## TRIBE TRIES NEW PASTURES

### Blame Bus Rides For Lack Of Hits After Losing Another

FORT MYERS, Fla., March 26.—**P**—If training in Fort Myers has helped throw the whammy on the Cleveland Indians' once-potent bats, the spell is about to end. For the Indians wind up their local schedule by taking on the Detroit Tigers today.

The departure from Fort Myers may be permanent, for club officials have been looking over other locations. Fort Myers is somewhat isolated from Florida major league training camps, leading to difficulties in arranging exhibitions and raising objections to the long bus rides to games.

#### Trans Did Same

Most observers agree, however, that the bus rides are not entirely responsible for the Indians' light-hitting habits. The team obtained only four hits from three St. Louis Cardinal rookies yesterday and the National leaguers, who made only three themselves, won 3 to 1.

The Tribe also wasn't hitting throughout the 1940 campaign, and the only rides then were on trains.

Impt Cleveland fielding and two of the Cards' hits, bunched off Joe Krakauskas in the eighth inning, accounted for the three St. Louis runs.

Lefty Al Smith pitched three hitless innings for the Indians and Nate Andrews followed by allowing only one safe blow in three frames. Krakauskas hurled the next two and Mike Naymick pitched a hitless ninth.

## AT LAST SOMETHING COMES OF JABBING

COLUMBUS, O., March 26.—**P**—After 60 years of "aimless" jabbing and thrusting, collegiate fencers will crown three champions of the ancient sport here Saturday.

These new champs will be chosen from a field of more than 80 crack swordsmen from the nation's leading universities as Ohio State plays host to the first nation-wide fencing competition ever held under National Collegiate Athletic Association sponsorship.

## Althoff Must Depend On Ten Vets In Squad Of 44

**B**iggest Problem Is To Find Capable Replacements For Bob Shaw In Shot And Discus; Indications Team May Be Weak In Field Events

Coach Harold (Whitey) Althoff, facing a 10-meet schedule which includes several important relay events, was anxiously awaiting Spring weather today so that he could take his Little Giant track squad of 44 hopefuls out into the fresh air and onto the Harmon field cinders.

The squad has been working out in the gym corridors for the past week or two and undoubtedly will be increased now that basketball has terminated again.

Included on the squad are 10 lettermen, all but two of whom are seniors, around whom he will build his 1941 team.

Missing, however, and leaving an exceptionally big gap to plug, is big Bob Shaw, who won the state title in both the shot and discus last year and whose heave of the leaden ball, 53 feet 4 1/4 inches, set a new record. Shaw was also fourth in the high hurdles at the schoolboy carnival.

Three other lettermen are also missing. Bill Clark, sprints and relays, who is no longer eligible because of age; Richard Schneider, relays and 440, now with Co. B in army service, and Delbert Little, pole vault, who graduated last June.

#### These Remain

Althoff is depending heavily on the returning ten. He will have Clarence Chestnutwood, who gave much promise last year, for the short sprints and relays; Jack Carroll for the pole vault; Snooks Jenkins, high and broad jumps and the hurdles; Carl Erchenbrecher, relays and broad jump; Paul Huddle, relays; Chuck Robertson, hurdles and both jumps; Carl Hufford, relays and 440; Henry Sewell, the mile and 880; Dick Frantz in the weights and Jim Wilson for the sprints and relays.

Of course, the chief task is to find capable replacements for Shaw in the events in which he was usually a sure first. Chestnutwood was plenty fast last year and should be even better this Spring, while Jenkins did a good job in the high jump and Sewell was one of the best distance men in this district.

Apparently, the relay teams will be fast enough to show their heels to most competitors this year.

#### Underclassmen Out

Assisting Althoff are Fred Huffman, coaching the jumpers, and John Titsworth, handling the weight men.

The balance of the fairly big squad is as follows:

Sprints—Dale Bonnell, Nelson Gibson, Jack Hufford, Bob Guenther, Bob Topel, Ray Darr, Bob Hoch, Bob Stout, John Weiler, Phil Unsinger, Jim Robertson, Charles Schneider, Dell Weiler, George Ebright, Hunley Surrett and Jack Williamson.

Mile—Melvin Jacobs, Ed Davisson, Bob House, Gene Harlan, Harold Hawk, Paul Schabel, Bob Schleia.

Weights—Darwin Reichert, George Biggs, Frank Wernig, Warren Bebow, Bob Schabel.

Quarter and half-mile—Carl Wiewandt, Frank Wernig, Doyt Price.

Pole vault—Jim Michaels, Dick Rodenhouse, hurdles, Dave Brockselker.

## RASSLERS MAD; SEEK REVENGE

A couple of Toledo business men will get together Friday night in the Jackson arena and settle a few differences when the cauliflower society holds its weekly get-together.

The business men are Tarzan Paul Orth, a cafe owner, and Gil LaCross, a welder, and they are but two of the mat rowdies who will tangle in a grudge tag-team match.

Last week Orth and Mike Kilonis, the Gentle Greek, lost a match to LaCross and Gorilla Pogi when Referee Les Fishbaugh disqualified

Gil LaCross

them in the final fall. The falls were even up, one for each team, when Orth-Kilonis got a bit too nasty in taking the deciding tumble and lost the nod.

The Orth-Kilonis combine was plenty upset and raised such a fuss with Fishbaugh that he has agreed to rematch the teams and import a licensed referee from Toledo.

Last week's show was a humdinger from start to finish and it is hard to see how Friday's encounter can be any better but it probably will be—these gentle exponents of legalized mayhem are always figuring out new ways and means.

A preliminary will open the slug and twist carnival at 8:30 p. m.

## Cop Slim 60 To 58 Victory After Trailing Most Of Way

Erchenbrecher And Robinson Come Through In  
Final Event With Needed Points;  
Chestnutwood Sweeps Sprints

The Little Giants pried the lid off their current track season with a victory over in Bellevue Tuesday afternoon, but the margin was so narrow that Coach Whitey Althoff and his cohorts are still shivering in their spikes.

The final count was Fremont 60, Bellevue 58, and if that doesn't give you an idea of how close the Rossman came to dropping a meet that was scheduled merely as a warm-up, maybe this will—the Fremonters went into the last event needing both a first and a second to win.

They collected both those places—  
and the meet, but all it meant to  
Coach Althoff was that there re-  
mained plenty of work to be done  
before the team goes really big  
time and tackles Toledo Wood-  
ward here next Wednesday.

### Take Eight Firsts

For all the closeness of the meet  
the Little Giants snared eight first  
places in the 14 events, their  
weakness coming in the supporting  
spots where every good team is strong.

Capt. Clarence Chestnutwood  
set the pace with three firsts and  
15 points, but even then there was  
little to really cheer about. Unless  
it was the way that Carl Erchen-  
brecher and Chuck Robinson came  
through with the broad jump when  
the chips were down.

This was the last event and Er-  
chenbrecher rallied round with the  
longest leap any of Althoff's  
protégés have yet uncorked—20  
feet and four inches. Robinson was  
second with 19 feet three inches,  
which wasn't bad, either.

Coach Althoff entered the meet  
with the idea of using as many  
men as possible, principally those  
he wasn't sure about. But when  
the score stood 44 to 24 against  
the Little Giants, he changed his  
mind and started to shoot the  
works.

### Relay Disappoints

Chestnutwood came in first in  
all the dashes, 100, 220 and 440, to  
be individual high point winner,  
and Jack Carroll and Robinson  
gave a pleasing performance in  
tying for first in the high jump  
with leaps of five feet 10 inches.  
Carroll also looked good in the  
pole vault as he took second with  
a 10 foot six inch effort, one inch  
better than his last year's best.

Perhaps the biggest disappoint-  
ments to the Ross mentor were  
the half-mile relay team of Er-  
chenbrecher, Bellard, Huddle and  
Wilson, which finished second, and  
Henry Sewell, who was forced to  
be content with second in the mile  
and third in the half.

Of course, the season is young  
and the weather was still chilly  
enough to leave Coach Althoff  
with a stiff neck—and the resolve  
that the Buckeye league cham-  
pions were in for plenty more  
work.

## BAKER STEWS AS TIGERS DROP SIX

GREENVILLE, S. C.—Even as  
muscular a South Carolinian as  
Buck Newsom couldn't save the  
Detroit Tigers from their sixth  
straight defeat by the Washington  
Senators. Buck was shelled hard  
yesterday at Charlotte, N. C., while  
Steve Sundra, Washington's recent  
acquisition from the Yankees,  
fogged his fast one past the Tigers.  
Harold Newhouser and Archie  
McKain carried Detroit's victory  
hopes today, with Sid Hudson  
scheduled to pitch for Washington.

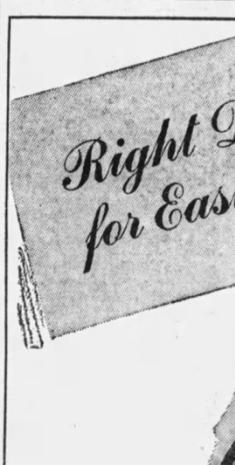

## HOCKEY PLAYOFFS ARE DEADLOCKED

HERSHEY, Pa., April 9.—  
The Cleveland Barons probably  
are thankful to be back in their  
home town today on the shores of  
Lake Erie.

Their Hershey "jinx" kept them  
from winning the American hock-  
ey league championship again last  
night. Hershey won, 4 to 3, to tie  
the best-of-five game final play-  
offs at two games apiece. The fifth  
and deciding game will be played  
at Cleveland tomorrow.

Not once has Cleveland beaten  
Hershey here this year.

TRACK TEAMS START  
ELMORE, April 9.—The first  
track meet of the season for the  
Elmore thin-clads will be held at  
Oak Harbor on Thursday, when  
they engage that school and Ge-  
noa in a triangular affair.

**ROLLS 623 IN A. B. C.**  
Wallace Glenwright, Sandusky  
high coach, rolling with the Zeh-  
ner team in the A. B. C., scattered  
the pins for a 623 count in his sin-  
gles event, which should place him  
in the money when the St. Paul  
firing ceases. Glenwright also  
teamed with Chapman in the dou-  
bles for 1150.

# ROSS LEADING WHEN IT RAINS

## Win First Four Events From Woodward Before Meet Is Called

Coaches Whitey Althoff and Bill Fetter waited more than half an hour, during which time the rain didn't, and then called off a scheduled track meet between the Little Giants and Toledo Woodward Wednesday afternoon.

The Little Giants were leading by a 30 to 6 score at the end of four events when Jupe Pluvius stepped in and took the verdict for himself.

The Purple scanty-clads had swept all four events, taking seconds in three of them as well, and were headed for a one-sided victory and a peek at what may be expected of them in the Mansfield Relays.

Coach Althoff said that an effort would be made to re-stage the meet Friday afternoon, but Coach Fetter of the Polar Bears was a bit doubtful if his school would permit because of finances.

### Had Started Fast

It won't go down in the records, but Clarence Chestnutwood won the 100-yard dash in 10.8 seconds with about a six-foot lead over teammate Jim Wisbon, with Galembeowski of Woodward, third.

In the 120-yard high hurdles, Chuck Robertson broke the tape ahead of Wilson of Toledo, in 17.1 seconds, but only because the latter, away to a slow start, caught his toe on the last timber. Jenkins of Fremont, was third.

The mile went to Hank Sewell in the surprisingly good time of 5:09.1, and he had about a 75 foot lead on Davisson, who was well in front of Greiger of Toledo. The race was finished in a heavy downpour.

The shot went to Nickel of Fremont, on a heave of 41 feet 10 inches with Carl Hufford second and Duhart, of the visitors, third.

## ROSSMEN FAIL AT MANSFIELD

### Carroll And Jenkins Only Ones To Crack Scoring Column

The Little Giant scantily-clads found the going a bit too fast in Mansfield Saturday as track teams from 98 schools competed in the annual Relays and 21 entries scored less than a point, but at that, they acquitted themselves well considering the competition.

Jack Carroll and Snooks Jenkins were the only Fremonters to crack the scoring column. The former tied with four others for fourth in the pole vault, clearing 11 feet, and the latter was knotted with six others for fifth in the high jump, clearing 5 feet 10 $\frac{1}{4}$  inches, close to the school record here.

The pole vault went to Sundmark of Erie, Pa., Strong-Vincent, and Scally of East Palestine, who both cleared 12 feet. The high jump was also won by Scally who got over the bar at six feet three inches.

#### Erchenbrecher Close

Just for the record, the meet was won for the third time in a row by Cleveland East Tech with 33 points, less than half as many points as they scored last year, with Cleveland Heights and Cleveland East following in that order. Thirty-six teams scored one or more points with Sandusky getting two.

To be brief the Little Giant performers accounted for themselves as follows:

Carl Erchenbrecher missed qualifying for the finals in the broad jump by just one-half inch with a leap of 19 feet 10 $\frac{1}{4}$  inches.

Nickel pushed out the shot put 45 feet nine inches, a nice heave, and missed fifth place by eight inches.

Chuck Robertson was fourth in his preliminary heat in the high hurdles, but didn't qualify. He was also fourth in the low hurdle prelims.

#### Stull Limping

Capt. Clarence Chestnutwood, still bothered with a bad ankle, wasn't entered in the 100 and 440, but Coach Whitley Althoff put him in the 220 and he was fourth in his heat.

The medley relay team was fourth in its heat and the two-mile relay team with seventh. The Junior high relay team was sixth and the shuttle relay team didn't run.

Jack Hufford finished seventh in his heat of the 440 and Schleia, a freshman, was 12th in the 880.

The 880 relay team of Erchenbrecher, Huddle, Wisbon and Chestnutwood was second in a preliminary heat and just missed placing.

Although the Little Giants came back with little material to show for their trip, the competition against the best of the Ohio and Pennsylvania schoolboys should stand them in good stead in succeeding meets.

## ENTERS SQUAD IN RELAY MEET

### Althoff Will Take 21 Little Giants To Ohio Wesleyan

A squad of 21 Little Giant trackmen, as yet really untested in a tough meet, will shove off early Saturday for Delaware and the Ohio Wesleyan Relays, where they will compete against the stiffest opposition they will be called upon to face this year.

More than 900 schoolboys have been entered in the big carnival which has both a class A and class B division, and more than 60 schools will be competing.

Coach Harold (Whitey) Althoff hasn't any high expectations, but figures the team may cut in for a few points if everything goes right. The field events are figured on a team basis, with three entries in each event. For instance, the distances that each of his three shot-putters heave the pellet, will be totaled and that distance compared with the other entries.

Coach Althoff announced his entries as follows:

440-yard relay, Carl Erchenbrecher, Paul Huddle, Ed Wisbon and Clarence Chestnutwood.

Medley relay, Schlea (880; P. Hufford (220); F. Wernig (440); Sewell (mile).

Shuttle relay, Jack Carroll, Wernig, Dave Brocksieker, Chuck Robertson.

Mile relay, Wisbon, Carl Hufford, Huddle, Chestnutwood.

Two-mile relay, Hawk, Schlea, Davisson and Sewell.

880-yard relay, Erchenbrecher or C. Hufford, Wisbon, Huddle and Chestnutwood.

Pole vault, Carroll, Michaels and Jenkins.

High jump, Jenkins, Robertson and Carroll.

Broad jump, Erchenbrecher, Robertson and C. Hufford.

Shot put, LaVern Nickels, C. Hufford and Dick Frantz.

Discus, Nickels, George Biggs, Frantz or Erchenbrecher.

## ROSS IS 10TH IN RELAY MEET

### Score In Three Events At Ohio Wesleyan Carnival Saturday

Fremont Ross finished in 10th place in the Ohio Wesleyan Relays Saturday, just half-way down the list of 20 Class A schools that broke into the scoring column. The Little Giants accounted for 5½ points to place them above such strong district contenders as Elyria (3½ points), Sandusky (3 points) and Mansfield (one point).

The upper bracket title was won by Springfield which had 43 boys entered and scored 33 points. Akron East, Columbus North and Toledo Scott, a three-time winner, were tied for second with 20½ points. Other teams that finished above the Fremonters were Youngstown, Lakewood, Cleveland John Marshall, Columbus Central and Akron Kenmore. The latter had six points.

#### How They Scored

Fremont's points were scored in the shot put where the team of LaVern Nickels, Carl Hufford and Dick Frantz had a combined heave of 125 feet and two inches, good for second; in the broad jump where Erchenbrecher, Robertson and Hufford leaped 56 feet 9½ inches for fifth and one point; and in the high jump, where Jenkins, Robertson and Carroll had a combined 15 foot 10 inch leap for a tie for fifth and one-half point.

In the shot Nickels was first among the Fremonters with 43 feet and 9 inches, below his last week's mark of over 45 feet; Hufford had 41 feet 11 inches and Frantz had 39 feet 6 inches. The event was won by Springfield with a team toss of 130 feet 9 inches.

In the broad jump, Carl Erchenbrecher was best for the Purple, sailing 19 feet 6½ inches, followed by Chuck Robertson's 19 feet 3 inches and Hufford's even 18 feet. The winning team jump was made by Columbus North, 59 feet one-half inch.

#### Jumpers Disappoint

The high jumpers were a bit of a disappointment to Coach Whitley Althoff with Jenkins clearing but five feet six inches and Robertson and Carroll tied at five feet two inches. The individual best jump was five feet eight inches.

As in every big meet where preliminaries are necessary, some team suffers as a result. Saturday it was Fremont, as far as the 440-yard relay was concerned. The team of Erchenbrecher, Huddle, Wilson and Chestnutwood didn't finish their preliminary and qualifying heat for the 880 until 1 p. m. and at 1:30 p. m. had to run the 440. They managed to qualify for the finals in the latter, finishing second to Toledo Scott, but were seventh among eight teams in the finals.

#### Get Bad Break

The mile relay brought up another tough break. Fremont just happened to draw a fast heat in the preliminaries and finished sixth, not good enough to get into the finals. However, their time was three seconds faster than that of Sandusky, second in its heat.

Although the Little Giants didn't finish too high in the point totals, they did do better than at Mansfield and showed some improvement. Enough to give them a chance of finishing high in the DeVilbiss Relays on Saturday and to make them at least an even favorite to retain their Buckeye League title a week hence.

## MEET DECIDED IN LAST EVENT

Bohnsack Wins Broad Jump On Last Try To Win Meet, 59½-58½

Dick Bohnsack who went through more monkeyshines before each of his jumps than a schoolgirl does preparing for her first date, made them finally pay off at Harmon stadium Tuesday afternoon. Bohnsack snatched almost certain victory away from the Little Giants and forced them to be content with a 59 1-2 to 58 1-2 defeat.

The meet was almost as close as the final score all the way and twice was deadlocked. Once at the end of 10 events, 43 all, and again at the end of 13, at 54 1-2 all. That was what paved the way for Bohnsack's historic final effort.

The DeVilbiss star had already kept his team in the running with a pair of firsts in the hurdle races. Everythin was even when the last event, the broad jump, came up. A first would win for either team.

### Foul Is Costly

Carl Erchenbrecher went for 20 feet on his first attempt in the qualifier and it looked like that effort would stand up. Bohnsack, chief contender, couldn't get over 19 feet six inches for all his preparations. On his next to last jump he managed to make 19 feet 10 inches and that looked like his best. But it wasn't. On his last jump he sailed 20 feet 6 3-4 inches and there it was. Erchenbrecher went about three inches better than that on his final try, but fouled enroute.

Fremont took firsts in six of the 14 events, but that wasn't enough. Failure in two events and an oversight in a third cost them the victory. Taking up the oversight first, it was in not entering Ed Fox in the discus. Fox hasn't been so hot in this event and so wasn't officially entered. He tossed the saucer, however, and his throw of over 111 feet would have been good for second, a spot that DeVilbiss took.

### Several Disappointments

Perhaps the biggest disappointment was Henry Sewell in the half-mile. Expected to win handily, he failed badly and was a very poor fourth. The Purple's only points coming with Freshman Bob Schles' third. The other was the mile relay team which finished second despite a heroic finish drive by Jim Wilson that fell just short. It was loss of this event that erased Fremont's lead and tied the meet up for the second time.

Capt. Clarence Chestnutwood was also forced to look at a rival's back twice as Goodwin proved too fast for him in both the 100 and 220 dashes. He did win the 440, however.

Fremont's best performances were in the shot put. LaVern Nickels, Carl Hufford and Dick Franz sweeping that event and in the high jump, where Jenkins and Robertson tied for first and Jack Carroll cut in for a third place tie.

As far as could be ascertained, it was but the second dual meet in recent history lost by the Little Giants and was the final tune-up before the DeVilbiss Relays Saturday.

## PENNZOILS CHAMPS BY SINGLE GAME

The Fremont Pennzoils won one of three games from Och's Furnitures in the Major Recreation league at the Recreation alleys Tuesday night and that was all they needed to win the loop championship. The Oils finished up with 53 wins and 37 defeats and a one-game edge over Don's Diners.

The Diners had their chance, however. They tangled with the Fremont Bottling Works and dropped all three games. It left them in second place, with just a one-game margin over the Bottlers. The Diners had a record of 52 and 38 and the Bottlers, 51 and 39.

The other teams finished in the following order: Fremont Foundry, 49 and 41; Haaser Produce, 49 and 41; Clyde Castings, 49 and 42; Och's Furnitures, 48 and 42; Dunn's Cafes, 47 and 43; Mossers Construction, 46 and 44; Arrow Cafes, 46 and 44; Ken's Furnitures, 45 and 45; Standard Lime, 46 and 50; Jackson Hotels, 40 and 50; Troy Model Laundry, 37 and 53; Younker's Cleaners, 35 and 55; National Mortar, 34 and 56.

## ROSS SECOND AT DeVILBISS

### Place In Eight Events To Trail DeVilbiss In Night Relays

Coming up with their best performance to date, the Ross high thin-clads placed second in the DeVilbiss Relays, held Saturday night in Toledo.

Entered in nine of the 10 events the Little Giants scored in all out one to amass 42 1-2 points, just 7 1-2 less than the winning DeVilbiss team which had 50. It was a notch higher than they finished in the same meet last year with the Jackson, Mich. crew taking third with 28 points.

The Little Giants failed to win any of the events but took four second places and finished ahead of such schools as Sandusky, Mansfield, Bryan, Toledo Waite, Bellevue, Adrian and Monroe, Mich.

#### Finish Second

The Rossmen broke into the point column in the third event, the sprint medley relay, when Carl Hufford, Paul Huddle, Carl Erch enbrecher and Jim Wisbon trailed the Sandusky quartet to the tape in a close finish. The winners' time was 2:18.6. Adrian was third DeVilbiss fourth and Toledo Woodward fifth.

In the Shuttle relay, Jack Carroll, Dave Brocksieker, Snooks Jenkins and Chuck Robertson were also second with Jackson, Mich. taking the event in 51.3 seconds. Bryan was third, Bellevue fourth and Adrian fifth.

Again in the one-lap relay, 400 yards, the Purple came in second this time behind the DeVilbiss team. Erchenbrecher, Robertson, Huddle and Wisbon were the baton carriers and were trailed by Libbey, Bellevue and Bryan in that order.

The fourth second place was won in the two-lap relay with Erchenbrecher, Hufford, Huddle and Wisbon finishing behind the DeVilbiss team which had a big lead.

#### Bee-Gee Next

The best that Bob Schlea, Brocksieker, Ed Fox and Henry Sewell could do in the distance medley was fifth, while the four lap relay team of Jack Hufford, Fox, Brocksieker and Carl Hufford finished in the same spot.

In the field events Carroll tied for third in the pole vault which saw Robinet of Bryan set a new met record of 11 feet 8 3-4 inches Carroll cleared the bar at 10 feet 9 inches.

Jenkins and Robertson tied for third place in the high jump, both going 5 feet 5 3-4 inches to account for the final points.

Robertson had a bit of tough luck in the 20-yard high hurdles, being just one-tenth of a second too slow to finish fifth. He was second in his preliminary heat and third in the semi-finals.

Coach Whitey Althoff did not enter any of his men in the 100 yard dash and had the fleet Clarence Chestnutwood been able to compete, the Little Giants might have added a point or two to their total.

The team goes to Bowling Green for a practice meet with the college freshmen Monday and it will be the final tune-up before they put their championship on the block at the Buckeye League meet in Findlay on Saturday.

Winning 10 of the 14 events and virtually sweeping the dashes, the Little Giant thin-clads swamped Toledo Woodward, 80 to 37, in a dual track meet held at Harmon field Tuesday afternoon.

The visitors were blanked in the 100-yard dash as Capt. Other events in which the Bears were forced to be content with thirds were half-mile, pole vault, high jump and broad jump, while both Fremont relay teams also won.

## FINDLAY HOLDS TO FAST PACE

Grover Hartley's Findlay Oilers continued to set a fast pace in the Ohio State league, winning their fifth game in six starts Tuesday night by coming from behind in the late innings to down Mansfield, 8 to 3. A six-run splurge in the seventh inning gave the Oilers the victory as they pummeled three pitchers for 15 hits.

Tiffin remained a game off the pace and a game ahead of the third place Mansfield club by taking the hapless Fostoria Red Birds into camp, 12 to 3. It was the Birds fourth loss in five games and the Hens fourth triumph in six. Vasko kept seven hits well scattered after his mates had hopped on Virgil Feeney for four runs in the third.

The same clubs play each other again Wednesday night.
