

1919 Season review...

The high school football squad took its first practice of the season on the court house lawn Wednesday evening. The squad that reported to Coach Vandersall numbered 30 men. The recruits are of good size and old Fremont high will be represented by the best grid team that it has had in many a year. The majority of the candidates have had experience and they are full of pep and high spirits. The battle for positions on the varsity eleven promises to be quite merry.

Fremont high's snappy football squad is about all set for the opening doings of the season in their favorite pastime. The Greenspring student team will be the contender for honors in the initial game of the season in Fremont next Saturday afternoon and most all of the F. H. S. candidates will obtain an opportunity to show their worth in scrimmage work. Capt. Frank Foster, who has been out of the game for a week or more with a badly wrenched ankle, will start the game at his old position of quarter. Indications are the Fremont varsity election will make its class known when its stacks strength against some of the other highly touted teams in the Little Big Six this fall.

F. H. S. GRIDDERS WILL BE REWARDED FOR EARNEST WORK

One of the greatest football mass meetings ever held in Fremont high school circles, was in order in the big auditorium Friday afternoon. The students were called upon to rally about the school colors and boost for the team in the initial game of the season with the Scott high reserves of Toledo, Saturday afternoon.

The students put on a tag day stunt and each and every person who purchased a ticket was tagged and dolled up with a pretty pink placard. Figuring the number of these cards that were seen on the streets it can be taken for granted that a pretty penny was collected as a result of the campaign.

During the session, several speeches were made and one of the hit talks was put over by Capt. Hank Foster. This person gave the students some first handed football pep and ended up by giving each and every member of his team a nickname that will probably stick as long as the players remain active in athletics.

No cheer leader was appointed Friday but several prospective candidates were tried out. The students will be out enmass on the side lines Saturday afternoon to cheer their favorites to their best efforts.

Coach Warren Vannorsdall announced Friday that each and every man on the football squad would be given an equal opportunity to battle for a big prize. The eight gridders who develop the best physical condition and show the best mental powers in their studies will be taken to Ann Arbor, Mich., to witness the U. of M. battle with Ohio State university. This is a great inducement. Watch the birds work.

The bout with the Scott high team will give the public some insight on the real power of the F. H. S. eleven. The Toledoans will no doubt have some first string men in the lineup but they will be given a battle all the way. The first game was played on the new H. A. C. field, corner of Stone and Napoleon streets.

Roberts	Center	Murphy	The first scrimmage was fast and furious but end skirting was nil as
Wendler	Right Guard	McGormley	Little Big Six will need pick handles and husking pegs to down this Coach Vanorsdall outfit if they keep up their present clip. This also means Lorain, the pick of the field at present.
Huntzel	Right Tackle

Timekeepers	C. Pappeneffos, Fremont, Ted Major, Toledo.	Time of quarters, 10 minutes. Touchdowns, Clyde Christy and Bill Becker. Attendance 1000.	

Fremont-Scott Reserves

Fremont high 13, Scott reserves 0.

The above is the glad tidings of a game of the grid kind that went beyond the fondest expectations of the most skeptical F. H. S. rooster and likewise that sent the under graduates of the grand old institution of learning almost off their nannies with real, regular joy. It is really the first time that F. H. S. football followers have had a chance to rejoice in a decade for not since the days of Peach, McGormley, Held, Bert Baumann, the Christy and O'Farrell brothers have local student roosters had a chance to brag about their football team. Believe it, fond readers, they sure have something to yell about this fall.

Those who have seen Coach Warren Vanorsdall's squad do its nightly rehearsal stuff had spread the report about that there was to be something doing in student grid circles and when the purple and white followers rubbed shoulders and nasal organs with the big, Green Herd team the noise grew louder and more pronounced.

The majority of the fans had been disappointed regarding student football teams for the past 10 years and they had to be given a "Missouri" or in other words they had to be shown. They got the view Saturday afternoon when Athletic Director Seibert of Scott high, Toledo, shoved a squad of 25 or more athletes on the H. A. C. field and told them to get busy in warming up.

The visitors came down "disguised" as the reserves of S. H. S., but it's a crock of cottage cheese to excursion tickets to Doughnut Center, Utah, that there were at least a half a dozen first string men sprinkled about in the mass of foreigners that wore the green and white striped jerseys and socks.

The showing when the visitors started to warm up made the most ardent local fan quake in his shoes and smoke his cigarette backwards if he had any jack hingeing on the result of the game. They sure did look all powerful. Don't overlook the fact that these fellows had had the advantage of summer training up at some lake in the pleasant resort region of Michigan where under the personal direction of their clever coach, Pat Dwyer, they had been inculcated with germs of modern football. Some of the germs must have croaked for they surely didn't take in several cases.

A fair sized crowd of fans and non-taxpayers clogged the borders of the field when Fremont kicked off to the enemy and started one mighty sweet little game of the sport that sends boys to Yale, Harvard, Michigan and sometimes to the hospital. The pig cuticle plunked into the bread basket of one of the Toledo backs and breezed for a couple of yards before he was bounced off the earth by a fierce tackle.

The Battle Royal

When the teams lined up shoulder to shoulder the fans got a chance to compare size, weight and strength. The Fremont aggregation is big but Toledo had the bulge, as to size. If the Saturday aggregation is their second team, it stands to reason that they have to take some of the members of the varsity to pieces before they can be tucked in an ordinary bed.

The first scrimmage was fast and furious but end skirting was nil as Wendler and "Bank" Ross were hovering about like a pair of chicken hawks looking for lunch and to split the line was impossible. Toledo insisted and we believe that it was our old friend "Pete" Forsyth, who had gashed the swine right to his chest while massed humanity piled high above and on him. Fremont tried the end stuff and also varied off with line ripping with small gains. A pass from the big mitt of Bill Emmons gained a neat distance and the ball was within scoring distance. After a few useless dashes on the old violin, Harold Boyer went through a hole that would easily accommodate a bargain load of corn fodder. He made the touchdown, the first one ever made on the new H. A. C. field, in exactly four and a half minutes of play. Emmons failed at goal. Score, Fremont 6, Toledo 0.

The remainder of the first quarter was a seesaw affair in which both sides tried with all they knew but nothing was forthcoming on an afternoon of heat where baseball would have been comfortable instead of the sport that feels better in cold snaps. The play during the middle quarters was spirited and full of pepper despite the sweat bringing heat. Emmons, Smith, Bowles, Ross, A. and H. Boyer, Wendler and Coonrod tore off stuff that made fans forget their cheer leaders and even a bunch of geese about to take a "Brodie" in the cooling depths of the quarry, forgot to plunge and joined in the excitement. It is said that they hissed some fellow for making one of those famous necktie tackles.

Capt. Foster, backfield star, had his crippled ankle twisted to such an extent that he was compelled to retire from the field. "Pete" Forsyth, taking the place of the injured Gahn in center, played a whale of a bout. He got rammed in a head on collision and had his gazer knocked out of true but this doesn't bother the lad who had his early training on the old Hayes avenue school grounds. He stuck to his job like a fly into jam and had the complete satisfaction of outplaying a man who weighed at least 185 pounds.

Toledo was down into Fremont territory on several occasions during the middle halves but they were with a scoring distance during these periods. It was wonderful the way the members of both teams acted in the strength reducing heat. They had condition or they would have wilted like paper dolls at a dance.

Mr. Seibert was running in substitutes to succor his sweltering athletes. They came in and went out in such rapid succession that the constant stream of green sweatered players looked like section hands, walking in for their pay. Their services were needed. Fremont also had the subs working. It was in the fog end of the battle that the best and most exciting grid exhibition was displayed. Toledo had the oval pill, working toward their objective at the north end of the field. They appeared to be headed for mid-field to play safe and hold Fremont to a lone touchdown and the last pass that they tossed in the last minutes of play was the exact cause of Fremont's second touchdown. Harold Boyer playing way out on left end intercepted the pass and tucking it under his arm sped over the green for a gain of 20 yards before he hit the dust with a crash. Two or three short gains brought the ball down to the 20 yard line and with another counter in sight the gang went completely nuts. Capt. Foster was again in command. It was a pure formation. The pill was snapped to "Hank" he heaved his long arm and away went the aforesaid mentioned pill into the hands of the fleet Wendler and the rest is history. Wendler had smooth sailing for a touchdown and Emmons kicked the goal. Score, Fremont 13, Toledo 0.

The crowd really didn't realize what the Fremont team had done until the game was over and when the real truth of the affair flashed before their minds from which the battle madness had vanished, there was an ovation for the birds who trimmed a highly tout-

ed enemy. The other teams in the Little Big Six will need pick handles and husking pegs to down this Coach Vanorsdall outfit if they keep up their present clip. This also means Lorain, the pick of the field at present.

The Toledo team was picked from the following aggregation of men and let it be known that there are a few first stringers in the roster. Merriam, Myers, Shuey, Jacobson, Rawlings, Moll, Mitchell, Chapman, Pierce, Simpson, Reed, G. and E. Flues, Hunt, Caldwell, Holmes, Whipple, Vick, Curtis and Winters. All of these men played and in addition there were a few third stringers who made vain attempts to fill up the gaps. Reed, at quarter, is a boaster of no mean ability and he got one away Saturday afternoon that was a beauty of 55 yards magnitude. To pick the star of this outfit would be difficult. They all tried hard and the same can be said for Fremont. They were all stars and played like a football team altogether all the time.

By their showing Saturday, The F. H. S. outfit has endeared itself to the fickle fan and the attendance will be greatly increased as the result of the surprisingly wonderful initial appearance in public. More power to the old high gang. They have it coming.

A. A. SEASON CLOSED

Kansas City Team Clinches Second Place by Defeating Columbus.

Chicago, Sept. 29. — The American association season closed yesterday, the clubs finishing as follows:

Fremont high has a couple of more

cripples in its hospital squad. Before

the big game Saturday, Capt. Foster

was laid up with a sprained ankle and

Gahn, a star center, was off duty with

a badly lacerated hand. After the

game Pete Forsyth, second choice for

center, had his nose fractured, and

Towner Smith, fast back, ran a thorn

into the palm of his right hand. This

quartet of star workers will be on the

shelf for several days but will be in

shape to start the campaign down

the line in the Little Big Six.

Sandusky high school had a great

big picture in the paper Sunday and

The Fremont high school grid warriors accompanied by a vast crowd of rooters will take a turn at the Bradner high school eleven up Wood county way Saturday afternoon. The Bradner outfit is a foe not to be despised. They held the fast Cathedral high of Toledo to a scoreless tie last Saturday.

SPORTS

By Col. O'Farrell

HIGH VARSITY IS READY FOR ELYRIA BATTLE SATURDAY

Notwithstanding that they won an easy victory over the Bradner student team last Saturday, the F. H. S. warriors were out for their regular evening practice Monday. The men came out of the Wood county melee without a mark or a bruise of any kind and the outlook regarding condition for the big Elyria game is wonderful. All of the regulars are ready to get back on the job. Capt. Foster, Gahn, Smith and Forsyth, who were on the hospital list, are ready for the call to battle. Foster worked with the team Monday evening and Gahn was seen in center snapping the ball with his old class.

The best football team that has represented Fremont high school in ten years is in great trim and Coach Vandersdal is satisfied that two scrimmages with the Herbrands on Tuesday and Wednesday evenings will just about set his outfit for the hop off into league

circles next Saturday afternoon.

The clever little Fremont coach has made an important discovery. He has unearthed a gold mine and the claim has already been staked out and recorded as "The Wendler." There are several thousand stockholders in this mine and stock will surely be above par when the season closes. By the new discovery it is meant that the coach has discovered the great possibilities in Wendler, former star end on the varsity eleven. This 17-year-old bird is one of the best bets that has been developed in high school circles since Willard Peach grasped his sheepskin and departed for higher circles. Wendler is heady, fast and of the right build. He has been placed at quarterback and it is here he is bound to shine, if the performance at Bradner is any criterion to the fact. As an open field runner this Wendler persons bursts right out into the big glare of the limelight. He has plenty of speed and a wiggling dodge that will make "Little Egypt" and Ruth St. Dennis go into the "shimmy" dance of a two jitney circuit. Watch this fellow perform in Saturday's game. Capt. Foster has been shifted over to a wing position, where he will make a great running mate for "Bunk" Ross. The remainder of the team is balanced like a

jeweler's scale and there is untold power in the outfit. The second string fellows are also up on the bit and ready for the call any time. Monday evening's work consisted of a little signal practice and a few jogs about the field before the gang was sent to the showers.

Indications point to the largest crowd that has ever seen a high school football game in Fremont when the whistle blows for action with Elyria

The Young Men's sodality of St. Joseph's church, is injecting a bunch of ginger into the basketball outlook for the season of 1919-20. They have already perfected their organization for the season and have a squad of 20 men working out at the "gym." They are positive of having one of the best teams that ever wore the colors and there is a stiff battle on between candidates for positions on the team. New uniforms will adorn the battlers before the season starts and one big year is expected. Any team desiring to book a game is requested to inform the manager of athletics of the Y. M. S.

New Grid Star To Play Sunday With Herbrands

Fremont football fans will have an opportunity to see a noted gridiron performer in action when the H. A. C. football team lines up for action

Elyria and Lorain are still being boomed as the best outfits in the Little Big Six. Bellevue, Sandusky and Norwalk are also being talked about considerably while not a word is mentioned about Fremont high. The local team will burst into heavy type before the season is over with, however. There are quite a few surprises due in the league doings and Fremont will donate a few of the jars.

Bach's

Or We Will"**

Bach's

Fremont, Ohio.

and Alva Halt, of the Kansas City A. A. team, "Red" Thomas will help the Herbrands with his big stick and either Sep Good or Friedley will toss them over.

The bitter truth: Grover Loudermilk, Sox fourth string pitcher, is so wild that when he warms up it takes three catchers and a seine net to hold his service.

**FREMONT HIGH TO
GET ACID TEST IN
BIG ELYRIA GAME**

The greatest football event of the present season for Fremont, will be spread before the o'd general public on the newly manacured H. A. C. field

Saturday afternoon when the elevens representing Elyria and Fremont high schools array themselves for four periods of bruising football. It is the banner attraction of the football campaign up-to-date and one of the largest crowds that ever saw a high school game in Fremont, will be hanging over the side line fence to view the plays of the padded gladiators.

The newly organized F. H. S. Booster club members will be on hand to cheer for their favorites while the student rooters will be banked up on the bleachers, where, led by their violent acting cheer leader, they will root, yell and sing for victory.

No Fremont high school eleven ever went into an important grid engagement better trained than the well balanced gang that Coach Vanorsdal will send against the invading force Saturday afternoon. From end to end and back to back this bunch has class

written all over themselves with a large C. It is beyond the question of a doubt the best eleven that has represented the local seat of learning in a decade.

They are well balanced, have the size and speed and above all they have absorbed their lessons well. Fighting instinct is also well developed and it can be safely said that the Elyrians will be greatly surprised if they expect fruit and soft picking in Saturday's romp. Cool weather and bright sunny skies will help swell the throng and bring out all that is best in the battlers.

The Fremonters had a good siege of work Thursday evening and they expect to taper off with a light signal drill Friday evening. Every man is in fine spirits and anxious for the whistle. "Johner" Bowlus and Bill Emmons, two dependable workmen, have shown great form this week and they will neatly carry all the burden that has been selected for their shoulders when the team takes the portage for the journey to winnersville.

The F. H. S. fellows will spring their new grid scenery on the public during the Saturday joust. The newly purchased garments are on exhibition in the display windows of the Bach company and Lytle & Pfisterer clothing stores. Emmon's suit was not on exhibition as there isn't a show window in town large enough to display it to an advantage.

The Fremont team will probably spring the following collection of stars into the game right at the jump off: Ends, (Bunk) Ross and Capt. (Nin) Foster; guards, Thurn and A. Boyer; tackles, Bartlett and Bill Emmons; center, Gahn; quarter, (Windy) Wendler; halfbacks, (Whistle) Smith, (Johner) Bowlus; fullback (Tubby) Boyer, Capt. Wendell Love of the H. A. C., who learned the game at Kenyon, will officiate for Fremont. The stage is all set. Let all the bugs be there. If Fremont wins, and it is

a betting chance that it will, the lid will be removed for a few moments in this man's town Saturday evening.

WORLD'S SERIES POT

Red Players to Get \$5,200 Each and the White Sox \$3,200.

Chicago, Oct. 10.—The attendance at the final game of the world's series here yesterday was 32,930. The total attendance for the series was 236,928, and the receipts, exclusive of war tax, \$722,441. Of this the players receive \$260,349.70 of the amount taken in during the first five games.

The winners' share is \$117,157.68, which will give \$5,207.01 to the participating athletes. This is more than the salaries of most of them, it is said. The Sox players will distribute 24 shares of \$3,254.36 each.

Laborers Strike.

Yorkville, O., Oct. 10.—Demanding a wage increase from 48 to 80 cents an hour, laborers struck at the local tin plate plant of the Wheeling Steel and Iron company.

PORT CLINTON

Port Clinton, October 10.—Eighteen army trucks are to be offered for sale at the Erie Proving Grounds October 24, at auction. These trucks are from 750 pounds to three ton capacity and are Fords, Pierce Arrows, Packards, Commerce and Nash Quads. Two Ford roadsters and 10 touring cars are also to be sold at auction at this time. The sales are to be made through the ordnance department. Prospective purchasers will have an opportunity of inspecting these cars which have been placed at the east gate of the grounds.

This city lost one of its well known men by the death of Sherman Baxter, 46 years old, a former employee of the Matthews company. Mr. Baxter was well known as a violin maker, having made a number of the instruments for special orders, all being hand made. He is survived by wife and two children. Funeral services will be held Saturday afternoon from the United Brethren church with Rev. F. W. Vantis officiating.

A lecture is to be given here Tuesday evening by Dr. J. W. Doory, of Leeds, England, who will lecture under the auspices of the members of the Christian Science church.

AIR MAIL LATE

The air mail from Cleveland to Chicago was late Thursday.

The airplane carrying the post from Cleveland, due at Bryan Thursday morning at 11 o'clock, dropped to the soggy Bryan field at 4:10 o'clock in the afternoon. The pilot reported he was forced to land near Greenspring, because of an overheated radiator. The mail was transferred to a train, and sent on its way.

Wanted women and girls, over 18 years at the Henkel-Clauss Co. Plant No. 1, Prospect Place. Plant No. 2, E. State street. Plant No. 3, N. Wood street. Apply at above plants. 2tf

By Col. O'Farrell

A STATEMENT BY HIGH GRID COACH

Coach Warren Vanorsdal, popular director of the affairs of Fremont high's famous football team, visited the Messenger office Friday morning. This clever gentleman, naturally is ~~up~~ all wrapped up in his outfit and he ~~had~~ predicts that they will conquer the Ma Elyria hosts Saturday afternoon and ~~make~~ do themselves proud.

"The people of Fremont should not only support the football players of high school because they have downed Scott and Bradner high, but they should also support them because they are a bunch of clean living fellows who have gotten into fine physical and mental condition by hard and diligent ~~busi~~ labor. They deserve great credit for their united effort and should have the backing of every well wishing Fremonter," is a statement made by Mr. Vanorsdal.

Eremont High Proves Its Class By Defeating Elyria In Sensational Style On Damp Gridiron Saturday

Hysteria Malitia

There was a team from Elyria over which home folks had hysteria. They shattered their hopes and dreams on the ropes. But the whole town is down with malitia.

Only a score or two braved germs and stood on the skin lines at H. A. C. field Saturday afternoon to witness one of the greatest victories ever put on the gridiron. The Elyria Fremont high, wrapped in many meshes of oil cloth insulation the few rabid fans scared these big gents out of the corps. The Elyria team was a bunch of howls that went skyward when Capt. Foster and his men were returned winners over a tight, tough, highly respected team from the Big E. The result 19 and 9, but they do not speak on the subject that concerns just how the visitors were out-classed. Outplay, outgamed, outscored but not outthunked, the big collection of youths from the big Cleveland schools had the best chance of trimming Fremont as Minnow creek has of relieving the dangers of the Mississippi. deadly few in whirlpool rapids. The Elyria team had a frizzle and the sombrero took a kick at the frazzle.

Dark Horse

Don't consider the fact that the bird who has been pounding out advance dope on the fortunes of the various teams in the Little Big Six aggregation to be the vulture who has been school teams of Elyria, Lorain, Sandusky, Norwalk, Bellevue and Fremont, who have something to account for it. He is the author of the Party Gates sometime in the future. He has been cheating the public as usual, and has forgotten who he is. The letter F. H. S. means to every time this cakewalk picks the drops on the L. B. S. result is not to be mentioned. Fremont's first victory over the first choices, Sandusky and Norwalk his second while Bellevue came in the rear squad and Fremont was never mentioned. Fremont was in for more trouble in his explanations than Tris Speaker did after he got through predicting just how the late, deceased world champion would do. St. Peter gives this fellow the over and across he (fellow) will probably be sentenced to live the rest of his life in the hole he has dug for himself to h - - or some other seaport where, the ice circles never hang about your whiskers when you go out. You're buggered.

If ever a dark horse was lead from the stables to perform a classic that would be the Elyria team. They were high when it was lead out in its blanket of purple and white to face the much it means?

A GOOD BANKING CONNECTION

Have you ever thought from a purely business standpoint, how much it means?

The large and small business man alike, it means, for funds, prompt collections, financial assistance and the advice of men trained in financial ways.

This is the good banking connection we extend to you.

F. H. S. WARRIORS READY FOR HARD BELLEVUE BATTLE

Football and football players and Little Big Six doings will engage the attention of thousands of high school students in northern Ohio Saturday. About the biggest battle of the day will be the joust between the untried Bellevue high team and the sensational eleven that represents Fremont high. This battle will be waged at Bellevue and before a record crowd. Bellevue has had but one game and this was the occasion when they stacked against the powerful Waite high team in Toledo and had the satisfaction of scoring a touchdown. Fremont high has three stiff games under its belt and they are running at top speed. Coach Vanorsdal has been working hard with his men for the Bellevue game and the boys will step on the field at 2:30 o'clock Saturday just as full of pep and chestiness as they were when they bumped Elyria into the discard in a rain storm and on a slippery field last week.

Every man will be there ready to jump at the chance to play and, figuring the old, old dope, Fremont should win. Two special cars on the L. S. E. Ry. will convey the F. H. S. team, its rooters and the band. Many more fans will make the trip via motor car and the field will hold a very great crowd of Fremonters when the big doings start. If rooting and backing will have any pressure on the results of this game, F. H. S. should win by a good sized score.

CAR-LOADS OF FANS GO WITH GRIDDERS TO OLD BELLEVUE

Has the Fremont high school plenty of football fans?

Yes!

It took two of the largest steel cars on the interurban lines to carry the enthused and wild football fans to Bellevue at 12:40 Saturday afternoon. And that was not all for many went over on earlier cars and others motored in machines. Over 300 tickets were sold. It was a happy bunch that boarded the trains and amid the yells and "rah, rahs" glowed the hope that F. H. S. would win against Bellevue high. The day was ideal and this evening will top the climax when an informal dance will be given in the Fremont high school gym.

The local high school football team has surely done itself proud this season, much of their success being due to the enthused fans who always accompany them.

The entire F. H. S. football squad is going to be given a fine treat next Saturday. They will be taken up to Ann Arbor, Mich., to view the great Ohio State-Michigan game. The work of Harley, Stinchcomb and Peach will be watched closely. The latter, being a graduate of Fremont high, will be the favorite with the Fremont boys. A great number of Fremont fans will also see the game and will make the trip in autos.

THEY ALL SEE THE BIG LIGHT

The football critic who handles out the expert dope on the Little Big Sox football doings has seen the hand writing on the wall. His story in Wednesday's issue of the Cleveland Plain Dealer is as follows:

The third week of the Northern Ohio High School Athletic League football championship race finds the contesting elevens lined up as follows:

	Played	Won	Lost	Pts.
Fremont	2	2	0
Norwalk	2	1	1
Elyria	2	1	1
Sandusky	1	0	1
Bellevue	1	0	1
Lorain	0	0	0

Elyria's win over Norwalk following Norwalk's victory over Sandusky the week before, was the surprise of Saturday's competition. Elyria had been defeated by Fremont and inasmuch as Fremont took an easy one from Bellevue at Bellevue, 30 to 0, the warning that is going over the circuit today is: "Look out for the Sandusky county lads."

The dopesters figure that any team that can defeat another league aggregation on its own gridiron must necessarily be reckoned as dangerous.

Norwalk evidenced more ability against Elyria than it did in the game it took from Sandusky and as a result Elyria's victory, after losing to Fremont, is accepted as a further indication that Fremont is a more formidable contender for the league title than anyone suspected.

An important conflict is scheduled for Saturday when Sandusky and Lorain meet at Lorain. These teams have been competing in the classic of the league series ever since league competition was inaugurated ten years ago.

Lorain is doped to defeat Sandusky but the rule this season so far has been to upset the dope in every way.

FREMONT HIGH ELEVEN ADDS ANOTHER SCALP TO BELT BY DEFEATING ALUMNI

The Fremont High school football now bidding for championship honors and capably coached by Warren Vandersdal, piloted by Capt. Hank Foster and directed by "Windy" Wendler had added another jag to its possession in winter larder. The coming "whale of a peice" of the L. B. S. waited out Friday afternoon on H. A. C. pasture before the eyes of perhaps 300 rooters and other people knocked all the aluminum out of a team that was called the Alumni.

The game between the varsity at Fremont high and the Alumni is always a close one with students and this game had kept the public mind for several weeks. The contest usually gives the fans an idea just how the latest student team compares with the boys of other days. Everybody knows just how good the 1919 high school team is and before the evening meal hour Friday they all were aware of the fact that the Alumni team had been defeated by a score of 53 and nothing.

The members of the tramped team had not played ball together for some time. They had no signals and, on the other hand they were outwheeled. Figuring on the class that the crack high school varsity team has shown in its present season's conquest, the Alumni team should have been trounced by a score of 20 to 0. At the first time the old timers settled to action and gave the big red team a run for the money but during the greater portion of the battle they were outclassed. At that they made half a dozen more first downs.

Last Saturday against Bellevue it was the varsity line that didn't work up to the mark but in this game the backfield was little off color with a couple exceptions and gave Coach Vandersdal and few anxious moments. Not that the mentor was afraid of his boys taking a beating. There was no danger of this. He was trying to figure out the cause of the ailment and of the opinion that he has it all set. Now that the line has settled down and the

backfield needs a tuning up, the Fremont high grididers ought to be all set and ready for their big joust with Lorain on Nov. 1st.

When the Alumni appeared on the field of action it only had ten men in uniform. Eleven men on a side are always preferred in regulation football rules and an S. O. S. was sent out for help. Don Sheldon, former H. A. C. man responded and was sent on the line. Capt. Foster won the toss from Capt. Lesher and the game was kicked into history when the Alumni tore into the ball and sent it down in varsity territory.

First Quarter

The varsity was expected to have some soft picking after Heberling, last year's captain kicked off the Wendler. The latter dodged, twisted and wiggled for 25 yards before he hit the future site of the new Herbram factory. The F. H. S. couldn't get to working right. John Bowius couldn't get started and to the great surprise of all parties on the field, the ball was fumbled. A E. A. veteran and former high star got through and tossed the might Bill Emmons for a three yard loss. The varsity was forced to use the boot route. Now came the first rush. The Alumni with Heberling, Lester, Willer and Bradner, rushed and aided by a five yard penalty for off side, play that had been called against the varsity, made two first downs. It had been quite dangerous in the west until Norg was called back to pass and his delivery a long low one, landed square in the hands of Towner (Whistle) Smith, fastest back in the L. B. S. Smith raced, alone for 40 yards and scored a touchdown. Emmons booted the goal. Score—Varsity-7, Alumni-0. At the half the score was the same. Both on three line downs and Nord went to Emmons. The varsity trimmed to ram the old line and finally Wendler unbuckled a pass to the fleet Smith and that worth raced from the middle of the field for another touchdown. Emmons missed the goal kick. Score Varsity-13, Alumni-0. The quarter

Standard Clothes

"They Must Make Good Or We Will"

Pbach's

Fremont, Ohio.

closed after the varsity crew had forced the ball back three yards into the end zone that had been imposed by the cage lamps of Paul (Monk) McCormick who was acting in the capacity of headlines or Head executioner to big score hopes.

Second Quarter

This section of the game hadn't been but a few minutes ancient when varsity pushed the ball to the 15 yard line. A line shift Emmons was called back.

Taking the ball he passed the Nord line back off several yards with a straight arm and scored a touchdown.

He kicked goal. Score—Varsity-20, Alumni-0. The Alumni fumbled the return of the kick-off and the varsity in turn fumbled when they took the ball and it was recovered by Harry Bowius who had driven the ball into the end zone for a touchdown. He kicked goal. Score—Varsity-27, Alumni-0.

Both teams were now contented and specula-

tion on the size of the score and con-

jectured that the varsity should run up its well known sleeves. Wendler, Smith, H. Boyer, Ross and Emmons

were doing yeoman work for the stu-

dents while Bradner, Heberling, Nord, Lester and Harry Bowius were caus-

ing the Alumni rooters to go crazy with the heat by their work against odds.

Third Quarter

Four downs failed to gain distance for Alumni and Johnny Bowius, with visions of the big State-Michigan game that he was to view on the morrow, blocked Nord's attempted punt. Fredie Zimmerman, newly installed back, made it four around end and "Windy" Wendler who is a "Grey" Nord, started moving, slipped through the line in an eat through a hole in the garden fence and raced 35 yards for a touchdown. Emmons failed at goal. Score—Varsity-33, Alumni-0. This was all the counting done in this per-

iod and the Alumni felt their alumnium and weren't going to be canned easy.

Fourth and Final

At the start of this period, quarter back Wendler called for one of the new Vandersdal plays. It was a criss cross movement of the backs with a pass to follow. The ball had been plugged to the 10 yard line in easy fashion. H. Boyer was on the end of the criss cross and he passed to Capt. Foster over the line and another touch down was on the books. Emmons failed at goal. Score—Varsity-39, Alumni-0.

Emmons intercepted a pass and the ball was enroute to scoring territory. A few backs and jumps and Eesley carried it over. The touchdown was not allowed as Mr. McCormick had noticed a few varsity men on side when the last play was made to the start. They went back to where it started from on the 10 yard line and the next play was a pretty pass from Emmons to Wendler. "Windy" caught the ball behind the goal posts and the touchdown didn't count as he had been standing outside the neutral zone. This a couple of dozen or more

points were lost.

Emmons got the ball on the 20 yard line but Emmons soon intercept-

ed one of Nord's passes and the pill

was enroute to touchdown circles again. Smashes, plunges and wiggles

carried the oblong up to a point where

old "Bugs" Eesley eased his shoulders

over the line for a touchdown that

there was no dispute about. Emmons

kicked an easy goal. Score—Varsity-46,

Alumni-0.

The last touchdown resulted when

Emmons got the ball on his own kick

off and started a parade down the

field. The counter resulted when Foster took a pass in the center of

the neutral zone and made it count for a

touchdown. Emmons kicked goal.

Score—Varsity-53, Alumni-0.

The lineup and summary of this in-

teresting game is as follows:

Fielding Harrison Yost, better known to the football public as "Hurry Up" has been before the spotlights 22 years as a coach of students in the most games of the division. At this time he has been spent at the University of Michigan where the famous man has grown old in the service. He is one of the most successful football mentors in history.

Genoa high defeated Oak Harbor high Friday by the unexpected hand of 12 to 0. It was the first time in 16 years that the Genoa team has

been trounced by any other Wood county aggregation and there must be sorrow among the students of that town.

A neatly arranged feature photo of Yost's famous full hand at the U. of Michigan and the same hand that he has at the University of Michigan city with was shown in Friday evening issue of the Toledo News Bee. One of the cards is Willard Peach, of Fremont, who plays left end for the Yost machine.

Foster high added to its string of victories Friday afternoon by running up a score of 12 to 0. It was the first time in 16 years that the Foster team has

been included in the victims.

Elyria are included in the victims.

SPORTS

By Col. O'Farrell

If there's any doubt existing regarding the fact that Jim Thorpe hasn't organized a regular football team at Canton, the person with said doubt had better change his mind. Jim took his stars to Detroit Sunday and trimmed the Heralds of that place by a score of 27 and 0. This is some feat and Akron, Massillon, Hammond, Ind., and Cleveland should take notice of the handwriting on the wall. Every All-American star who is willing to play the game is being gobbled up by these great professional teams.

Frank Kramer can rightfully be called the king of the bike. For two decades this fine athlete has been pushing the sprocket wheel against the best in the world in sprints and for years and years he has been a champion. Sunday at the Veldrome in Newark, N. J., he trimmed Ray Eaton and Willie Spencer in a three cornered one mile match. Kramer's career is an example of taking care of yourself.

Big Bill Krat, who used to scare the other players to death in the Little Big Six when he was with Lorain high is now going great guns on the Elyria professional eleven. Bill's work defeated Lorain All-Service team Sunday 6 and 0.

Massillon Tigers trimmed the Akron Indians in a 9 and 6 battle Sunday. All the scoring was done by the booted goal route. All-American stars appeared for both teams.

Eugene Crique, French featherweight who was wounded seven times during the world war, is after Johnny Kilbane's crown. Gene better keep away or he'll be wounded again.

Terry Turner and George McBride are the two real veterans of the American league. They both are 38 years of age, but still retain a lot of baseball usefulness. Terry, with the Athletics, and McBride, with the Senators get in on a lot of baseball. Years ago a man of 38 years was considered to be an infant in any kind of sport, but not in this fast day and age.

Fremont high is now perched up pretty cozy on the top of the ladder in the Little Big Six and the flutter of the pennant is bothering the position of his hat. Lorain, the most feared of all enemies, is not such a much as was shown by the fact that Sandusky, a team defeated by Norwalk, has held it to a 0 and 0 score. The deed was done at Lorain Saturday and Sandusky is reported to have had the better of the battle. Fremont hooks up with the Lorain crew next Saturday and if the old dope holds good it ought to win hands down. If victory comes out of the argument, Fremont is going to have a championship football outfit.

for the first tie in history and every one should rejoice. Norwalk trimmed Bellevue 24 and 0 Saturday which is 10 points less than the score. Fremont rolled up against the Cultivator fellows on their own field. Norwalk and Sandusky will be played in Fremont, and they should prove to be victims for the big Fremont eleven.

The greater majority of Fremont rooters who went up to Ann Arbor to view the Ohio State-Michigan game, came home satisfied because they were Buckeyes and the fellows from from Ohio won 13 to 3. Many, however, had expected Michigan to score and had high hopes of Willard Peach of Fremont, doing his bit in the victory. Peach was started in a guard position and was sent out on end when Rye had his leg broken. The Fremont player played a good game but the rushes of Stinchcomb and Chick Harley were not to be stopped. Harley stepped 50 yards for a touchdown, and did their great work while his fellow teamster Stinchcomb, was not far behind. Their combined work in passing, carrying the ball and other features that delight the football fan, were the best ever seen on a western gridiron and that's surely going some.

Sparks, the Wolverine quarter, saved a shut out when he booted a drop goal from the 45 yard line in the second quarter. It was State's first victory over the Michigan team in all history of the athletic doings between the two schools and all the old grads and the undergrads were on their high horse Saturday evening and the team will have a big reception this week. About 20,000 people saw the downfall of Yost.

Bob Martin, champion of the A. E. F., who is to make his professional debut against Joe Bonds at Akron next Tuesday evening will have a following of a couple of million doughboys, but they all can't be on hand to cheer him to victory. They're grooming Bob for a crack at Jack Dempsey, but they, like wise folks, are going very slow. This means a lot of set-ups for Robert.

A number of Fremont fans went over to Tiffin Saturday afternoon to view the proceedings of the highly advertised Heidelberg-Otterbein game. The Tiffinites won by a 19 to 0 figure but the local fans claim that the F. H. S. team could give any of the contenders a run for the money and, as for organized rooters, Johnny Franks and his purple and white rooting brigade from this town could make the noise contingent at Tiffin sound like the efforts of a wood pecker in the Herbrand forge room a few minutes before the noon whistle blows.

Rain, and lots of it, mud and heeps

By Col. O'Fa

LISTEN TO THIS

rain at Lorain and Elyria and Sandusky here will clash for Northern Ohio High school athletic league football championship honors Saturday. Norwalk will oppose Oak Harbor at Norwalk in a game outside of the league schedule. Bellevue has an open date.

Fremont will try to beat the Steelown aggregation, as a victory will practically clinch the league title for the Sandusky county organization. Lorain will go the limit to beat the Fremonters, having failed to win a game thus far.

Sandusky has been practicing daily as a victory over Elyria would put the local organization in a place in the standings from which it could tie Fremont for first honors. A victory over Fremont at Fremont a week from tomorrow would make things interesting were Sandusky to defeat Elyria today and Fremont to lose at Lorain.

The opinion prevailing is that Fremont will win from Lorain and that Elyria will triumph over Sandusky.

Fremont is the heaviest team contending for the championship. Elyria's is nearly as weighty. As the playing of each one of the six teams is substantially of the same caliber the opinion is that Fremont should carry off the flag, with Elyria a close contender.

LOCAL HIGH TO PROTEST GAME

Fremont High sustained a rather unexpected setback Saturday in its chase after the pennant in the Little Big Six, when it went over to Lorain and tackled the heavy and fast crew representing the steel city High school. When the final whistle announced the end of the game, which was rather well played by both teams, Lorain was on the big end of a 9 to 7 score. But the extra two points, favoring the Lorainers are being hotly disputed by the Fremont boys, who claim that an even break is all the foe was entitled to. At the local high school it was announced Monday morning that a protest would be entered with the league officials and that the matter would be prosecuted vigorously.

Here is the how and the why of the extra two points and the resultant dispute: Far away into Lorain territory the Fremont attack had carried the lads when they got stuck near the hostile goal line. Several exchanges of punts brought the ball a little further out of danger for the Lorainers, when a kick was attempted by them. Just as the ball was being snapped back, the umpire blew his whistle for an offside play. The kick went through all the same to the Fremont 30 yard line, where Capt. Foster obligingly dropped the slippery oval, Lorain recovering. The umpire marked the spot where the ball had gone dead, when he had blown his whistle, but to no avail. The referee, however, was of the opinion that his whistle was the only one, which could create a dead ball and so the game continued after hard protests by the Fremonters, on their 30 yard line. They held the foe and Lorain tried a drop kick which failed to reach. Capt. Foster had an argument with the ball and came down with it back of his own goal line. At first, so reports have it, he claimed that he did not carry the ball across, then he stated that he did, being slightly excited, and Lorain had two points. As there might have been a different tale, had the ball gone dead, when it should have died, the protest will be entered, and there is much hope in this man's town, that it will go through so that the game can be thrown out, or played over at some other time, or whatever the league rules prescribe under similar circumstances.

Lorain started the scoring in the first quarter, when Left Half Buckley fooled the Fremont boys on a split off tackle buck and scooted 55 yards for a touchdown, goal being kicked.

Wendler made the touchdown for Fremont in the second quarter, when he picked up a fumble on his own 25 yard line and sprinted the rest of the way. Goal was also kicked.

A large crowd of local rooters saw the contest and all came home loudly protesting the decision of the referee, which robbed Fremont of a pennant, if the protest is not acted on favorably.

Elyria, beaten by Fremont some time ago, handed Sandusky a little jolt Saturday by a 7 and 0 score, which was cheering news to Fremont.

TIME IS CHANGED FOR NEXT BATTLE

The football game scheduled to take place on the Herbrand grounds next Saturday, in which Fremont high and Sandusky high will fight for the supremacy in the Little Big Six, will start at 2:30 p. m., according to a decision reached by the school authorities Tuesday. The time is given as 3 o'clock on the tickets but it was deemed that this would make it too late and accordingly the time was advanced half an hour.

This is also the time at which all other games start in the Little Big Six. Accordingly come half an hour sooner than your ticket calls for.

With the exception of Towner Smith, the football squad came through the gruelling Lorain contest in fine shape and will be ready to do its best against the Fishtown aggregation.

FREMONT HIGH IS TIED FOR HONORS

Fremont and Elyria continue in a tie for the leadership of the Little Big Six as a result of last Saturday's games, which of course does not say that they will be there at the end of the league season. If all teams had the same number of games to play Fremont would, of course, be the choice for the championship, as it is believed that Lorain will come out on top next Saturday, when it meets Elyria, and that Fremont will beat Norwalk, when they clash on the same date. But Elyria has two more league games to play, while Fremont is through after Saturday. Bellevue the extra team to play Elyria in a postponed match one week from Saturday, has about as much chance of winning the game as a one-legged man has of coming out first in a footrace. Thus it can readily be seen that next Saturday will settle the hash unless, of course, league officials should take Fremont's protest of the Lorain game under advisement and give a favorable ruling. Otherwise you may put it down for the truth that Lorain will once more be in first place, when the curtain is rung down, unless Elyria pulls the unexpected and musses up the Lorain crew Saturday. And there will be many a Fremontite who will include it in his fervent prayers for the week.

A lot of folks apparently are not onto the way of figuring the points in the league standing. A victory counts 2 and a tie counts 1 and thus the following standing is arrived at in the league:

Teams	Plyd.	W.	L.	T.	Pts.
Elyria	4	3	1	0	6
Fremont	4	3	1	0	6
Lorain	3	2	0	1	5
Norwalk	4	1	3	0	2
Bellevue	3	1	2	0	2
Sandusky ...	4	0	3	1	1

SPORTS

ONE MORE LEAGUE GAME FOR F. H. S.

One more league game for the Fremont High school, the one with Norwalk on Herbrand field next Saturday and the football season will end, as far as champion aspirations of the local gridders are concerned. In the meanwhile they are all hoping for an Elyria victory over Lorain, which would leave the former and Fremont tied for the leadership of the league, in the event the governing board of the league does not allow Fremont's claim in regard to the Lorain game.

Fremont does not expect very strong opposition on the hands of Norwalk. The latter at the beginning of the sea-

son played ragged football, but of late has been showing flashes of form, and the purple and white will have to play up to its early season standard in order to pull through the game on the long end of the score. Just a little bit of overconfidence and carelessness, and the game will go the wrong way.

Even if Fremont High gridders do not happen to win the flag this season, the town will not be very much disappointed. No one really had anticipated much of a football team here. Everybody had become convinced that Fremont was in the Little Big Six simply, because they needed some one for the cellar position. To see the boys in the lead the bigger part of the season, and even at this stage of the game in a tie for first place, with a chance at undisputed leadership, if league officials get away from their former habit of being a one team organization, has been highly gratifying to Fremonters.

HIGH PLAYS AT FINDLAY TODAY

Members of the Fremont High school team together with about 60 rooters took a special car for Findlay Saturday, where the local gridders will engage the proteges of their last year's coach, Crane, in battle. Coach Vanorsdall has his men pointed for the contest. All of the regulars with the exception of Towner Smith, will get a crack at the enemy, and the boys were in good spirits, regarding their chances of victory.

They have their heart set on a victory over the Findlay team, and are almost as anxious for it, as they are for the championship in the Little Big Six.

CRANE CONTINUES TO COACH LOSING FOOTBALL TEAMS

Coach Crane still has the habit of training losing teams. Last year he was in Fremont and the High school team with good material and all that, could not manage to cut much of a figure. This year with good coaching the boys made a good record for themselves. Crane went to Findlay, and was supposed to have done wonders down there. A game was arranged between the two schools, and Fremont had no trouble at all in copping the honors, winning out by a score of 22 to 2. As the game was to show to a certain extent at least, who was to blame for Fremont's poor showing a year ago, the boys or the coach, Fremont's victory in a large measure indicated that the coach must shoulder a lot of the blame.

Fremont did most of its scoring in the first half. The battering ram was working over time, with the backfield men and Tackle Emmons taking turns about leading the attack. Bowlus scored two of the touchdowns. The one came after a series of line smashing in which all participated, Bowlus hitting the line for the last few yards. Goal was kicked. The next one did not take very long either. Once more Bowlus had the oval. He skinned the outside of the line and after a hard sprint, put the ball back of the line. Once more the goal kick failed.

Wendler, the speedy quarter, scored the next six points for Fremont. Bill Emmons was called back for a pass, and the boys scattered over the field. The pass went swift and far for about 40 yards to Wendler, who covered the remaining ten in jig time. This time, Bill's toe showed, that it had had some education, and the ball sailed through the goal posts, making the score 19 to 0. The half ended sooner after this score.

In the second half Fremont added three more points to the total. It was early in the third quarter. Fremont did not seem to be able to put the ball across or runs, so Emmons got a chance to let his toe shine once more. He attempted a place kick and got away with it.

There was nothing much doing in the line of spectacular plays in the second half. Fremont had in a bunch of subs, as they did not care to run up a lopsided score. The fact that they only made two first downs in the whole game, would indicate that their attack was mighty poor in comparison to that of Fremont, which, while the regulars were in, seemed to score nearly at will.

Bunk Ross got his first experience in the backfield and acquitted himself well. Zimmerman got a bump in the first quarter, which caused him to retire from the fray. This brought Bowlus into the game, and he was a bear on the offensive, even if he was playing with a mussed up finger. Wendler, Emmons, Bowlus were the stars for Fremont, with the rest of the team holding its end well.

Fine treatment by the crowd and the referee is reported by Fremont, something which the boys have not always experienced playing in their own little league.

THREE SPECIALS FOR HI ROOTERS

Three special cars will take Fremont high school enthusiasts and some other fans to Bellevue Friday to lend their moral assistance to the neighboring town in downing Lorain, the steel city crew, which is the only team standing between Fremont and the championship of the Little Big Six. A win for Bellevue will put the field clear for Fremont, which should win from Norwalk Saturday.

The question of going over to Bellevue was put up to the students, and 173 got on their feet immediately signifying their intention of making the trip. Accordingly recitations will be cut both in the Senior and Junior highs so that the youngsters can go without missing their lesson.

ST. MARY'S HERE ON TURKEY DAY

The big Turkey day game for Fremont high is assured. St. Mary's high of Dayton, which has been going great guns against all the teams it has met this season, will be the attraction on that date. The game will have to be played in the forenoon as the Herbrands will occupy the field in the afternoon.

The Daytonians have a record to be proud of this season. They have won all of their games by decisive scores, with the exception of one, which resulted in a tie. In order to beat them the Fremont speed boys will have to go their best. The high school in bringing this fast aggregation here, is deserving of all the support the town can give them. The guarantee for the game is \$200, the biggest guarantee ever given by the school to any team. But authorities believed that Fremont fans would appreciate a scholastic game of this kind, and for that reason signed the contract to bring the Saints here for the day.

That the rooting will not be altogether one-sided is assured. St. Mary's has a lot of old grads in Fremont and at the present time, quite a number of Fremont and Sandusky county boys are in attendance at the school. Two of them play on the team. Walter Hoffman performs at one of the guard positions and Paul Swint is the fast going quarter of the team. Swint is a speed boy, as may be seen from the fact that in a game against Greenville he ran 80 yards for one touchdown and later 30 yards for another one.

It is bound to be a fine attraction and any one going to the game ought to get his or her money's worth.

The spacious Birchard avenue home of Mr. and Mrs. Frank H. Anderson was the scene of a delightful dinner party Saturday when Mr. Anderson presided as royal host to the members of Fremont's famous high school football team and their efficient coach, Mr. Vanorsdall, together with Prof. F. P. Timmons and Prin. E. F. Schweikart. It was a fitting climax to the splendid game played against the Norwalk high, winning with large honors. The Misses Marion Anderson, Mary Elizabeth Truesdall and Jessie DeVanna assisted in serving the guests. The table was magnificently decorated in the high school colors of purple and white and in the center was arranged a huge bouquet of large white chrysanthemums from which streamers of purple ribbons were strung. The place cards were carried out in the same color motif. The boys feel very grateful to Mr. Anderson and they will never forget the sumptuous repast given them. The invited guests were Prof. F. P. Timmons, Prin. E. F. Schweikart, Coach Vanorsdall, William Emmons, Theodore Bartlett, John Bowlus, Harold Wendler, Harold Boyer, Amos Boyer, Mervin Thurn, Wilfred Gahn, Towner Smith, Edburn Eesley, William Ross, Frank Foster, Raymond Forsyth, Robert Hetrick, Fred Zimmerman, Leonard Garvin, Earl Baskey, Harold Held, and Leonard Waggoner. After dinner all assisted in the hurrah parade staged on the various streets of Fremont. It was indeed a happy ending to the day's victory.

SPORTS

Fast Games Promised
For Turkey Day by the
Herbrands and Local Hi

Turkey will not be the only delicacy if you like the scholastic variety or the consumption of Fremonters of football, the high school boys will tomorrow. Two big games of football strive to please with a big show will help while away the day for the when they line up against the strong sport loving public of Fremont. St. Mary's team of Dayton in the

forenoon at 10 o'clock. The Dayton boys were to arrive in Fremont late Wednesday afternoon. They are reported to be in good condition and the local boys on the team have worked them up to a high pitch, because they want their team to show up well in the old home town. The high schoolers likewise do not like the idea of getting beat. They are not in the habit of it this season and most certainly they would not relish a defeat in the last game of the season. There surely ought to be a battle royal between the two teams. A lot of tickets have been sold by the students but there will still be standing room around the gridiron. The game starts at ten o'clock.

After dinner the Herbrands will furnish the big attraction. They have succeeded in getting the mighty Elyria team down for the day. This team has a good record for the season, having lost but few games. They seem to be in about the same class with the Brands, as both teams have whipped the speedy Amherst aggregation by approximately the same score. The Herbrands are all in shape for the show and will give a good account of themselves. Capt. Wolfe will be on hand, as will also Siggins and Forsyth and Kerber and all the rest of the crew. And when that bunch gets going, the fur is bound to fly.

Two big crowds ought to be out for the banner games of the year, if the weatherman is decent, and sends along a nice day.

CHICK MAY BECOME
A BASEBALL STAR

Chick Harley is being sought after by three professional baseball teams for the coming season. To many people it may come as a surprise, that the Ohio State flash is also a baseball star. But such is the case. He has been playing the outfield for the State nine and is a fine fielder and base runner and a fair sticker. Tinker wants him for the Columbus Senators, Bobby Quinn would like to have him for the St. Louis Brownies, and the newly formed Akron International League club would also like to procure his services.

COAST AFTER BIG
LEAGUERS AGAIN

Out on the coast the big manufacturers have learned from the ship builders that a high priced ball player on their team is a fine advertisement. Accordingly it is claimed that quite a few of the boys, who have been hitting them free and far in the big show, will be wearing the uniform of some big manufacturing concern along the coast line. Among others it is claimed that Babe Ruth, the home run king, is to knock 'em over the fence along the coast.

sidered the errors of the common please court to have been a material violation of the rights of the defendant Worst to a jury trial, a decision which was also reached by all the members of the district court of appeals. If ever tried again it will be under the usual rules of law again made plain by the two higher courts.

TWO MORE SHIPS ARE WRECKED IN LAKE SUPERIOR

Sault Ste. Marie, Mich., Nov. 26.—Two more vessels, as yet unidentified, have been driven ashore in the fierce storm that has swept Lake Superior since Saturday.

The two boats are reported to have been swept ashore in a blinding snowstorm.

One of them grounded during the night in the upper St. Mary's river, near the point where the steamer Kotcher went ashore yesterday. Another steamer was reported ashore on Whitefish Point.

The W. C. Richardson, disabled while seeking shelter from the storm, was being towed to this port today by tugs.

The storm shows no signs of abatement today, reports reaching here indicating that shipping generally was laying up in various harbors. A high northeast gale was lashing the east end of the lake.

No word that would indicate the fate of the crew of the Myron, which went down Saturday, has been received here and the owners of the vessel have all but abandoned hope for their rescue.

The sub-marine chaser 438 searched the region of the Parisian islands yesterday without finding trace of the crew or the lifeboats.

It is generally conceded by mariners that enough time had elapsed to hear from members of the crew had they been picked up by passing vessels.

The ore carrier Kotcher grounded on Cedar Point reef in St. Mary's river during a blinding snowstorm and it is said it may be necessary to jettison her cargo before she can be released. Tugs have been sent to her assistance. The steamer Richardson broke her propeller while seeking shelter from the gale.

Fremont Hi Beat Saints in Turkey Day Tilt, When Towner Smith Makes Run

Heralded as the biggest game of the scholastic season, the morning set having the worth while part of it. And to out on the Herbrand lot Thursday that score just about represents the relative merit of the two teams. Fremont was highly satisfactory being just a trifle bigger in size from a local standpoint. The school on some sections of the line also show is satisfied because the boys won a hard battle and gives further thanks, because there was enough of a crowd there to take care of all necessary expenses and then some. The immense crowd was pleased because it saw a fast, snappy game of football and its spectators came out on top. And the visitors were also satisfied, perhaps not with the score. But they had played the best that was in them, had received fair treatment at the hands of the crowd and the officials and had a fine dinner in prospect.

The score was 7 to 0 with Fremont having the worth while part of it. And to out on the Herbrand lot Thursday that score just about represents the relative merit of the two teams. Liberality in Banking

is all right but liberality tempered with conservatism is safer for depositors!

This latter course has made this bank popular with prudent people throughout this section of the state.

If without a strong banking connection—we cordially invite you to do business with us.

FREMONT, OHIO

passen before the Hi boys got the crowd too, was impartial, giving both teams credit for the good plays they made.

Thursday's game winds up the season for the Hi. It has passed through its best football season in many a moon, carrying off the honors in the Little Big Six, losing but one game, the unfortunate affair over at Lorain, and winning all others. It was a fitting climax that they should win over a team from another section of the state, which had a very high ranking in its own neck of the woods.

The lineup and summary:

Fremont 7	Dayton 0
Smith	Milus
Bartlett	Left end
Thurn	Left tackle
Gahn	Left guard
A. Boyer	Center
Emmons	Right guard
Ross	Right tackle
Wendler	Right end
Bowlus	Quarter
Boyer	Right half
Easley	Left half
Referee, Neal, Oberlin; umpire, Love, Kenyon; head linesman, McGormley, Kenyon.	Full Back
Fremont	0 7 0 0
St. Mary's	0 0 0 0

HERBRANDS LOSE THURSDAY GAME

Picked as easy winners over the Elyria Athletics Thursday afternoon, the Herbrandts slipped a cog and dropped their first game of the season. And it was a shame, too, that they lost. It should have been a win for the local boys, who outweighed their opponents. But somehow or other they could not get going on the slippery field and Elyria took off the long end of a 14 to 13 score, because Fremont failed to kick a goal after a touchdown. Poor generalship was perhaps as disastrous to local hopes as anything else. Fremont had but little chance to work the open game. The ground was slippery and there was no chance to get away for any long runs as the other fellows' flankers were on the alert and smothered local attempts to get around. But the opposing line at times offered but feeble opposition and it was here that the attack should have been directed. Whenever it was done there were gains galore. But what's the use. The game is gone and there is no use crying over spilled milk.

Right at the beginning the Herbrandts started out like world beaters. They worked the ball down to the visitors' one yard line, where it was lost on downs, when Forsyth could not put it over on a fourth down. Wolfe, a long geared fullback for the Elyrians, got the only poor punt out of his system, which Fremont got on the 25 yard line. Conway, an Elyria Andover player, who was in the backfield for Fremont, tried to pass the ball. It slipped as he sailed it and Massey, left tackle of the visitors, grabbed the pill and raced 90 yards for a touchdown with the whole Fremont team in pursuit. Goal was kicked. After the kickoff Fremont made some good gains and continued in the second quarter. The local team made quite a number of first downs but could not score.

On the first play after the kickoff, Reynolds on a shift play, running alone, raced 65 yards for a touchdown. Goal was again kicked. A lot of the spectators claim that the runner was out of bounds but there seemed to be no Johnny Evers in the neighborhood and it was allowed. These two touchdowns put some ginge into the Herbrand crew and they started to play better football. Christy picked off an enemy forward pass and returned it 20 before being downed. After several plays

AND THE COACH IS NOT TO BE FORGOTTEN

While bouquets are being passed around to the boys who won a championship for Fremont in the Little Big Six in the recent football race, there is one man who should not be forgotten. He is a quiet chap and ordinarily does not say much. But it is different on the football field. Coach Vanorsdall is the man who put fight into the local crew. He gave them the never-say-die spirit and incidentally also taught them about all they know of the game. The boys themselves appreciate this more than the rest of the school and the public in general. Vanorsdall learned his football down at Yellow Springs and he also possesses the ability of passing it around. It is to be hoped that he will be on deck again next year.

SPORTS

FREMONT PLAYERS PREDOMINATE ON MYTHICAL TEAM

With the football season a thing of the past and the Northern Ohio high school banner safely tucked away by Fremont, the time is at hand to start the thankless job of picking an all-league eleven from among the various stars who displayed their wares on the gridiron.

To the victor belong the spoils and so it is but natural that the Fremont team should have a stronger representation on this mythical team than any other. The following is the selection of Coach Vanorsdall, of the local high school. He has seen all the league teams in action and consequently knows something about the respective merits of the men:

Wendler, Fremont, L. E.
Knipper, Lorain, L. T.
Thurn, Fremont, L. G.
Harpster, Elyria, C.
Henderson, Norwalk, R. G.

Emmons, Fremont, R. T.

Ross, Fremont, R. E.

Hayes, Bellevue, Q.

Smith, Fremont, R. H.

Bowlus, Fremont, L. H.

Essig, Lorain, F. B.

Six of the positions on this all star team are thus given to Fremont players and there can be but little disputing the fact that the boys who are given these positions are mighty classy players, as they were not out-classed by any of the men whom they opposed in a league game.

Wendler, who played offensive quarter on the team, was one of its defensive ends and there were few who could show him anything about how the game should be played. On the other wing was Bunk Ross. There was not another end in the league who could begin to approach him in tackling ability and in breaking up plays.

Emmons of Fremont, gets one of the tackle positions without an argument. Not only was he a pillar of strength on the defensive, but he also possessed wonderful ability at carrying the ball, and was the forward passer of his team. Knipper of Lorain, is given the other position, because he stopped about everything that came his way.

CUR CHAMPS GETTING LOTS OF ADVERTISING

All over the northern part of Ohio, or wherever the Cleveland Sunday Plain Dealer is circulated, the name and fame of the Fremont high school football champs is now known. Sunday's edition carried a picture of the local team, which previously also appeared in the Messenger. The accompanying story g'ves the boys credit not only for being good football players but also states that they were likewise great in the class room.
