28, Ross fought Fostoria defeating the Redmen 40-0. The Ross "Down the field drive" started late in the second quarter with Beebe Schneider sneaking through the line to give Ross a 7-0 lead. Ross continued its drive with Tiller, Clarence Glover, and Schneider giving Ross a 26-0 lead going into the fourth quarter. Two more touchdowns by Tiller gave us our third victory 40-0.

Findlay

The Little Giants journeyed to Findlay, October 5, to trounce the Trojans 53-6. Tiller scooted 61 yards followed by Beebe Schneider's 51 yard run to gain 14 points in the first quarter. Tiller with two more T. D.'s and John Level also scoring, rounded out the half 33-0. Tiller made two more touchdowns and the Trojans gained 6 points in the third quarter. Shawl carried the ball 23 yards for the final touchdown. Win number four, 53-6.

Ross High Squad In Action Today

Thirty eight candidates for the Ross high school Little Giants grid edition of 1956 were on hand Friday evening at Harmon field to undergo physical examinations, the final preliminary item prior to opening of practice this morning at 9 a. m., on the Harmon practice turf.

Head Coach Mal Mackey, still waiting for that first look at his boys today, withheld any comments last night as to what the current crop will shape into following two weeks of training leading to the season's opener here September 14 against Coach Bob Shaw's Cuyahoga Fall high.

Seven of the eight lettermen who drilled in the final spring training program have returned. They include Bill Smiley, Jim Halley, Bob Helleman, Jim Tiller, Burdette (Beebe) Schneider, Wes Glover, and Ken Stull. Del Hoy will not be on the football team this fall, Mackey said.

On hand to aid the night's program were Coaches Bob Seele, John Ihnat, Jack Decker, and Al Stacey, Little Giant, newcomer, who will serve as trainer and in the junior high school athletic program, Stacey is in from Findlay college, where he was a June graduate.

Conducting the physical exams was Dr. E. C. Swint, team physician.

Other Gridders

Players present other than the lettermen were Tom Monahan, Bob Jahns, Jim Kessler, Larry Longanbach, Dan Wasserman, Pat Shanahan, Fred Lewis, Ron Shaw, Jerry Kessler, Dave Kohr, Chris Young, Tom Woessner, Jim Streeter, Mike McCarthy.

Dick Swedersky, Jack Kilgus, Dan Coleman, Jim Otermat, Ron Weisheit, Walter Smith, Dick Clinebell, Dick Humbert, Harold Gahn, Charles Houdeschell, Larry Nitschke, John Level, Ray Arndt, Ruben Lozano, Jack Parish, Dick Fitzgerald, Clarence Glover, and Howard Roberts. Terry Collins, who had an appendectomy recently will not be out for a while, Mackey said.

Plans were set for contact work today with scrimmage in the afternoon to get the players off to a fast start. The same twice daily program opens Monday and continues through Thursday with once daily drills opening on Friday, the first day of school.

Books Issued

This year the varsity has been issued books which contain information on training rules, offense work, defense, scouting notes as they will come in weekly, and general information. Long work benches have been set up in the dressing room where chalk talks will be held as in the past.

During the early part of the week the roster of statistics will be ready, pegging the boys as to weights, heights, positions.

Right now Mackey is looking for student managers for the varsity, freshmen and seventh and eighth grade teams. Bill Gwinup, a senior, heads the managers now and had Jim Ayres as aide. Two more varsity managers are needed.

Boys interested should contact Mackey at the stadium. Boys in the seventh, eighth and freshmen classes are preferred for those teams.

Next Thursday at 8 p. m., there will be a dress rehearsal at Harmon when players will be in game togs, brought out onto the field and introduced, then a series of runoffs of plays will be held for those in attendance. Ross Boosters club members will assist and music will be furnished by the school band. Neil Berlekamp is in charge of the pep rally for the Boosters.

Braves Capture Comeback Victory Over Dodgers, 8-7

Milwaukeeans Hold Shaky First Place Grip Again In National

By ED WILKS
The Associated Press
Milwaukee Braves call it "the biggest one yet."

The Brooklyn Dodgers kiss it off with a "so what?" They both could be right about that humdrum of a comeback 8-7 victory the Braves grabbed from the Dodgers at Ebbets Field Wednesday, regaining undisputed possession of first place in the National League race.

Whether or not they were punchy from pennant pressure, the victory definitely was "the biggest one yet" for the Braves. It had to pick them up, relax some of the tension as they move into Philadelphia for a two-night doubleheader tonight against the Phillies—only club in the league with an edge (8-10) over the Braves.

If any club was hurt by the decision, it was Cincinnati. The third-place Redlegs fell three games behind while being held to just three singles by Johnny Antonelli in an 8-0 loss to the New York Giants.

The Chicago Cubs defeated Pittsburgh 3-0 in the only other NL game scheduled.

The New York Yankees and the Kansas City Athletics, walloping three between them, erased the home run record set in 1950 at 973 as the A's beat the league leaders 7-4.

Boston took third place from Chicago, defeating the White Sox 4-1. Detroit made it six in a row, beating Washington 3-2.

Bowling

Plenty of bowling across the city Wednesday, with seven leagues in action, but only five keggers managed to get in some early season punch to score in the honor list.

Jim Forsyth, bowling for Kirby's Vacuum Cleaners in the Paramount Major loop on Paramount Alloys, had the only series honor score for men keggers, rolling out a 630. His 234 also led the singleton field.

Blanche Dymond's 525 for Keller's Funeral Home in the Ladies City B on Maple Lanes was the high score.

Sue McMurtie, for D and R in the Ladies PM loop at Paramount, had a 202 for singleton honors. Hazel Reynolds of Haaser Distributors in the same loop cleared off a 6-7-10 split.

Schedule of Elk's Bowling league for Friday: 7 p. m. Smiley Tines vs Fremont Savings Bank; Stull's Market vs Lytle's Inc.; Fremont Outing vs Clyco Garages; Fremont Rental vs Pfisterer's; Standard Sheet Metal vs S and K Drugs; Connors Jewelers vs Steink-Wolfe.

9 p. m.—Gottson Brothers vs H and B Builders; Serwin's vs Portage Inn.

Any teams on the first shift that wishes to attend the Ross football game may contact the captain of the opposing team and arrange to bowl at 6 p. m. Teams needing more bowlers contact Al Burton at FE 2-8417 or Jim Frater at FE 2-5705.

Wynn Wins Game For Cleveland, 2-1

Wertz Also Unloads Homer For Indians

CLEVELAND (AP)—Early Wynn hit a home run to beat the Baltimore Orioles 2-1 Wednesday night—the second game in a row won on a homer by a Cleveland Indians pitcher.

Bob Lemon drove in the deciding runs with a homer Tuesday night.

It was Wynn's first homer of the year, and there were some other firsts in the game:

Vic Wertz hit his 28th homer of the season—the first time he's ever hit that many.

The crowd numbered 4,738, the first time it has been that low for a night game in Cleveland.

It was almost the first two-hour game of the year. It ran 2 hours and 8 minutes. Wynn would have made the deadline, and collected a bonus from General Manager Hank Greenburg, if he hadn't got into trouble in the ninth.

Baltimore got its run in the fourth when Dick Williams singled, was sacrificed to second, and scored on a single by George Kell.

Besides the homers, Cleveland got only three singles off starter and loser Skinny Brown. Wertz got one of them and Dave Pope and Rocky Colavito got the others.

Cuyahoga Falls Here For Little Giants As Crimson Streaks Travel To Genoa

Fremont's high school football breaks into the open Friday as Ross' Little Giants and the Crimson Streaks of St. Joseph's both are booked for non-league games.

Ross remains at home to host Cuyahoga Falls. Kickoff is at 8 o'clock at Harmon Field. Meanwhile, St. Joseph's travels to Genoa, facing the Comets in an 8 o'clock opener.

ROSS HIGH

With two solid weeks of Harmon field practice behind them and a rugged Toledo Libbey scrimmage included, the Little Giants look to the game tomorrow as a test of what may be expected of the new crew, which lost 13 experienced lettermen in June graduation.

Backfield personnel remains mostly the same. However, Bill Smiley's back at Ross from upstate New York where he played grid games last fall. He's at the right half spot, across from Jim Tiller, who returns to his familiar left half surroundings.

Mackey has Bob Heileman starting at fullback, with Beebe Schneider at quarterback. There's the chance Schneider also might see fullback duty, with Ron Shaw taking over at quarter if the occasion arises.

Ken Stull and Wes Glover are the more experienced players in the line. Stull at right end and Glover at left tackle. Clarence

ST. JOSEPH'S HIGH

Eight of the tentative starters for St. Joe's offensive lineup are lettermen and veterans of the past campaigns, although some are newcomers to positions following shifts made by the coaches to fill substitutions in the line mostly through June graduation.

Denis O'Shaughnessy has moved over to a tackle berth following sole experience in an end position. Tom Kunkle is new at center, moving over from the tackle slot. Ken Barbour's a tackle now, after past play in a guard spot and Jim Reardon is the newcomer, filling in at center.

Backfield Lineup

Looking into the backfield, the veterans Mike Foss at quarterback, Mike Hetrick at left half and Eddie Nofz, at right half, will be a good share of experience that any team wants going into an opener.

Smith and aides. Coaches Ed Dorobek and Joe Kuzma, will be working with a new fullback in Norb Hoffman, who showed well in the Sandusky Bay Conference premier last Friday.

In addition to the lettermen listed above, the Streaks have Louis Mayle, working into the quarterback spot and Jim Porczak, who is still favoring a shoulder operation during the summer and limiting his workouts to calisthenics and light running. About two more weeks are needed for him to mark time until heavier action is allowed, Smith said.

In New League

Genoa, coached by Will Booth, is now a member of the Great Northern league in the Blue Division. The school dropped from SBC play effective at the end of the past school year.

The Crimson Streaks had eight wins last year and one loss, dropping the toughest, to Oak Harbor, league stablemate, which knocked off four undefeated squads in succession in a hot streak in the last half of the season.

More Eliminated In Horseshoe Play

Second night's action in the YMCA elimination horseshow event now under way saw John Adams winning over Jim Nieman.

Ross Outplays Cuyahoga Falls, 38-7;

Little Giants Outrun, Outpass Tigers In One-Sided Tilt On Harmon Gridiron

by Dan McCarthy
News-Messenger Sports Editor

Using a well-mixed portion of long runs and looping pass plays, Ross high's Little Giants opened the 1956 grid season Friday night at Harmon field with a 38-7 victory over Cuyahoga Falls. Six touchdowns were netted by the Purple and White over the first three periods while the Black Tigers used a pass play with just seven minutes left in the fourth period to score its lone touchdown.

Before approximately 3,500 fans in the stadium, the Little Giants cracked the scoring column in the first eight minutes of the opening period when Left Halfback Jim Tiller went around right end to score on a 13 yard run. Tiller also scored on a 45 yard run in the second period, coming back later to snare a pass from Beebe Schneider, working at quarterback, and carry over for a play that netted 49 yards in all. In the third period, Tiller broke over right guard, changed his field, and went along the left end for 42 yards and his fourth touchdown.

Bill Smiley, back in the Fremont ball yard after a stint last fall in upstate New York, scored after 10 seconds of the second

by Smiley in the first play of the second period.

Fast Exchange

With the score 6-0 going into the second quarter, Ross and Cuyahoga Falls rolled out two fast exchanges. The Little Giants scoring 13 points with a minute and a half gone. Smiley's 18 yard run and the 45 yard huster of Tiller's bagged the markers.

With minutes running out, Schneider's pass to Tiller was unhealed, good for 49 yards all told, and Ross went into the dressing room with a 25-0 halftime advantage.

Three first downs by Falls, (one gained on an interference charge on a pass play and good for 16 yards) proved to be the visitor's punch for that session.

Beckman, Ron Lyons, and Bob Hall picked up the first downs. Two minutes and 10 seconds of the third period were gone when Ross got Tiller through center and down the left side of the field for his 42 yard run, and the fifth touchdown in a game that marks the 60th year of football in Fremont.

Schneider and Bob Hellemann ground out additional first downs later, with Schneider getting his on a 15 yard streak and Hellemann going seven yards to the Falls' six. At this point Schneider unraveled his second touchdown aerial, this one to Smiley and the goal was crossed again.

Smiley's final point after touch-down attempt, the fifth try, included one that was booted but an offside play nullified the attempt, was good and Ross had the 30-8 bulge at that point.

A Ron Shaw pass to Jim Barton netted a fourth quarter first down.

Reserves' Action

Reserves rolled freely from the Ross bench in the third period and during their crack at Falls, the visitors picked off four first downs all told, three on passing plays, one on a ground gainer of 19 yards picked up by Cyrill, who quarter-backed the squad.

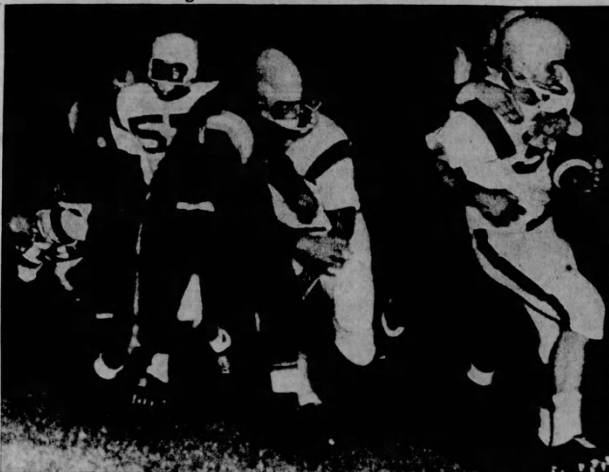

The aerial attack scouted by Ross in the Falls' preview last weekend worked effectively in the final period as first-downs were gained on pass plays good for 11, 10, and 18 yards. The final pass, netting 11 yards went from Cyrill to Beckman and to TD territory. Michael Gregory scored the PAT and that was the ball game: Ross 38 — Cuyahoga Falls, 7. Schneider and Wes Glover were game captains for Ross.

The lineup:

ROSS — Backs: Beebe, Schneider, Bill Smiley, Jim Tiller, Bob Hellemann, Ron Shaw, Jim Halley, John Level, Jim Barton, Bob Johns. Ends — Ken Smith, Clarence Glover, Bob Anderson, Mike McCarthy, Dick Clinebell, Ruben Lozano. Tackles — Wes Glover, Jack Parish, Tom Manahan, Ray Arndt, Larry Nitschke, Dan Coleman, Dick Swedersky. Bill Smiley Streaks For Five Yard Gainer

EARLY IN THE FIRST PERIOD at Harmon Friday night, Bill Smiley, who scored two touchdowns later, carried for five yards on this play as unidentified Black Tigers start to bring him down on the Ross 49. Jim Kessler, (72) on left and Clarence Glover (57) center, are other Ross players identified. One other Little Giant was blocked from view, only partially shown.

Milwaukee Loses, Dodgers Grab Win

By The Associated Press

The Milwaukee Braves, reduced to a one game lead once again in the hectic National League pennant race, had themselves a real worry today. In this slump by right-handers Bob Buhl and Lew Burdette just one of those things or is it serious?

They can't hope to win the pennant without the help of that pair, yet Buhl, a 17-game winner, has failed to finish his last three starts and has lost 'em all. And Burdette, with 18 victories and seven shutouts, was battered out for the second consecutive time Friday night as the Philadelphia Phillies maltreated the leaders 13-1.

The Milwaukee loss, coupled with Brooklyn's 4-2 victory over last place Chicago, left the one-two club even in games lost.

The fourth place St. Louis Cardinals, who had won six in a row, lost to New York's Giants 3-0. Cincinnati, in third place, was idle.

In the American League, the New York Yankees, with Yogi Berra setting a record for career home runs by a catcher, snapped Detroit's winning streak at seven 5-1. That reduced the Yankees' "magic number" for clinching the pennant to three as second place Cleveland lost to Boston 4-3 after winning the first game of their two-night doubleheader 10-2.

The Chicago White Sox, a half-game shy of Cleveland, defeated Baltimore 3-2 in 11 innings. Washington defeated Kansas City 4-1.

Cleveland Splits Boston Doublebill

CLEVELAND (P)—The Cleveland Indians clung to second place by a half game after a split Friday night with Boston in which the Tribe did its first real hitting in a month to win 10-2 and then almost became victims of a no-hitter in losing 4-3.

Bob Avila's grand slam home run and Chico Carrasquel's two-run double, both in the sixth inning, made the opener an easy 17th victory for Herb Score. Score pitched a four-hitter and fanned eight.

But in the second game rookie Dave Sisler's fast ball held the Indians to two hits, both in the eighth inning when they scored three runs. Sisler struck out nine and put the Tribe down 1-2-3 with one exception until there was one out in the eighth. The exception was when Ted Lepcio muffed a grounder enabling George Strickland to reach first in the sixth inning.

Strikes to Spare

Sven leagues were in action Wednesday but honor scores slipped to the skippy side marking a departure from the Tuesday trend at Paramount Alleys and Maple Lanes.

Ed Hoffman's 628 series for O'Brien Insurance at Paramount in the Major League was the top series score. Al Burton picked off a 238 singleton for De Ran Jewelers in the Men's City B loop at Maple Lanes for the single honors.

Marg Butzin, with a 193 for Fremont Gun Store, had the only honor total of the women bowlers. She's in the Maplettes League at Maple Lanes.

Members of the Elks Bowling League will not be in action this Friday at Maple Lanes. Regular schedule will be resumed on Friday, September 28.

Teams Play Friday At Harmon Field; Kickoff At 8:00

Going out against Cathedral Latin, of Cleveland, Friday night at Harmon Field, Ross high's Little Giants in doing so will be opening a new football relationship with another school as they set out in search of victory number two in as many weeks of competition. Kickoff time is at 8 o'clock.

For the encounter, Coach Mal Mackey has disclosed that the same offensive starters will get the nod tomorrow night as the 11

man crew which opened against Cuyahoga Falls last Friday.

Coach Fred George's Blue and Gold Latin eleven, according to the pre-game look into statistics, should be sporting a heavier line averaging about four pounds more from end to end than the Little Giant squad.

This in itself is something new to the Purple and White, who through the last few seasons had players like Lee Wolf, Jim Clark, Dick Level, Dave Wolschuck, and the present senior, Wes Glover, to constantly tip the scales in favor of the home forces. But, things are lighter this year.

One noteworthy item is the presence of Otis Drayton in the Latin backfield at right half. Drayton, Coach George informed the News-Messenger, ran fourth in the state 100 yard event last spring to Jim Tiller. Ross left halfback. In the 220, Drayton also picked off a second in state finals. He weighs 199 and is a junior, standing six feet. He'll be wearing a 54 on his jersey.

Some of the other standouts of this season for Latin are Bill Puskas, defensive end, tall at 6'3" and pretty much filled out with 186 pounds on his frame. Ernie DeRose and Gary Stevens, too, will work as defensive backs. Stevens with 170 pounds, and DeRose a real lightweight at 124 pounds.

Other defensive big boys not in the starting lineup above will bring some more burliness into the game. There's Mike Underwood at 220 pounds, and 6'. Mike Wasdovich, defensive guard, at 6' and 230 pounds; and Jim Fryol, defensive tackle, at 235 pounds and 6'2".

Jerry Engelhart, a defensive line backer, is 163 and stands 5'9".

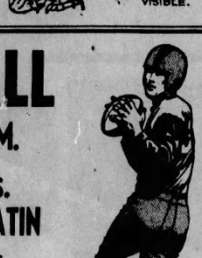

Wasdovich is also listed as the team's punter with Catto one of the best players on punt returns. Ross scouts in Cleveland last Friday night report that the Latin line is not a fast charger from their observations. Tackling, however, is something else again with pretty sharp hitting noted all around against the St. Ignatius forces.

Coach George is assisted by Ab Stromminger, Sam Ruvoind and Brian McCall. Athletic Director is Brother James Kilroy, S. M.

Tiller Registers All Three TDs On 56, 67 And Two Yd. Runs

First Period Goal Line Stand By Little Giants Proves Turning Point; Schneider Suffers Shoulder Separation, Leaves In Third Period

By DAN MCCARTHY
News-Messenger Sports Editor

Left halfback Jim Tiller's third touchdown of the night, scored on a 67 yard run with 1:10 minutes of the fourth period elapsed, set up Ross high school's second straight victory in two outings as the Little Giants turned back a stubborn and hard-charging Cleveland Cathedral Latin squad, 19-13, on Harmon field Friday.

The game was in no manner the scoring carnival in favor of Ross as was the opener last week when Cuyahoga Falls fell 38-7. Last night it was a determined bid by Ross' entire crew that made the victory.

Score Summary

Scoring in a nutshell: With 3:16 minutes of the second period gone Tiller went 56 yards for the TD and Bill Smiley booted the first conversion and Ross went out from 7-0. Also in the second quarter Tiller made his second TD with a two yard carry around right end. Smiley missing the boot for conversion.

On the kickoff return immediately after Ross' score Ols Drayton, the athlete who ran fourth to Tiller in the state track finals of the 100 yard dash, took the oval on the 22 of Latin and went

the distance of 78 yards for the six points. Jim Goodrich ran the ball over for the point.

At the end of the third period Goodrich bolted one yard for a Latin score and after his PAT boot attempt failed Latin drew up to the 13-13 tie game.

Two plays in the fourth period Tiller swept left end, eluded tacklers with shifty maneuvers, then flashed 67 yards for the final and winning touchdown. Tiller received a cut on the head in the final period but returned to the game after a bandage was applied.

Schneider Hurt

Burdette (Beebe) Schneider left the game on the fourth play of the third period. Reports from the dressing room following the game point out that he suffered a shoulder separation and it's not known how long his injury will keep him out of action at this point. The Ross quarterback had carried for seven yards and a first down when he was injured on the east side of the field.

The game was played through a slow rain that kept the fans, numbering approximately 3,300 under protective wraps throughout.

Close competition on the turf down front, however, kept fans thinking about the game at hand, and their thoughts were aside from the rain for the most part.

Latin was the dominant factor of the opening quarter as Coach Fred George's crew rolled out three first downs from scrimmage to one for the Giants of Coach Mal Mackey.

Goal Line Stand

The Latin drive from the Ross 45 worked right smack down to the Ross one yard stripe and on fourth down, with the goal to go,

ROSS INJURIES

Dr. E. C. Swint, Ross' team physician, said Saturday morning that Beebe Schneider's shoulder separation will be given rest until at least Wednesday of next week and it is possible that he will not be in the Fostoria game next Friday here. Jim Tiller had two stitches taken in the cut on his head.

Latin's Goodrich bolted around left end, but Schneider was there to stop the play short of the goal. Consequently, after Latin had held the ball for the first seven and a half minutes, Ross picked up and went to work.

Tiller made a nine yard run to the Ross 15 after the locals got out of trouble on their goal line, and that marked the only first down scored in the period. Bob Helleman had a seven yard haul on one occasion and Smiley carried for nine on another, for the only other noteworthy gains of the period.

Wes Glover's recovery of a Latin fumble was another big aid for the Little Giants in the first period.

Second period action opened with Tiller carrying for seven, good for a first down on the third. Helleman rolled up another 10 on next carry and two plays later Smiley had an eight yard carry for a first down.

Roof Collapses

The roof momentarily caved in however, when three straight penalties, five yards for offsides, and two 15 yarders, plus a three yard loss by Schneider when he faded back to pass and was hit on the Ross 44 made things look mighty glum.

So, on third down with 40 to go, and clipping over his right side, Tiller started the 56 yard run that ended in TD territory, and plenty of lost ground was regained.

Latin went nowhere on the exchange, and as Ross took over machinery for the second Little Giant TD was set in motion. Helleman had an eight yard haul to the Latin 36, Smiley went 12 to the 24 and a first down and on fourth down Tiller went eight to the Latin 12 for another first down. Four plays later Tiller went for two around right end and the score was 13-0 Ross. Drayton on kickoff then executed his sparkling run and with Goodrich's PAT, the gap closed to 13-7 Ross.

Glover Snares One

A Schneider pass to Clarence Glover for 36 yards to the Latin 10 was the final thrust that had the Black and Gold worrying shortly before the first half ended. Tiller went five to the Latin five but the gun cracked and that was it.

In the third period Schneider

HERE'S THE 56 YARD TOUCHDOWN SPRINT that put Ross high out in front Friday by a 6-0 score when Jim Tiller (40) lugged the oval in some dandy stepping (away from the opposition) after bolting over Latin's left tackle. Evading all tacklers, Tiller picked up Bill Smiley, (53) who blocked out Leo Catto, (45) Latin back, and the path was set for Tiller, who applied the necessary speed.

picked up seven for a first down but left the game with his injury. Tiller carried for 15 on one haul and 13 yards two plays later for the other two first downs picked off that period.

A Ross fumble was recovered by Latin and they set out at mid-field to climax the march with Goodrich's one yard plunge and the second TD. Two passes from John Cook, quarterback, to Goodrich, for 12 yards and another for 11 yards to Roger Stringer kept the Latin's aerial game a sharp threat.

Outside of Tiller's run in the final period which went the 67 yards, Ross gained no first downs as a 15 yard holding penalty was more than the 13 yards Tiller got midway in the period to merit a first down that trip.

Latin Determination

Gary Stevens, who hauled Tiller down right on the goal in the final touchdown run, had the defensive gem for determination, even though the Ross marker was netted.

Latin absorbed its second loss of the season in the game, but only a Ross team full of rugged determination kept things in favor of the Purple and White at the end.

Ross was heavy on first downs, getting 14 to eight for Latin, and in the yards rushing the 352 Ross total eclipsed the 105 of Latin by a considerable margin. Drayton's 78 yards on the kickoff return isn't figured in the total, which would lend a good share of prestige to the vanquished in the final analysis.

Bowling

The women of Paramount Ladies League were knocking the pins all over the place Friday evening, some excellent early-season scores being tallied and a trio of wide splits being converted.

Top total was that of Hazel Reynolds of Paramount Ladies, a 563 with two Honor Roll single games, 236 and 193. Mrs. Reynolds needed only a 171 for a 600 total, but slipped.

Hazel Schefflin, of M. & M. Upholstery, came close to the top total with a 554, a 212 being her best single shot.

The splits worth noting were the 3-7-10 made by Blanche Dymond of Fox Insurance, 4-7-10 by Norma Walker of Walt Rusch Plumbing and 6-7 by Marg Edmonds of Ohio Vending.

Elks bowlers did not compete Friday night at Maple Lanes because of the football game.

Pirates Become Brooklyn Spoilers

Detroit Assists New A.L. Homer Record

By The Associated Press
CINCINNATI's Redlegs, staying alive with a six-game winning streak in the National League race, got one last chance to keep their foot in the pennant door today. All they had to do was beat Milwaukee.

It was no breather either for the Braves, who slipped back into first place by three percentage points, when Pittsburgh joined Brooklyn back to second 6-5 Monday night.

In fact, none of the contenders can take another loss and look healthy. But while a victory won't guarantee anything for the Redlegs, they'll be dead without it.

After today, the Redlegs have only two games (at Chicago). They are two games behind the Braves and Dodgers in the lost column.

The Brooklyn-Pittsburgh game the last road game for the Dodgers, who hustle back to Ebbets Field for the opener of a two-game set with Philadelphia tonight, was the only contest scheduled in the NL Monday.

In the American, Baltimore whacked New York's pennant-winning Yankees 5-1, and Chicago out-hammered Detroit 14-11 on a two-game schedule.

Reliever Roger Craig was the Brooklyn loser while Friend struck 4-5 out for his 11th victory.

The Bucs, who knocked Brooklyn out of the 1954 pennant, have a three-game set at Ebbets Field in the season windup this week-end.

36 hits, seven of them homers, Chicago and Detroit swung for 36 hits, seven of them homers.

McKinley Bulldogs Merit Top Place

They're off!
Ohio's high school gridders start the long race to the ultimate crown, No. 1 place in the Associated Press and other poll ratings which will be announced in mid-November.

Locally, Ross high school, which finished fourth in the ranking last year, highest in the school's history, (trailing only behind Canton McKinley, Massillon and East Liverpool in that order) came through this week in 15th place, tied at that level with New Philadelphia and East Cleveland Shaw.

At the moment the Little Giants have their work cut out for them in the climb higher up the ladder.

Last year, sparked by several surprising dips in the poll on weeks following successive victories, the Purple and White rebounded with assists by area sports writers aiding the local efforts, and hit the high of fourth place.

What remains ahead is the question mark and Ross gridders will be out for the utmost in progress.

St. Joseph's high picked up one vote after its second win of the season also and is listed among those on the initial rating release.

In the United Press release, Ross has a 12th place. Other Buckeye Conference schools which received votes in the Associated Press list are carried in the column to the right.

COLUMBUS, Ohio (U.P.) — Canton McKinley's state champion Bulldogs topped the season's first Associated Press poll of Ohio's high school grid teams today. But the poll points on a 10-6-etc., voting basis, and the points scored by Watts had to share the headlines.

Starting Backfield Faces Alteration

WHEN POSTORIA HIGH'S REDMEN arrive here Friday at Harmon for Ross high's third game of the season, it is expected that Beete Schneider, third from left, will not be in his familiar quarterback slot. The shoulder separation on the right side he received in the Cathedral Latin game last Friday is listed as "very slight" by Coach Mal Mackey, but the coach added, too, that he figures Ron Shaw to be the starting quarterback, Bill Smiley, first from left and the right half back, is favoring a tender left ankle where some ligaments were injured also in the past Friday game. Mackey expects him to be ready to go Friday, but his scrimmage this week so far has been hampered. Others pictured are Bob Helleman, fullback, second from left, and Jim Tiller, left halfback who has scored seven of the nine Ross touchdowns this season.

Ross Opens Title Defense Friday Facing Trojans On Findlay Turf

First Contest Away For Little Giants In Current Season

Defending Buckeye Conference champions Ross high school's Little Giants make their debut into league play Friday night at Findlay where they meet Coach Neil Schmidt's Trojans on the high school gridiron. Kickoff time is set for 8 p. m.

For Coach Mal Mackey's stalwarts, the game provides the opportunity not only to dip into league competition on the right foot, but if the Purple and White can successfully contain the Trojans and return with a winner, it will mean the clean slate of four games this season, coupled with the 10 victories of 1955, continues on for another week.

Both squads have played three non-league games. Ross' three wins attest for themselves in past accounts. For the Trojans, however, there are two defeats and one victory recorded. Schmidt's squad is aching for another win to balance the scales this year. The Little Giants will be aiming to spoil their efforts.

Last season the Trojans came through with a four win, four loss campaign.

Last Friday, while Ross was having a lighter time of it with Fostoria, Findlay held a 15-13 lead over tough Toledo Scott until three minutes of the last period when a pass play won, 20-15, for Coach Bud Dean's Toledoans.

Passing Team

Inasmuch as Findlay is touted as a passing team this year, the last moment defeat via the air lanes was difficult to take. The Trojans' offense is based around the passing of little (140 pounds) Jerry Sink, veteran quarterback who passed 21 times against Scott, completed 13, and gained 147 yards.

Fullback Roger Sands is the runner of repute over that way. Also against Scott he carried 20 times picked off 106 yards. When Sands isn't hauling the mail then Fred Williams, from left half, is Williams is a dangerous runner when he finds a little daylight, or rather field floodlight seeping through the line.

On defense the standouts are Ed Bohn, 6-2, 200 pound end. Tackle Jon Cryer, at 185 is a threat. Linebacker Roger Strough, center on offense, is the partial piece of the blocks of granite.

Toss in Jack Martie 175 pound left guard, and the Trojans will be ready with a portion of trouble in the making.

Scott Finds Trouble

Scott rolled up 86 points in two games against Akron Springfield, 33-0, and Toledo Woodward, 55-0, then the squad came to Findlay and had two scores racked up and had to battle to the wire to win.

Coach Schmidt was looking for more defensive speed and aggressiveness in the Scott game and his Trojans came up with the answers. Schmidt also wants his boys to throw out a defense that will seek to keep the runners from getting to the outside.

With these things in the minds of the Trojans Friday, the Little Giants will have their work all ready and waiting, for, it will be one of the "meat" games of

the schedule with several more of the same caliber on the way.

Some of that spirit and drive that broke out in the Cleveland Cathedral Latin game two Fridays ago will provide the key to the Little Giants' game.

Coach Mal Mackey reported Thursday morning that there is the possibility that John Level, working out at fullback, might get the starting nod at that spot, replacing Bob Heileman. This is the only doubtful situation in the starting lineup on offense.

Other than that, the Little Giant coaches will stick to the same script Friday in making their 1956 debut on the road.

Chuck Taylor Says 'Definitely, YES'

COLUMBUS, Ohio, P.—Stanford's Indians fly into town tonight to try to give Ohio State's Buckeyes the same football scalping they administered on the home reservation last year.

The 37 man Indian squad will clash with the Bucks at Ohio Stadium Saturday. Their coach, Chuck Taylor, remembering the 6-0 drubbing his team gave Ohio State last year, was equally confident about the coming engagement.

In a long-distance phone conversation with a Columbus sports writer, Taylor answered, "definitely, yes," when asked if he expected to beat the Buckeyes.

BROOKLYN (P)—Figuring the World Series:

They don't call Enos Slaughter the "Old Pro" for nothing. His three hits Wednesday boosted Slaughter's World Series batting average to .327 with 16 safeties in 49 trips. The 40-year-old Yankee outfielder played in 12 series games with the St. Louis Cards in 1942 and 1946.

Data about today's pitchers: Don Newcombe of the Brooks gave up 33 home runs in 268 innings during the regular season. He walked 46, struck out 137 and completed 18 of his 36 starts.

The Yanks' Don Larsen yielded 20 homers in 180 frames, walked 96, fanned 103 and went the distance six times in 20 starting assignments.

By picking up three assists, Bill Skowron of the Yankees fell one short of the series record for first basemen. The one-game mark is four set by Marvin Owen of Detroit in the fifth game of the 1935 classic.

BROOKLYN (P)—"It's the Dodgers in four," bat boy Charlie Di Giovanna was shouting to anyone in hearing distance today. "They said we couldn't win the pennant, either," babbled the near-delirious Di Giovanna. "We're in"....at 26, Di Giovanna is baseball's oldest batboy—the voice of experience, so to speak.

Playing the percentages doesn't always pay. Yankee manager Casey Stengel used four pinch-hitters, three lefty hitters and one righthanded-hitter against righty Sal Maglie. Bob Cerv, the righty, was the only one to produce. He singled in the sixth.

FREMONT'S Fifth Quarter

With Ross at the halfway mark on the season's slate and St. Joseph's over the hill and on the way down the other side, gridiron from both schools comprise the vicarious march. This week end Ross and appears Friday in Elvira to meet the Pioneers in a Buckeye Conference meeting with kickoff at 8 p.m. St. Joe's is also on the road going to Tiffin Saturday night to meet Calvert at 8 p.m.

St. Joseph's Boosters meet Monday night after the church services in the old cafeteria, second floor. Ross Boosters have the regular Tuesday session slated at YMCA, starting at 8 p.m. Game films will be shown at both meetings. Teams such as Fremont's deserve support in the booster ranks. Attend the meetings this week and always.

Ten games have been played this campaign by the schools combined, and a victory in every start. It's a wonderful trend. Keep up the excellent work, Little Giants and Crimson Streaks.

News-Messenger readers were provided a picture of both high school games Saturday, an at-

complishment that Staff Photographer Bob Gebauer was able to complete because he willingly divided up a night's assignment between Strobel Field and Harmon Field, alike. His schedule clicked, consequently the camera shutter clicked also at both locations. Tip of the hat to Gebauer for his appreciated efforts.

We wish there was room for all the stars things that could be said about the players, but capping the climax in Sandusky was the most pass interception of Ken Stull. Ross end, to start his makes on the "new spirit" to victory.

Over in the St. Joe camp, Tom Hoffer and Jim Bruggeman recovered Clyde fumbles to charge the Crimson Streaks' batteries with the needed spark.

hold on St. Joe scoring with five TDs in five games.

We were told that following the Ross-Sandusky game, Bill Smiley, Little Giant halfback, commented to Principal C. R. Cooper, of Ross, that the game which ended 23-7 for Ross was one of the finest in sportsmanship that Smiley had ever played in over the years. That's the way we like to report them, and with fellow of Smiley's personality and temperament playing in them, we're certain that the future games will hold similar reports.

Man to our left in Strobel Field's press-box was Chet Sullivan, writer of the Toledo BLADE, who covered the instructional classic. With about 1.30 minutes remaining in the final period we said aloud that we'd like to see the Little Giants clamp on that final touchdown, making it one in each period. Sullivan, mindful of the return trip to Toledo and the terms that would have to flow from his typewriter until early hours of Saturday morning, said: "Not yet, make it the last couple periods, so we can keep this game going right along." Guess Jim Tiller and Clarence Glover are mind readers. You couldn't have ever had a closer TD finish than that one.

Terry Mosser's point after touchdown from placement string was snugged when he tripped up at the line No. 13 attempt. Well, time to start a new string now.

If those folks would have had their way at Strobel Field and knocked down the south goal post after Ross' fourth touchdown against Sandusky, there wouldn't have been any upgrits for Smiley to shoot for on the PAT conversion.

Officials and police did right in stamping the "enthusiasm." Funny thing, about 7,500 fans were at Strobel that night and only about 15 or 40 were more "enthusiastic" than the rest and had to get ahead of themselves. Hats off to the others, who got hat as much from

Women Keglers Beat The Champ's Men Miss Laurels

Five women in the Fremont area may claim the distinction of "I Beat The Champ" laurels, but none of the local male bowlers may gain credit for such honors, according to statistics received Monday from Paramount Alley, where the only competition was held.

Local champion Anita Catalina, the woman bowler to beat, rolled out at 300 in Chicago Sunday.

Local entrants in the Red Cross benefit event to top this mark were Frankie Otter, 60; Blanche Diamond, 64; Marg Mueley, 61; Alma Vickery, 60; and Mary Bennett, also with a 60.

Bill Lillard, men's champ, had a 728. Closest competitors here were Martin Birchholz with a 719; Augie Peller, 704; and Jim Forsyth, 691.

Jones said that 231 entries were registered at Paramount, with a donation of \$162.50 going to the Red Cross. Fifty cents entry fee was charged per bowler.

The event across the nation Sunday was the climax to National Bowling Day, jointly sponsored by the Bowling Proprietors Association and the Red Cross.

While we were covering Ross games, on the same night Jerry Gabel and Virg Rakes have covered statistics for us at the Genoa. Elmore and Clyde games for St. Joseph's. A tip of the hat to them, and to Bob Galligan, N-M circulation chief, reliable helper in many games. It's not an easy task to be chalking up statistics for your favorites when the others are cheering. One advantage though, you don't have a sore throat in the morning.

With 15 TDs to his credit at the halfway mark, Tiller has as many this year as he had for the full 10 games last year.

Tip of the hat to Virg Maloney, athletic director and vice-principal at Sandusky, for his concern over the accommodations in the press box. He made sure everyone was taken care of for space, etc., then an aide of his took over and picked up order for coffee, coke, etc. for the working press.

In the Ross-Sandusky series the Blue Streaks have the overall "fat" lead since 1895, but in the last 15 years, Ross has won nine Sandusky four, and there were two ties. Since 1941 when Ross snapped 10 game streak of wins for Sandusky, things have been going mostly the way of Fremont.

That's it. Attend the Booster Meetings, and see you at the games.

FINDLAY, O. — There was a new sort of Trojan horse at work Friday night in Donnell Stadium in the form of the Little Giants of Ross high school, who behind the five touchdown scoring spree of Left Halfback Jim Tiller, ground out a pulverizing 53-6 victory over the Trojans of Findlay high school.

In going out for their fourth win of the season and 14th straight since they started out on opening night of 1935 with a Lima victory, the Little Giants of Coach Mal Mackey successfully opened defense of the Buckeye Conference title. Findlay in the meantime was given loss number one in the league and the third in four games.

Action was immediate for the Ross scorers. Roger Sands kicked off to Ross, ball being downed on the Little Giant 37. First play from scrimmage Bill Smiley carried for two yards. Then Tiller took the next play and went off left tackle for a 61 yard haul for a touchdown. Only 48 seconds of the game had elapsed.

A combination of a bad pass from center and a partially blocked kick contributed to

Smiley's attempt that failed on the point from placement.

Beebe Schneider, back in the starting role of quarterback went 51 yards with 7:20 minutes of the first period remaining for the second score. Smiley's boot was no good. Ross lead 12-0.

On The Way Again

Less than a minute and a half of the second period was gone when Tiller was away again on his Trojan horse, headed down field for 67 yards this trip and the third TD for Ross. Smiley booted the point. Ross 19-Findlay 0.

Findlay took over for three downs after kickoff and Sands punted a bad offering that went out of bounds quickly,

netting only four yards in the statistics. With the ball on the Findlay 35, John Level, at fullback, went on first play for 35 yards and the fourth TD. Smiley hit the uprights with the PAT. Ross 26-Findlay 0.

Midway in the second period Ron Shawl worked into the line-up at quarterback. With 6:34 remaining, he unleashed a pass that Tiller gathered in and turned into another touchdown, his third. The play covered 55 yards in the air and on the ground. Smiley converted. Ross 33-Findlay 0.

Ross scored two more times in the third period. Tiller went one yard on a plunge for the first, and Smiley's PAT booted. Findlay took over again and on the fifth play (after a five yard offside Ross penalty netted Findlay a first down) Jerry Sink faded to pass. He did. But Tiller intercepted on the Findlay 49 and went the distance for the score. Smiley hit for the PAT. Ross 46-Findlay 6.

Final Touchdown

Nightcap of the night's scoring carnival came when Shawl scooted 23 yards with 52 seconds of the fourth period gone for six more markers. Smiley booted the point and that was the ball game. Ross 53-Findlay 6.

Figure it out any way that you will, the Findlay fans saw a real team in operation in the Little Giants. Spectators who saw Findlay lose a last minute decision to Toledo Scott last Friday were amazed that their Trojans would be victimized in such fashion last night.

But the fireworks were touched off quickly by the Ross players, and before a lot of folks had their places (about 5,000 was the crowd estimate) Ross was off and running.

Aside from the team victory, Tiller's presentation was a spectacle of versatility to the

Two more Little Giants were introduced into the scoring column for the season when Level and Shawl displayed their wares in fancy runs to the goal.

Right now Ross has 23 TDs scored in four games. Tiller has 14 of them.

Ross coaches worked into the game pattern which saw all the players in action with exception of Jack Parish, tackle, who because of a back ailment was not suited up last night.

Findlay was a potential threat which caused consternation in many circles in town prior to the game. What about that Trojan aerial attack, they wondered? Well, it didn't tell last night because of the 16 passes attempted, they completed two and four were intercepted. The Trojans made 33 yards in passing. Ross, which isn't touted too much as an aerial team, had five attempts with three com-

Gibsonburg Knocks Off Elmore, 21-12

ELMORE, O. — Gibsonburg's Golden Bears balanced the books Friday night against the Elmore Bulldogs by picking off a sharp 21-12 win. Record for Coach Herb Redding's charges is now two wins, two losses, with a win and a loss in the Sandusky Bay Conference.

First period Walt Elmer, fullback blasted over from the three and Bob Shull, end, made the placement kick. On a cutback in the second period Shull went 56 yards working out a 13-0 lead at that point. He then added the conversion.

Rex Ohi, Elmore's fullback, hit for a 45 yard run, and the conversion point was tried on a run and missed.

Anthony Ruggerio lumbered over from the five on a quarterback sneak for the final Golden Bears TD. Shull booted the point.

A Gibsonburg fumble on their 14 yard line set up Elmore's final TD as Coach Bob Netz's Ohi again hit for the score several plays later. Another run for the point was smothered.

Gibsonburg made 14 first downs to nine for Elmore and Elmore turned the yardage gained tables getting 260 in the air and on the ground to 227 for the

TALKS CARS

YOU CAN'T HAVE THIS CAR YET

In recent years there's been a great rash of "dream cars," cars of the future and "experimental cars" turned out, cars that seem to have everything possible, and things that are impossible, added to them. I'm told that one of these cars of the future will have a built-in pair of legs—when a policeman comes along to write out a parking ticket the car stands up and walks away in a huff.

Well, some of these dream cars seem just about as fantastic as that.

The other day I ran across Ford's new experimental car, the X-100. The first thing that impressed me was that this car still looks like a car. It combines the best of hard-top convertible and sedan. A roof panel of clear plastic slides back from the driver's compartment and disappears into the fixed rear roof section of steel and aluminum. This is a convertible, so it has leather upholstery—but electric

Jackson, Ex-Fostorian, Suffering From Polio

BOWLING GREEN, Ohio (A)—Carlos Jackson, All-Mid-America Conference halfback at Bowling Green University, is suffering "a mild case of polio," a university physician said Wednesday. Jackson, 26-year-old junior from Fostoria, will remain in school but will not play football this year.

Pioneers To Host RHS Friday Night

Victory number six will be the target Friday night at Elyria. The Little Giants of Ross high school appear in Ely Stadium of the Pioneers to meet Coach Bill Barton's Pioneers in the drive to bag another Buckeye Conference victory as well as keeping the current win streak of 15 games alive.

Kickoff will be at 8 p. m. Coach Mal Mackey's squad and the boys of Barton have had two common opponents to date thus far. Elyria lost to Sandusky, 21-6. Ross topped the Blue Streaks, 25-7. In the Cuyahoga Falls games, Ross won 38-7 while the Pioneers were also victorious by a 27-14 margin.

For Elyria, the game Friday offers the opportunity, if victory is won, to move into 500 ball for the season at three wins and three losses. In conference play, the Pioneers are still shooting for the first win, having lost also to Marion Harding.

There's everything to gain for the Pioneers in victory, and plenty is on the line for the Little Giants, defending league champions.

Elyria has gained 92 points in their five ball games while giving up 94; Ross scored 175 points to date while holding the opposition to 33. It looks like this game won't be one of just a couple touchdowns. Some scoring power looms on the horizon.

Mackey's squad, in good shape physically after Sandusky, and bent on showing an improvement following in the wake of some newspaper commentary relative to the output against the Blue Streaks, will line up the same for the starting offensive players.

Following practice Wednesday, Mackey felt that starting positions would remain the same Friday night with Bob Heleman moving back in at the fullback starting spot rather than John Level, starter at Sandusky. Heleman got a bruised arm at Sandusky, but is getting back into the swing of things.

Jack Parish didn't work out Wednesday, favoring a bout with the flu but Mackey figured him to be ready for Elyria.

Working on a split T offense, Barton, who is in his second year as Pioneer coach, will have a veteran crew on hand.

Jack Bolinski, at quarterback, has tossed 36 passes to date, completed 19 for 311 yards. Left halfback Jack Machock, a senior, is co-captain and has scored eight times. Bill Brown, senior right half, has scored two TDs to date. Bill Mrukowski, the only non-letterman of the backfield, has 162 points of drive from the fullback slot.

Brown has a ground-gaining average of 8.3 yards net to lead the Pioneers. Chuck Stiles, listed as understudy to Brown, has a 6.1 yards. Machock averages 6.0 on 67 carries and 401 yards.

Bolinski, a junior, has been doing the point from placement work and has eight good boots in eight tries.

Doubtful Starter Zig Palagyi, a senior guard, has been out the past three games with an injury, and his appearance as a starter Friday is still listed as doubtful.

Ted Gottfried, big 6-4 end weighing an even 200 pounds, is the pass-receiving threat. He's gathered in nine for 183 yards, while his running mate at the other end of the line has five completions for 86 yards.

Dick Novak, substitute quarterback, has been doing the punting, holding a 31.6 yard average at the present.

Summing up, the Pioneer squad of 39 stalwarts, with 12 lettermen in the ranks, are gearing machinery to shoot for the "spillers" role in the coming meeting, the team that is working toward knocking off the pace-setters.

Friday night will be proof of that pudding, and there is a determined lot of Little Giant players who will have plenty of say-so in the matter.

ELYRIA, O. — Determined Little Giant gridders of Ross high school, following a mediocre first half game, returned to the field against Elyria, after Coach Mal Mackey was stricken with a heart ailment during the half time intermission, and ground out an inspired 37-6 victory over the Pioneers in a Buckeye Conference encounter before 4,000 fans in Ely Stadium.

Every player among them in the Ross second half action and coaches alike, forgot victory strings, state ratings, and records of other sorts, and went out to win for Coach Mackey, who was taken to Memorial Hospital following the attack.

Coach Bob Seale, first assistant, took over the reins of the Little Giants in the second half. Ross went out to add 23 more points and hold the Pioneers scoreless along the line.

It was a team victory again. All five touchdowns were spread out over five players.

Running through the list of scoring plays for the Little Giants in capsule coverage, the parade of five TDs opened with Bill Smiley's 68 yard run which took the ball to the Elyria 20, where Smiley bolted over on next play. He then added his first of five straight points in conversion from placement and Ross was out front 7-0 with 5:05 minutes remaining in the first period, never to be headed.

With 2:20 gone of the second period Beebe Schneider broke through on what started as a

Elyria's Only TD

Bill Brown passed to end Steve Bako for 13 yards and a TD for Elyria's only points and Jack Bollinski kicked and missed the PAT.

Bob Hellman bolted over from the one in the last minutes of the third period to give Ross its third TD and the score was 21-6. Jim Tiller covered six yards for a TD to open first scoring in the final period with 8:45 remaining. After a Tiller fumble and Elyria recovery on the one yard line, Jim Kessler smothered an Elyria play in the end zone and Ross tacked on its first two points for a safety in the past 16 game winning streak.

Fifteen seconds remained in the nighcap quarter when Ron Shawl, in at quarterback for Beebe Schneider, faked a pass, faded to the right and streaked 15 yards for six points.

That was the ball game for Ross.

After two breaks helped Ross to its first two TDs in the opening half, an inspired team came out of the dressing room to roll up 23 more second half points for Coach Mackey.

Ross was only able to get five first downs from scrimmage in the entire first half. They came back in the closing half to grind out 11 more. Meanwhile, Elyria had nine first downs in the open-

Lorain Smothers Sandusky 41-13

SANDUSKY, O. — The power of the Steelers of Lorain bowled over Sandusky's Blue Streaks ball poll, was defeated by 10th Friday in a 41-13 Buckeye Conference conquest chalked up by Coach Art Lave's forces at Strobel field.

The Steelers made marks up a showdown battle next Friday in Fremont when undefeated Ross and the Lorain 11 tangle for the Conference lead. Both are tied with 3-0 records.

Scoring twice for the Steelers was Jim Foley, while Jay Hershey, Paul Raeder, George Belt and Dave Beckwith all getting one TD each.

The Steelers made TDs all times they had held the ball in the first half, coming up with a 28-7 halftime advantage over Coach Left Delaven's forces.

Bob Klein and Tom Reitz, the latter of whom didn't play against Fremont last weekend, scored the TDs for Sandusky. Larry Corso made the one conversion on a run.

Seele Named To Lead Team At Ross High

First Assistant Gets Word From Supt. Rupp At Monday Meeting

Supt. A. E. Rupp announced Monday that Bob Seele, coach of the Ross high's guards and tackles, has assumed coaching responsibilities in the absence of Head Coach Mal Mackey, confined to Elyria Memorial hospital following his heart attack Friday at halftime during the Ross-Elyria game.

Seele, who has been at Ross since 1947 in a coaching and teaching capacity, took over at halftime Friday. He met with assistant coaches, Paul Raines, Jack Decker and John Ihnat, Sunday to map plans for the Lorain game Friday at Harmon field.

Mrs. Mackey said this morning that tests will be made today to determine the extent of her husband's heart condition and if doctors are satisfied with results he may be moved. The coach may be brought to Memorial hospital here sometime Tuesday. If anything shows on the electrocardiograms which will necessitate a longer stay at Elyria, treatment will be continued there, Mrs. Mackey said.

Mrs. Mackey said that it was not known at the time if the condition was a severe heart spasm, or a coronary condition. The tests will indicate this.

Supt. Rupp stated that a substitute teacher has been assigned to teach seventh grade geography at the junior high school which Mackey handled in connection with his coaching.

Sky-High Salary Aim Of Durocher

NEW YORK (AP)—Leo Durocher may be an old fire boss champion at the big, but it'll take a four-alarm fire to get him back to baseball.

All The Lip wants to fill Cleveland's managerial vacancy — if the job is offered — is a yearly salary ranging somewhere near \$100,000 and a piece of the club. The Indians, apparently, can keep the program concession.

Durocher, who retired after managing the New York Giants in 1955, says he's happy drawing a reported \$100,000 a year as a television executive in Hollywood. But he announced Wednesday he'll be glad to hear a proposition from Hank Greenberg, Cleveland general manager.

The Indians need a replacement for the "resigned" Al Lopez, who pulled down a reported \$40,000 a year as manager. Greenberg, in New York on business, disclosed he and Leo had talked over the preliminaries via long-distance telephone. He'll go to the West Coast to meet with Durocher Monday.

SPORTS STATIC

by Dan McCarthy

FLASHBACK ON ROSS BOOSTER MEETING . . .
This department hasn't taken a poll of other members of Ross high's Booster Club relative to their opinions, but personally we're here to assert that the Tuesday meeting this week at American Legion home was one of the finest of this nature that we've ever attended. And, we won't be amiss in stating that our opinion is shared with every man present that night.

Follower of the local sport scene have all the details of the Ross coaching situation, which has Mal Mackey on the sidelines now, with one of the most important games coming up Friday.

In the light of this, attendance swelled considerably Tuesday, and the larger quarters of the Legion home were filled to capacity as Boosters and guests gathered.

The tone of the meeting had to be necessarily different to fit into the circumstances now facing the Little Giant players and the coaching staff, leadership of which has been assumed by Bob Seale during Mackey's absence.

Without one reservation, we write that the Booster club leaders brought out that tone in a well-presented meeting that should not pass without comment in this quarter.

Heartfelt Talk
After President Dick Nuhler and Bill (Biz) Driftmyer got the routine procedure covered, Neil Berlekamp, who served as president two years ago, presented an account on Mal Mackey and was tremendously effective in his effort. His commentary was a moving, touching consideration of all phases of the Little Giant situation at the present.

Berlekamp completed his talk, cognizant of the needs of our in-recession with Almighty God, "to whom we turn when all else fails." And from that juncture, Rev. Forrest Anderson, of the Assembly of God church here, and father of a Ross high griddier, Bob Anderson, led the assembly in a brief prayer for assistance in Mackey's recovery and return to the community.

Paul Raines, first of the two coaches to speak, emphasized that the team this week is playing from the heart, the real tools of football.

Seale said that now more than ever, folks are beginning to realize that coaches and players work alike as a part of a family. "We know the importance of working with these young men at the high school level," Seale said, "and the realization of this is part of the answer to why a man un-

FHS Watchword:

'Win For Mackey'

Clear the decks at Harmon field for the best action the Buckeye Conference will see this football campaign when the Little Giants of Ross host the Steelers of Lorain Friday with kickoff set for 8 p. m.

This is the number one offering in that in the minds and hearts of the Little Giants players and their coaches, Bob Seale, Jack Decker, Paul Raines, and John Inhat . . . this is the ball game where the football personnel of the Purple and White will extend themselves to the utmost in efforts to make it a victory for Head Coach Mal Mackey, confined to Elyria Memorial hospital for treatment of a heart condition.

Upon completion of Wednesday's final heavy drills at Harmon practice field, Coach Bob Seale said that the team is ready physically and mentally.

Seale said that the lineup remains unchanged from the crew that went out on offense against Elyria. Offense drills with a minimum of contact work was on the Wednesday slate, rounding out the week's sessions that opened Monday with defensive maneuvers.

A jam-packed crowd, tops for the 1956 season to date, is expected as Lorain followers will be streaming in in heavy numbers.

Faculty Manager of Athletics John Tittsworth said that 400 extra bleacher seats have been brought over from Clyde and another 300 fixed up from equipment within the school and city here.

Tittsworth estimated the crowd would range about 6,500 to 7,000 comparable to the turnout for last year's Sandusky game at Harmon.

All seats in the grandstand are reserved while the bleachers are general admission, Tittsworth said. Ross Booster members Tuesday evening heard from players and coaches alike that this is the game wherein ratings and records will be secondary to going out to seek a win for their coach, who has been sidelined.

Heart and Spirit
As Coach Paul Raines termed it, the team and coaches will be working with the tools of the football trade, the hearts and spirit of players and coaches alike.

Ross and Lorain are undefeated. Lorain has a tie game, the 13-13 outing with Lakewood on the books. Both have three wins in the conference. Victor Friday takes first place.

Ross came through with second place ratings in all three major areas polls of the state Tuesday. Lorain garnered eighth place. Ross seeks to protect what it has in this respect. Lorain wants to improve its status.

Nine of the 11 offense starters for Ross are seniors; the game will be the highlight of the final season of prep ball for them. Ten of the 11 Steelers are seniors; they, too, won't be coming around this way again in high school competition.

Elsewhere on the page is the tentative roster of starters for Acting Head Coach Bob Seale's charges. Coach Art Lave has announced his tentative list also. Matching of weights is carried below the lineup.

Events leading out of the Elyria game have been unusual for the Ross forces, who had brought home victory for the past 15 games, but this time they brought home one of those intangibles, the spirit and drive to go beyond the call of endurance if necessary to seek their goal.

Coverage of the Lorain manpower was a part and parcel of Wednesday's advance story.

Among Ross Ranks
In the Ross ranks, it was noted that Beebe Schneider had a tender heel at Tuesday practice, but will be ready to go come Friday. Otherwise the locals are ready.

Including Schneider, the remaining seniors of the starting 11 on offense are Clarence Glover, Wes Glover, Jim Kessler, Dan Wasserman, Ken Stull, Bill Smiley, Jim Tiller and Bob Heileman.

Other seniors who will contribute plenty are Pat Shanahan, Jerry Kessler, Fred Lewis, and Tom Manahan. Chip in the under-graduates who'll be back to do justice in coming seasons, and you have a well-knit crew, anxious to get going.

Little Giants, Coaches Gain Victory For Coach Mackey

by Dan McCarthy

News-Messenger Sports Editor

Chalk up that big victory that the Little Giants of Ross wanted to win for Coach Mal Mackey for, the all-important conquest was annexed Friday night at Harmon field when Ross downed Lorain 14-13 in a Buckeye Conference thriller played before slightly over 7,000 spectators.

Two touchdowns scored by Left Half Jim Tiller and the crucial points kicked by Right Halfback Bill Smiley brought home the 14 points needed to keep Ross rolling along a perfect season with seven victories making it 17 straight since the beginning of the 1955 season.

Defensively, you can credit a hard-charging squad of Little Giants for holding the determined Steelers to a point where they uncorked plenty over the evening, but not quite enough to stymie the Little Giants.

The night was rainy at the start, the field and oval slippery, and subsequent fumbles will be debated. But in the main, the win under capable direction of Coach Bob Seale was Ross' and that is the important thing.

The win was the fourth in league play for Ross and gives them at least a share of the title with only Marion Harding standing in the way of their second successive bid for the title. Lorain, on the other hand, has three wins and one loss now. Marion has a 2-1 record and still is in the running, for an outside chance share of the title with Lorain.

The game opened on a damp note from the rains of the afternoon. The slight showers continued through the first part of the opening period. A slippery oval, some tense players, and the fans found their share of thrills in fumbles. Ross lost four, Lorain two. And interspersed throughout the game was a fair share of fumbles that each team recovered to stay out of trouble.

Scoring Review
Looking over that scoring now, the teams battled to a 0-0 count at the end of the first period. However, Ross scored first as Quarterback Beebe Schneider, engineering his steady brand of work in the slot, fired three rapid passes, for 11, 20 and the final was for 46 yards to Tiller, who scampered into the end zone after he got it on the Lorain 14.

Bill Smiley, who has eight straight PAT boots going now (starting with the last TD against Sandusky and five in the Elyria game) booted his first important button. Ross lead 7-0. Three minutes, 50 seconds of the second period remained at the score.

Third period saw Lorain tie the score with a five yard carry of Steve Mikola for the TD and George Belu booted the point with a 7-0 left on the clock.

Then came the Lorain kickoff which Tiller caught on the right and started a southern course just about straight down the center of the field and into the Lorain end zone and the Little Giants had the big TD that counted. Tiller's 92 yard carry was his longest of the season and the first kickoff return that made the opposition wish that he hadn't received it.

Smiley booted the point, and with 7:25 left, (just 15 seconds after Lorain had tallied to tie it) Ross broke out on top again. Bill Smiley, who has eight straight PAT boots going now (starting with the last TD against Sandusky and five in the Elyria game) booted his first important button. Ross lead 14-7. And Homecoming fans were getting worked out the throat muscles, or whatever is used to make noises, loud noises.

Costly Fumble
Lorain was not to be denied, however. Although Ross held them well in the third period, one of the costly Little Giant fumbles set up the final Lorain TD on the Ross 10 yard line after Mikola had gobbled up the errant oval in recovery. Three plays later, when the ball rested on the line after Lorain got a first down on a penalty, Jim Foley cracked the center for the yardage and was in the end zone.

Belu again was called for the point from placement. The ball was wide to the right of the uprights and Ross clung to the slim 14-13 lead that held.

Ross Boosters who were present Tuesday at the meeting heard Eddie Jones Toledo Blade sports writer predict a Ross win with his cryptic "one point is enough, isn't it?" And, by golly, it was.

Ground gaining was at a premium last night. Ross, for example, who had ground out 336 yards rushing in the Findlay game on dry turf (Tiller getting 161 alone to lead) was held to 121 yards rushing against the Steelers, with Tiller leading with 53 yards. It was a slippery night, indeed. Lorain gained 132 yards rushing with Paul Raeder's 50 yards the tops.

Reviewing the highlights: On the opening play from scrimmage, the fumbles began when

ROSS (11)	STATISTICS	LORAIN (13)

2nd	Yards gained rushing	132
3rd	Yards gained passing	121

7th	Interceptions by	1
8th	Yards gained passing	204
9th	Fumbles	2
10th	Yards average punt	20

Mikola bobbled and John Level (who, incidentally, spilled Jay Hershey for two very neat losses when the Steelers failed to pass) and was spoiled for a minus 14 the first time, minus eight the second trip) recovered the ball for Ross.

Bob Heileman and Tiller picked off the only first downs that period on runs of two and 13 yards respectively. Lorain went down to the Ross 12 later when a fumble was scooped up Jim Haley and Ross got out of trouble. The quarter ended just after Pat Shanahan intercepted a Steeler aerial on the Fremont 25.

Lorain Excitement
Second period saw Level drop back to punt, fumble the oval, pick it up, then go 24 yards for a first down. A Ross fumble, however, lost the ball for the Purple and White. Big excitement for Lorain in the second period was the aerial from Foley to Belu for 25 yards to the Fremont five. Two plays later a 15 yard penalty against Lorain got Ross out of a jam.

Clarence Glover caught a pass from Tiller on one of the latter's option plays, either run or pass. He passed, Glover, however, was out of the end zone. Tiller also got back into the end zone for a pass, but didn't get it.

After Ross scored its first TD Raeder got off on a bolt for 36 yards and it looked like a TD in the making. Tiller caught up with Raeder, dropping him on the middle line.

In the third period, Lorain dominated the play, getting four first downs to none for Ross. Aerials to Belu and Dick Pesti for 13 and 10 yards netted two in the crowd-pleasers. If you happened to be a Lorain fan.

Tiller took a punt in the end zone in the fourth period and did some fancy stepping, enough to get back out to the 16 as Lorain forces closed in, but on the first play, Ross fumbled. Lorain recovered and started on the final TD drive that closed the gap to 14-13.

Level and Schneider got fourth period first downs on four and two yard pokes at the line, the last by Schneider carrying Ross to the Lorain 18. As the clock ran out of minutes in the game, Tiller poked up center to the Lorain 10 and that was the windup play of the evening.

The lineup:
ROSS: Ends—C. Glover, Stull; Tackles—W. Glover, Parish; Woessner, Swedersky; Guards—Wasserman, Jim Kessler; Shanahan; Centers—Kohr, Gahn; Backs—Schneider, Tiller, Smiley, Heileman, Haley, Shaw, Level.

Big Assists In Little Giants Victory

HERE ARE A HALF DOZEN ROSS PLAYERS who sparked much of the game Friday as the Steelers of Lorain were defeated 14-13. From left to right are Jim Tiller, fleet halfback who scored both Ross TDs, one on a 92 yard kickoff return; Bill Smiley, whose two points kicked from placement meant the victory by a point; Beebe Schneider, who quarterbacked the boys and rifled one TD pass to Tiller; John Level, who turned in a whale of a defensive demonstration; Pat Shanahan, who intercepted a pass in the first period to start a Ross spark and end a Lorain threat; and Ron Shaw, subbing at quarterback for Schneider and giving a good account on defense.

Message To Mal Mackey

Upon completion of Friday's victory by the Ross Little Giants over Lorain, the following telegram left the city for Elyria Memorial hospital, addressed to Head Coach Mal Mackey:

"It was for you, Fremont 14, Lorain, 13. Best Regards. Your boys and the coaches."

The message was a token of the squad and coaches to their head coach, presently confined to the hospital for treatment of a heart condition following an attack last Friday during halftime of the Elyria game.

Reports from Mrs. Mackey Friday afternoon stated that her husband is feeling better but she expects that his stay in Elyria will be for several more weeks.

Mansfield Cracks Sandusky, 16-6

SANDUSKY, O. — Third ranked Mansfield scored all its points in the first half Friday in Stroh field, gave up a last period TD to the Sandusky Blue Streaks and collared a 16-6 victory over Coach Jeff DeHaven's Buckeye Conference squad.

Sandusky, rolling along to one of its most disastrous seasons, now has two wins, four losses and a tie. Mansfield, scoring on the first time it handled the ball in nine plays, now has six out of seven.

A 51 yard drive for Sandusky netted its TD as Tom Reitz, who didn't see action against Ross due to an injury, passed 17 yards to Jim Wild who went over from the four.

Chuck Taylor went 66 yards on a punt return to score one of Mansfield's TDs. Jim Zivkoff went three yards for the first TD, and a safety, plus two PATs by Ward ended the scoring.

FINDLAY, O. — Scoring in the third quarter on a two yard plunge Findlay's Roger Sands netted the only TD of the ball game Friday as the Trojans knocked off Elyria's Pioneers in a 6-0 Buckeye Conference game.

It was Findlay's second win in seven starts and the fifth loss in seven games for Elyria. Findlay also moved ahead of the Pioneers in the loop with a 1.3 rating to 0.4 for Elyria.

PRO BOWL ON JAN. 13

LOS ANGELES — The seventh annual Pro-Bowl football game, pitting the best players in the Eastern Conference against the Western in the National Football League, will be played in Memorial Coliseum Jan. 13, game director Paul J. Schissler announced today.

Bowling

The men had trouble putting enough strikes together to make any husky scores in 10-pin circles Friday evening, but several women in the fast Paramount Ladies Recreation loop came up with good scores.

Only man to rate mention is Louie Jacksey, of Concrete Products, who converted the very difficult 4-6 split.

Flossie Otney, bowling consistently for Ohio Vending machine Co., turned in a neat 570 at Paramount with two Honor Roll single games.

Several split conversions were listed — Dody Miesle, the 6-7, Joan Bender and Blanche Dymond, the 3-10.

COLUMBUS, Ohio — Otto Graham, former quarterback of the Cleveland Browns, said Friday he isn't sorry he retired after 10 winning seasons with the National Football League club.

"I know some people think my absence has hurt the Browns, but that isn't true," Graham said.

Lorain Loss Only Top 10 Setback

It was a relatively safe and sane football weekend for the Ohio high school teams which enjoy berths in top 10 of the Associated Press weekly poll.

Only Lorain, the eighth-ranked outfit, suffered defeat. At that, only a margin of a conversion separated Lorain and second-ranked Fremont Ross in a 14-13 battle.

Canton McKinley, clinging tenaciously to the top rung on the schoolboy ladder, disposed of Stark County rival Alliance 27-7. Mansfield's third-ranked Tigers downed Sandusky, 16-6.

Behind the Big Three, the results went like this: East Cleveland Shaw, No. 4, blanked Parma, 36-0; Cleveland St. Ignace, No. 5, and Massillon No. 6, defeated Cleveland John Marshall and Warren, respectively, by identical 26-6 scores; Youngstown Ursuline, No. 7, pinned a 34-0 defeat on Youngstown North Jackson, No. 9, stopped Middleport, 23-0; and Troy, No. 10, edged Dayton Fairborn 26-19, in a Thursday night contest.

BUCKS VS. ILLINOIS

COLUMBUS, Ohio — Wisconsin and Ohio State banded into each other today in a Western Conference grid game filled with incentives for each before a crowd of around 8,500.

FIGHT RESULTS

NEW YORK — The Associated Press reminds the Bahamas knocked out Tony Paul Gontak, 238, East Grady, N. C.

Al Lopez Hired To Pilot Chisox

Has One Year Pact Offered By Comiskey

By JOE MOOSHLI. CHICAGO (AP)—Al Lopez, ex-Cleveland manager who made a career of finishing second to the New York Yankees, and the perennial third place Chicago White Sox joined forces Monday.

Lopez accepted a one-year contract offered by Vice President

Chuck Comiskey to manage the White Sox in 1935. Lopez resigned as Cleveland manager Sept. 25 after guiding the Tribe to second place five times since 1931.

In 1934, the Tribe won the pennant under Lopez with an American League record of 111 victories. Lopez, one of baseball's "nice guys" managers, succeeded Marty Marion who bowed out last week as manager of the White Sox.

Meanwhile, Cleveland boss Hank Greenberg went to Los Angeles to talk with Leo Durocher, former manager of the New York Giants.

Durocher, who once said "nice guys don't win pennants," has indicated he would manage Cleveland if the price is right.

Lopez broke into baseball in 1922 and was a catcher with Brooklyn, Boston and Pittsburgh in the National League. In 1947, he played

Mansfield Takes Over In Second; FHS Now In Third

Despite the 14-13 victory over Lorain which tumbled the Steelers out of eighth place in The Associated Press poll to a tie for 18th spot, Ross high school's Little Giants skidded one place this week and now holds third.

Canton McKinley is still king of the roost, and Mansfield, which gained two first place votes to nine for Ross, is parked in second as the two schools did a switch from last week. Both held the same number of first place votes each week.

Oddly enough, Mansfield stopped Sandusky, 14-4, and Ross clipped the Blue Streaks, 35-7, yet the Mansfield crew, gaining more votes in the positions below first, took second.

Ross held its own in the United Press poll, a second place spot. Two newspapers in the northwest Ohio sector that use International

Ross At Home To Marion 11

Harmon Game Takes Football Spotlight

Friday's football action of principal interest to Fremont area residents is the Ross-Marion Harding game that gets under way at 8 p. m. on the Harmon field turf.

Under the direction of Coach Bob Seele and aides, the squad will be seeking to gain undisputed first place of the Buckeye Conference.

Marion is also eyeing the remote chance of winding up with a share of the title, should they get past Ross this weekend and Sandusky next Friday.

Lorain with a 3-1 league rating is still in mathematical contention, but a big Ross high victory this night would put the squash on any other league member's chances.

That's what defending champions, the Little Giants are shooting for tonight, in addition, to extending the 17 game winning streak now under way, the longest in the school's history.

Marshall Lawyers Vs. Ross In Friday Game At Harmon

With their second straight Buckeye Conference title all wrapped up following five wins and no reversals to gain the honors, the Little Giants of Ross high school will conclude the campaign in the next two games with non-league opponents.

Friday night at 8 o'clock on the Harmon turf, the first of the opponents will be on hand when the Cleveland John Marshall high school Lawyers arrive in the city to give Ross a test of a second Cleveland team this fall.

The game will mark the ninth of the season for the Purple and White, under direction of First Assistant Coach Bob Seele, who has taken over for Coach Mal Mackey, recovering from a heart ailment.

Friday the Little Giants aim to improve or maintain their stature as the number three team in the state. They gun, also, for their ninth straight win without a reversal and the 19th over the past two years.

Meanwhile, the Lawyers, piloted by Hal Smith, bring a three win, five loss record here and have that idea of being the "spoilers" in mind. Any opponent of a team rolling out a victory streak had it in mind to do their best to snap the string.

Friday night presents the opportunity to the Little Giants to thwart the invaders' plans and continue along with the winning ways. Heads up ball will do it for the Fremonters, for they know they haven't any room for mistakes at this point in the schedule.

Tiller Breaks Ross Scoring Record, I

Speedy Halfback Has 26 TDs; Marshall Becomes 9th Victim

Quarterback Beebe Schneider Bags Three Touchdowns In Scoring Carnival At Harmon

by Dan McCarthy

News-Messenger Sports Editor

Scoring five touchdowns Friday night at Harmon field in the 52-6 football trouncing that Ross high handed Cleveland John Marshall, Left Halfback Jim Tiller ran his season's total to 26, thereby setting a new school record for a season.

Tiller's total eclipses the mark of 22 set in 1951 by John (Big Thunder) Lewis, who later went on to star for Michigan State University.

The Victory for Ross was the 19th straight and the ninth this season with only Toledo Scott remaining next Friday at Harmon. Quarterback Beebe Schneider scored the other three Ross TDs and Bill Smiley added four points from placement. Approximately 4,000 fans were in the stands to watch the free-scoring game.

Scoring started with 4:45 seconds gone in the first period as Schneider broke over left guard changed his field and bolted down the right side for 52 yards and the opening TD in the long parade to the Marshall end zone. Smiley booted the first PAT with Pat Shanahan holding, and Ross took the TD lead.

Tiller's first TD came with 1:15 left in the first period when he caught a pass from Schneider, play covering 10 yards. Smiley's boot was wide and Ross led 13-0.

Schneider recovered a Marshall fumble on the Fremont 47 on third down for Coach Hal Smith's crew. First play out, Tiller bolted 53 yards for a TD with Clarence Glover throwing an important block to clear the only threat in Tiller's path. Smiley's kick was good, but a holding penalty nullified it. Smiley poked for another kick, but passed, intended for Ken Stull. It was over the receiver's head and no good. Ross led 19-0.

Tiller took the ball on his own five with 4:05 left in the third period and raced in fancy-stepping fashion the 53 yards to his 24th TD of the season and Ross' fourth for the night. Smiley made the kick good and Ross led 26-0.

With 21 seconds left Marshall scored its only TD when Fred Loeffler went for a two yard plunge and the score Duane Bernard missed the point try from placement and the teams entered the half with Ross leading 26-6.

Rifle-like scoring featured Ross in the third period as Schneider took the opening kickoff on his 25 and ripped up center for 75 yards and the TD, much to the continued enjoyment of Ross fans who were seeing a good show of long runs. Smiley booted the point and Ross had the 33-6 lead.

Tiller's turn next in the TD parade... this time he went 63 yards with 6:30 gone in the third period and with Smiley's kick splitting the uprights, Ross led 40-6.

Stull recovered a Marshall fumble on the Fremont 39 and Ross started TD yard again. With 1:45 left in the third period, Tiller went 16 yards for the six points; Smiley missed the kick and it was 46-6, Ross.

Scoring Ends
Schneider, who opened Ross scoring, also ended it with 3:10 minutes gone in the final period. He intercepted a Marshall aerial on their 47 and lumbered 33 yards for the score. The kick was no good. And things came to a halt in the scoring carnival with Ross holding the big 52-6 bulge. The total was just one point short of Ross' highest scoring game in 1956, when the Little Giants handed Findlay in 33-6 style.

The victory was the third that First Assistant Coach Bob Seale and his aides have registered since Head Coach Hal Mackey was sidelined at the half of the Ross-Elyria victory.

Despite the top-heavy scoring, Ross reserves worked into the game beginning at the third period and the bench was cleared with all players who were suited up seeing action.

Ross went out to a new yardage gained from rushing total. They picked off 466 yards, an increase from the 396 yards of the Findlay game. Tiller went for

263 yards, bettering his mark of 161 against Findlay. Schneider picked off 119 yards last night from scrimmage and John Level, who showed well on the offense defense, too, churned up 77 yards, with a 42 yard haul his best effort which was a crowd pleaser.

Interpersed with the TDs, Ross had two pass interceptions, both gathered in by Schneider, with one going for the TD. Six fumbles by Marshall paved the way for four Ross recoveries with Schneider, Larry Longanbach, Stull and Shanahan grabbing the errant oval.

Ross had to punt only one time, with Level getting one for 22 yards in the fourth period.

During the second period Ross had only four plays from scrimmage, but two were Tiller tid-bits, one going for his 33 yard TD sprint, the other for the 95 yard run. Marshall got seven first downs to Ross' one in the second quarter, but five of the first downs were chipping off middle-of-the-field yardage and not too much trouble developed.

Tiller only carried 10 times, but his 26 plus average yardage will bulge his year's total when the week's statistics are tallied. Meanwhile, the workhorse of Marshall was Loeffler, who averaged a little over three yards per carry on 28 hauls and his 107 yards gained.

Ross was not a passing team last night, trying six and making good on one for 10 yards and the first period TD. But in the second period Tiller was the chipping off the yardage on the ground, the Purple and White rolled like tanks up the center and around the ends.

In Level's third period carry for 42 yards to the Marshall 16, only Bernard was in the way of him and the TD and the Marshall tackler hit Level on the 16 to end his bid for a TD. Tiller bolted over on next play and the Marshall action only delayed the TD one more play.

Marshall ended the season with three wins, six losses.

The lineup: ROSS—Ends—Stull, C. Glover, Houdeschell, Clinebell, McCarthy, Lozano; Tackles—W. Glover, Manahan, Parish, Arndt, Woessner, Nitschke, Coleman, Swederski; Guards—Wasserman, Shanahan, Sprunk, Kessler, Longanbach, Young, O'neal, W. Tiller Turns Corner For TD Territory

PLEET HALFBACK JIM TILLER, holder of the state 100 yard dash title with 9.8 seconds last spring, turned on the speed in fine style Friday, getting five touchdowns against Cleveland John Marshall as Ross won 52-6. This is Tiller's second TD which went for 33 yards. Bob Marcell, Lawyer halfback (50) tries to stop Tiller. It was a futile task.

Local Hunters Home With Their Trophies

Clarence (Shorty) Paulus, one of the city's top hunters, came home from northern Ontario Thursday with a moose and a deer, fruits of a trip he, his wife and Mr. and Mrs. Carl Kettner took. The Kettners brought home a deer.

Paulus attracted a lot of attention Thursday morning when he parked his station wagon in front of The News-Messenger office. The rack and half of the moose carcass were on top of the station wagon with the deer, while the remainder of the 1,200-pound animal was inside.

Paulus said the moose was shot at the edge of Johnson's Lake. The hunter said the animal appears to be about three years old. Last year Paulus came home with a bear.

LAKES LADIES LEAGUE

SCHEDULED TO SEE ACTION in their last game as high school players are the 13 Little Giants above who'll be suited up for the Toledo Scott game. All are seniors looking ahead to June graduation. In the front row from left to right are Bill Smiley, halfback; Jerry Kessler, halfback; Bob Heleman, fullback; Ken Stull, end; Jim Kessler, guard; Pat Shanahan, guard; and Jim Tiller, halfback. Back row, Fred Lewis, end; Clarence Glover, end; Burdette (Beebe) Schneider, quarterback; Tom Manahan, center; Wes Glover, tackle; and Dan Wasserman, guard. Schneider and Wes Glover served as co-captains this season.

13 Seniors In Final Action In Ross-Scott Tilt Friday

Gridders of Ross high and Toledo Scott, who are seniors at their respective schools, rank heavily this coming Friday when the Little Giants move out against the Scottsman while Willie Brown, the Bulldogs in the final game of the season for the Purple and White.

Thirteen of the little Giants shown in the picture on this page, will be seeing final action as prep players. In the Scott squad, 20 players are seniors, who'll be in Fremont for the last time, playing on the Harmon turf, that is. On Thanksgiving Scott plays its last game, against Toledo Waite.

Kickoff for the game Friday is at 8 p. m. For Ross, it's game number 10 of a season that has been highlighted with victories in the results column. Nine thus far have extended the Buckeye Conference champions winning streak to 19.

It's a new school record for the Little Giants as it stands now, and the current team is pointing toward a triumphant outcome to the season's endeavors. A win over Scott would bring the achievement sought.

Watson A. Welever, athletic director at Scott, sent along the following roster of seniors who'll be seeing Fremont's field as players for the last time: Kenny Campbell, John Cole, Charles Sumner, George Hughes, Bill Cook, Charles Cook, Tom L. Smith, Willie Brown, Ernest Wright, Andy Holyfield, Melvin Jones, Gerald Sautter, Herman Martin, Henry F. Allen, Jerry Lee, Langston Harrison.

On offense, and defense, Wright is the standout of the line as a tackle. Paul Arndt, not listed among the starters, is a sharp linebacker who's expected to see action.

Among the backfield starters are Carleton Allen, at quarterback, who's small, 5' 6", and weighs in at 150, but his work at the slot is steady as it goes, according to the reports of Ross scouts. He won't run much, but here's some of the talent that will, and, the scouts testified, there's speed in the backfield.

Cole at left halfback is light, too, 150 pounds, but will have spark to spare. He's a senior along with Willie Brown at fullback. Richard Allen, a junior completes the backfield at right half.

Along the line there's Tom Smith, senior and Melvin Jones, senior; tackles include Andy Holyfield and Wright, both seniors; guards are Gordon Campbell, junior; and George Hughes, a senior. Center is Langston Harrison, a senior.

Among the squad of 12 lettermen, there are eight seniors in the starting lineup as announced by Welever.

Bowl Bid At Stake For Iowa Gridders In Buck Clash

CHICAGO (AP)—Ohio State aims its league-leading attacking force Saturday against Iowa, one of the Big Ten's defensive leaders, with a share of the football title and assurance of the Rose Bowl trip at stake for the Hawkeyes.

Official conference statistics today show how the teams line up on paper for the important showdown at Iowa City.

The Buckeyes, who set a new one-game record for rushing with 465 yards against Indiana last week, boosted their average to 328½ yards per game, 308 of them on the ground.

Next to Ohio State in rushing is Illinois with a 239.2 average.

Second to the Buckeyes in total offense is Michigan State with 323.8. The Spartans have averaged 225 rushing and 98.8 through the air.

A feature of the Buckeye attack is an average of 4.9 yards for every rushing play. They have averaged 62.5 ground plays per game, a Big Ten record pace topping the mark of 61.5 by Ohio State in 1944.

Statistically, Iowa is one of the best equipped teams in the conference to check the Buckeyes' bid for an 18th straight Big Ten victory and an unprecedented third successive undisputed title. The Hawkeyes rank only fifth in overall defense, but have been particularly rugged against a running game, giving up only 144.5 yards a game. Purdue is No. 1 in this respect with a yield of 108.4.

Two County Fives Set For Friday Night Play

Sandusky county schools, which have the jump on other area cage teams are listed for some Friday night action.

Coach Bob Gwin, of York takes his Panthers to Republic for their second game, after losing the opener to Hopewell-Loudon by a 36-45 margin.

Woodville's Warriors open the season with a contest on their floor against Pemberville. Coach Kent Eyer has an ambitious 18-game schedule ahead.

Ross Win Streak Highlights On Film Slated For Banquet

Purdue's Red Mackey Is Featured Speaker On Monday Program

In addition to the appearance of Guy (Red) Mackey, Purdue university athletic director as guest speaker, film highlights of the 20-game Ross Little Giants' football winning streak will be featured Monday at the football testimonial dinner honoring the team and coaches.

Sponsored by the Ross Booster Club, the dinner gets under way at 6:30 p. m. at American Legion Home. Serving as master of ceremonies will be Neil Berlekamp, a past president of the Booster Club during the 1954-55 school year.

Berlekamp said that Jack Zink has edited the films of the past 20 games and completed a 1,000 foot gridiron story that will give the scoring plays, long runs, defensive gems, and other highlights of the victory streak. Zink will also give the commentary. Film will take about 40 minutes for presentation.

Some plays will be single runs,

others will be in sequence leading up to key touchdowns or defensive maneuvers.

In charge of ticket sales is Phil Keller. Also on the committee for the dinner arrangements is Al Baumann.

Dinner opens with the Little Giants leading the attendance in the Lord's Prayer. President Dick Nuhfer will give the address of welcome.

Supt. A. E. Rupp is to present a tribute to Head Coach Mal Mackey, recuperating at his home from a heart ailment. Mackey started the Little Giants on the winning streak, first game of the 1955 season, and it was in the half of the Elyria game that his attack sidelined him, and Coach Bob Seele and aides took over from there. Coaches Jack Decker, John Ihnat and Paul Raines are assistants. Mal Mackey will not attend the dinner.

Principal C. R. Cooper will extend the school's congratulations to the team and coaches. Seele is scheduled to introduce coaches and players.

The film presentation follows these introductions. Capping the climax will be the talk of Mackey.

Tickets are available from Keller, Baumann, or Nuhfer, in addition to Booster club officers.

The film story will be the last occasion for many to see Jim Tiller, Burdette Schneider, Wes Glover, Ken Stull and others of the senior Little Giants who played in their final prep games.

Ross Gridders, Coaches Honored At Dinner; Guy Mackey Basks In Glory Of Brother, Mal

Fremont football fans, numbering 573, turned out Monday to pay honor to Ross high school players and coaches during the Ross Booster Association recognition banquet held at American Legion Home. The evening's program of stellar highlights was a fitting tribute to the team that ranked second place in the state this year, rolled out 20 straight wins, and retained the Buckeye League championship.

Only ad note to the evening was the absence of Head Coach Mal Mackey, recuperating at his home following a heart ailment suffered October 18. However, Mackey sent a message which was read by Coach Bob Seale, and is carried on this page.

And in the absence of Mal, his brother Guy (Red) Mackey, athletic director of Purdue, appeared as guest speaker introducing his talk with the comment that he was "proud to bask in the glory of his successful brother."

The Purdue official, who stopped off in Fremont for a visit with Mal in addition to the evening speaker's engagement, left for Toledo and Chicago after the program. In Chicago he will attend the Big 10 winter meetings this week end.

Boys At Purdue
Mackey recounted exploits of former Ross students who went to Purdue or are going there at present.

MAL'S MESSAGE
"I wish to express my heart-felt thanks to all of those who have contributed so much to our success and for the many kind and thoughtful expressions to me and my family from the coaches and sports writers who have honored me, and to the loyal fans, Boosters Club, administration, faculty, and students of Fremont Ross high school, my entire staff of coaches (the best in the nation), my boys, a truly great group captained by Beebe Schneider and Wesley Glover. They have given us some of the greatest football thrills which will be long remembered. May success come to you in all your future efforts."

Coach Mal Mackey

sent and spoke highly of John Allen, now with the Washington Redskins in pro football. The upcoming Eric of Dave Woloshak, Jim Clark and Dick Coleman, who played freshman ball this fall was mentioned with high hopes expressed by Mackey for their future work with the Boosters.

Anecdotes on players at Ross to day were brought out of the hat to add humor to the proceedings. In serious note, Mackey closed his talk telling of the thrills of a football game as opposed to thrills of delinquency that land some young men in jail.

"Football is release of energy in the right direction," he added.

and the coaching profession is a dedicated life, teaching boys how to pattern a better life for the future. "Courage, heart, ambition, mentality, perseverance and spirit are ingredients needed to succeed in the game."

Bowing out with a personal comment, Mackey said that as far as he was concerned, the Little Giants are number one in the state of Ohio, the state champs.

Following his introduction by Neil D. Berlekamp, master of ceremonies, President Dick Nuhfer, Ross Boosters Association, offered remarks of welcome and expressed the club's appreciation for assistance in sponsors for the banquet and to those who aided in transportation of players throughout the season.

Supt. A. E. Rupp emphasized the nine conference wins out of the last 10 years of play, pointing out that the majority of the opponents were from schools with larger enrollments than Ross. In his tribute to Mackey, Rupp said the coaching record is "truly remarkable." Rupp read a telegram from Bill Levy, International News Service sports editor, who addressed his message to the gathering and offered congratulations to Mackey and the school on Mackey's winning INS coach of the year laurel.

The Fremont superintendent expressed the sentiments of all Ross followers when he wished a speedy and complete recovery to Mal Mackey.

"One In Our Hearts"
"Fremont Ross players and coaches are number two in the state and number one in our hearts," Principal C. R. Cooper said in his remarks. The unanimous feat of 20 straight wins was amplified by him and a tag of a "team of champions all the way around" placed on the Little Giants. Receiving plaques of opponent schools for sportsmanship, clean play, and wonderful hospitality while in Fremont were mentioned also by Cooper as a gratifying reward to the school.

Cooper cited instances where an army folds when the general falls.

Booster Committee
Al Baumann, general chairman of the banquet committee assisted by Berlekamp, Phil Keller, Don Baker, Jack Zink and Hank McMillan, introduced the guest speaker. Zink presented the highlights of Ross' 20 game winning streak on film, and from the play by play of Booster member Al Coxon, drew up the narration and editing of the film.

Entire evening's program was put on tape recording by WFBO and the permanent record was presented to Mal Mackey to be played in his home.

Hornung Wins Heisman Trophy

SOUTH BEND, Ind. (AP) — Paul Hornung, the one bright spot in Notre Dame's most disastrous football season, Tuesday was awarded the Heisman Trophy as the nation's outstanding college football player of 1936.

Hornung's first reaction to receiving the trophy, established in 1933 in honor of famed coach John W. Heisman and awarded by the Downtown Athletic Club of New York, was to give credit to his teammates and coaches.

"I am grateful to Terry Brennan and his coaching staff and to the team as a whole — they deserve credit for making it possible for me to have a chance for such an award," said Hornung.

The senior from Louisville, Ky., started the season at quarterback but later was forced to play halfback and fullback because of thumb injuries which hampered him in taking snap-backs from centers.

Hornung became the 22nd winner of the trophy. Jay Berwanger of the University of Chicago was first and Ohio State's Howard Cassady won the award last year.

Hornung took issue with critics who accused the Irish of showing lack of spirit in losing eight games and winning two. "We had the spirit to win all the way this season," said Hornung. "But after losing the opener to Southern Methodist, maybe we lost a little confidence in each other."

"I think Brennan did as good a job, or better, this year as with his winning team of last season," he continued. "The responsibility of losing should be thrown on the players, not the coach."

Old Fort Downs York In 53-40 Encounter

OLD FORT, O. — Stockaders of Old Fort high school continued the winning ways Tuesday night knocking off visiting York high by a 53-40 margin as Gene Stover set the scoring pace, getting 16 points on eight field goals.

Coach John Ridley's crew doubled the score in the first period moving out front 16-8, then kept the edge through the game. Frank Hiestand bucketed 11 for runnerup in Old Fort scoring.

Bob Weller had 12 points and Jim Shaver 10 for the York Panthers of Coach Bob Gwin, who were dropping their second game in five starts. Old Fort was rolling out to the fourth straight in as many starts.

Other Ross Players Win 'Star Berths

W. Glover, Jim Kessler, Schneider, Parish Gain Honors On Press Squads

In a year of football glory for Ross high's Little Giant football team, gridiron honors continued to come this way as Jim Tiller, fleet halfback and record-breaker, was named back of the year in Associated Press and International News Service polls reported today, and other Little Giants joined him for places on all-star teams released by the International News Service. United Press has not yet released any squads.

Tiller led the top back lists by comfortable margins and was joined by Bob Williams, Canton McKinley, as top linemen while playing end for the Bulldogs.

Tiller made the first team INS selection with another shoe-in vote and places him on two first teams of two press service teams reported.

Here's the lineup of the first and second teams for the INS:

FIRST TEAM

END — Bob Williams, Canton McKinley
END — George Belu, Lorain
TACKLE — Jesse Kyrer, Newark
TACKLE — Larry Whitaker, Wapakoneta
GUARD — Jerry Loftus, E. Cleveland Shaw
GUARD — Jerry Warfield, Sandusky
CENTER — Curt Binkley, Alliance
QB — Ron Grimsley, Canton McKinley
BACK — Jim Tiller, Fremont Ross
BACK — Bill Cooper, New Philadelphia
BACK — Wayne Fontest, Canton McKinley

SECOND TEAM

END — Larry Allison, Canton Lincoln
END — Bill Stine, Toledo Libbey
TACKLE — Wes Glover, Fremont Ross
TACKLE — Grant Wallis, Norwalk
GUARD — Ohi Bender, Canton McKinley
CENTER — Max Urlick, Troy
QB — Roger Reese, Toledo Waite
BACK — Tom Matte, E. Cleveland Shaw
BACK — Bob Ferguson, Troy
BACK — Vic Bradford, Lancaster

Here's the way Fritz Howell, sports editor for Associated Press in Ohio, reported Tiller's No. 1 honors in the backfield to the state newspapers:

"The Fremont Flash, although only 5'9" and weighing 135, ran over, under, around or through everyone as his team howled over 20 straight foes in the last two years. He won the state high school 100-yard dash in 9.8 seconds here last spring, and has been going at top speed since."

Williams, at 6'2" and 193, proved a great blocker, pass-catcher, end-around ball-carrier and defensive stalwart as he became the only all-Ohio repeater from 1933. He was the highest-scoring end in McKinley's long career."

Effigy Of Mather Swings In Kansas

LAWRENCE, Kan. (AP) — University of Kansas Football Coach Chuck Mather, former Marcellin, Ohio, high school mentor, was hanged in effigy on the campus Tuesday.

Last Saturday's 13-11 loss to Missouri in the season finale irked many Kansas partisans who felt their team should have had a tie. Mather took full responsibility for calling the plays which they said were the key to the loss by a safety.

Told of being hanged in effigy, Mather commented: "I'm glad they weren't more realistic and hanged me personally."

Bowl Lineup

By THE ASSOCIATED PRESS

Clemson's selection for the Orange Bowl leaves only a belated windup game between Gator-bound Pittsburgh and unbeaten Miami (Fla.) before college football moves into its final post-season phase.

After a week postponement, the Atlantic Coast Conference chose its champion, Clemson, late Sunday to represent it against Colorado in the Orange Bowl.

That left the major bowl picture as follows:

Rose — Iowa (8-1) vs. Oregon State (7-2-1)
Sugar — Tennessee (10-0) vs. Baylor (8-2)
Cotton — Syracuse (7-1) vs. Texas Christian (7-3)
Orange — Colorado (7-2-1) vs. Clemson (7-2-2)
Gator — Georgia Tech (9-1) vs. Pittsburgh (6-2-1)
Clemson got the nod to fill the last opening after defeating Furman 28-7.

Three OSU Players Gain Berths On East Squad

NEW YORK (AP) — Bill Coffman, managing director of the 32nd annual Shrine East-West game at San Francisco Dec. 29, named the East squad today and said several other players would be added.

Coffman named the following: Fullbacks — Don Dougherty, Kentucky; halfbacks — James Morse, Notre Dame, Terry Barr, Michigan, and Jim Roseboro, Ohio State; quarterbacks, Milt Plum, Penn State; Paul Hornung, Notre Dame, and Abe Woodson, Illinois.

Center — Dave Kuhn, Kentucky; guards — Jack Davis, Maryland; Sam Valentine, Penn State; Jim Parker, Ohio State; ends — Steve Junker, Xavier, Joe Kopinski, West Virginia; Brad Bomba, Indiana; Tom Maentz, Michigan; tackles — Don Owens, Mississippi Southern; J. T. Frankenberg, Kentucky; Robert Hobert, Minnesota; William Michael, Ohio State; Mike Sandusky, Maryland.

Coffman's announcement followed conferences with Andy Kerr and the East team coaches — Terry Brennan of Notre Dame, Rip Engle of Penn State and Blanton Collier of Kentucky.

SOME TOP GRIDDEERS GAIN STATE LAURELS . . .

Caught up in the whirl of post-football season honors, testimonial dinners, all-star selections and the like was the Columbus junior chamber of commerce recognition dinner Saturday at Ohio State University union, where 26 griddeers were honored for their achievements.

This year Wes Glover represented Fremont Ross as the player who merited the distinction through gridiron work and scholastic endeavors. It was a moment to remember for Wes, his dad, Wes, Sr., and Coach Bob Seele, sitting in for Head Coach Mal Mackey, when Ross was given the State acclaim.

Twenty-six young men, a good cross-section of Ohio, walked to the places of honor when they were introduced. And this writer for one got a special warm feeling to be on hand as the laurels came the direction of Fremont Ross in general and Glover in particular that day.

Not only was the occasion one for Glover to remember but those of us who were present from Fremont also will cherish the memory.

PURDUE POSTSCRIPTS . . .

From the campus of the Boiler-makers, Purdue university, comes commentary on Dave Wolshuck, Dick Coleman and Jim Clark, of ex-Ross fame, who played on the 1955 (and years before) team that set up the first perfect football season.

We had inquired of Bob Woodworth, athletic publicity director, on the feats of the boys in their freshman year. Woodworth replied "Freshman Coach Al Parker reports that all three did well on the frosh squad and he is certain they will contribute to the varsity squad in fine fashion when spring drills start." Wolshuck was shifted to guard from center "as the staff feels he is better suited at that position."

About the same time we heard from Woodworth, Don Pierce, who worked in circulation department

of the N-M prior to entering Purdue as a freshman in September, dropped a letter in the mails to this desk.

Pierce enclosed a page from the Purdue Exponent. It listed an account of 54 freshmen who received numerals for their work during the past season. Among them were Wolshuck, Coleman and Clark, with Sandusky's Jim Schwanger and Phil Kuebbeler, of Toledo Waite on the list.

BOWLING ALONG . . .

News-letter from out of the offices of the American Bowling Congress in Milwaukee is plugging the seventh annual ABC Masters tourney set for Fort Worth, Texas, April 13-17. A kegler familiar to Fremont lanes is Dick Hoover, of Akron, listed as defending champion . . . Incidentally, a Milwaukeean by name of Ned Day who has carved his name in kegler fame already, is one of 12 bowlers who are expected to join the 25 Year Club in the ABC in 1957 . . . William Hull, Defiance, O., is another . . . Ever wonder how many ABC memberships figured in the 1955-56 season? We learn that 47,252 leagues and 438,424 teams were registered by the ABC . . . Fremont chipped in with its share.

WANTED: REACH GUIDES . . .

In an attempt to build up his file of Reach and Spalding official baseball guides, William Puckner, 83-68th street, Guttenberg, New Jersey, is looking for back issues that might be in some attics. The books were published from 1877 to 1941. He writes, "as the Fremont region has always been baseball-minded there may be some of these books in the hands of folks which are gathering dust, lying in the way around the house. I will gladly reimburse them if they have any copies to offer."
