## Little Giants struggle at Cardinal Stritch invite

By RYAN AUTULLO

News-Messenger correspondent

OREGON — The Cardinal Stritch Cross Country Invitational iced the cake on a forgettable week for Cathy Esposito and the Fremont Ross cross country team.

The Little Giants coach was forced to juggle the boys lineup as No. 5 runner Andre Velez was sidelined with flu-like symptoms. She was also without the No. 1 girls runner Ashley Fischer.

Saturday's meet, which was held at Maumee Bay State Park, surely couldn't make matters worse. But it didn't resurrect Ross's week either.

The boys' team finished fourth with 125 points in the Division I race after Esposito felt they had a good shot of winning, while the girls struggled to a 14th-place finish.

"I'm disappointed, but I never get discouraged because they're a phenomenal team," Esposito said, "You can't be great every week."

Derek Hill wasn't excused from Ross's bad luck as he got a cramp in the abdominal region at the 2-mile mark. Hill led the pack during the early part of the race but finished sixth.

"I haven't ate or drank a lot in the past couple days," Hill said. "I'm not happy with my time (16:40). I was hoping to be a little bit closer to the leaders."

Toledo Whitmer took the boys honors with 67 points, while Maumee was runner-up with 79. Bellevue came in seventh.
