

Myers falls out of regionals

News-Messenger Reports

DELAWARE — Tom Myers won his first match but was beaten in the second round of the Class AAA regional tennis tournament.

If the Ross High School senior had won in the second round, he would have qualified for the state tournament. Myers' first round victory meant that he was one of the final 32 singles players in the state.

Myers defeated Bobbie Kedar of Delaware in straight 6-4 sets in the first round before losing to Erich Bond of Dublin 6-4, 6-3.

Myers was the first Ross singles player in five years to have earned a berth in the regional tournament.
