

1930 Season review...

PREPARING FOR FEATURES OF SPRING SEASON

Rules Sent to All Contending Schools; Big Event for Fremont

Publication No. 1 regarding the Little Big Seven Track and Field meeting that is to be an outstanding feature of the scholastic athletic games at Fremont, May 10, has been issued.

The events in the meet will consist of: 100 yard dash; 220 yard dash; the half-mile and mile runs; 220 yard low hurdles; 120 yard high hurdles; the 400 yard relay; the running broad and high jumps; the shot put, discus, pole vault.

All participants must be certified as eligible by the school authorities and a copy of the school's 1930-31 eligibility list must be mailed by May 6.

No more than each school may enter three boys in each event but only two of these shall start. In each race, only one boy shall start in each but only four shall start.

Schools entering contestants in any event will be required to enter the meet which entries shall start at the time fixed by the manager.

No one shall participate in more than one race. Each school may take part in more than three track events. The relays shall be regarded as one race. The 100 yard dash runs either the half-mile or mile shall compete in only two track events. The 220 yard dash, the half-mile and mile, the half-mile and the mile and mile relay, but may not run the 220 yard dash in other track events. If he participated in either the half-mile or one mile, he must confine himself to one other track event.

The relays will count toward the winning of the meet. First place in a relay will give four points; second place, three points; third place, two points; fourth place, one point; fifth place, one point. In case of a tie the points involved shall be divided equally among the contestants.

In the meet the management of the Little Big Seven Track meet will be in charge of the officials. First place a gold medal; second, a silver medal; third, a bronze medal; fourth, a blue ribbon; fifth, a red ribbon; a gold ribbon. In case of a tie a coin should be tossed for the prize.

When a boy decides to compete in a track and field event which may conflict, the manager of the meet should be informed, so that the proper arrangements may be made.

No one will be permitted to be in the track and field events and contestants. Tents will be furnished, and all contestants requested to use them. The management asks that spectators will be able to see. These rules will be strictly enforced.

Contestants and coaches meet Saturday morning at 8:45 a. m. at the high school. The entrance fee is 50 cents. Quarters and tents will be given out.

Entries for each event must be mailed to Howard Laub, Fremont High school, Fremont, Ohio, by May 6, so that he will receive them on Monday, May 8, in time to get out programs. Remember you may enter any number of events in the meet except the relays where you may enter eight. However, one of the entries from each school must be scratched by 9 a. m., Saturday, May 10, at which time each school will be given a chance to scratch any other entries.

The 1930 Official Track and Field Guide of the National Collegiate Athletic Association shall constitute the rules of the meet.

Copies of the rules may be secured from any athlete house for 25c. All officials will receive a copy of the rules and make careful study of them.

John H. Harmon, of the Monette of Toledo, will act as referee and starter. All officials are requested to be at the high school on Saturday at their places at the proper time.

Each of the contending schools, Fremont, Marion, Marion, Marion, Willard, Norwalk and Oberlin will furnish two assistant officials.

9:00-100 yard dash, 6 feet. Pole vault, 6 feet.

9:30-Javelin, 6 feet. Broad jump, 6 feet.

9:30-220 low hurdles, 6 feet. Discus, 16 feet.

9:45-220 yard dash, 6 feet. Shot put, 6 feet.

1:00-120 yard high hurdles, 6 feet.

1:00-400 yard dash, half-mile; a mile and half-mile and mile relays will be run on one mile track.

No school can have more than one mile and each preliminary heat in the preliminaries of the meet in the preliminaries of the meet will qualify for the finals in the meet. You will run 220 yard dash, 120 yard high hurdles, 6 feet.

1:15-400 yard dash, half-mile; a mile and half-mile and mile relays will be run on one mile track.

No school can have more than one mile and each preliminary heat in the preliminaries of the meet in the preliminaries of the meet will qualify for the finals in the meet. You will run 220 yard dash, 120 yard high hurdles, 6 feet.

That he has already qualified.

In the preliminaries the six best marks will qualify for the finals in the broad jump, discus, shot put, javelin, 220 yard dash, 120 yard high jump. The events will be stopped as soon as only six men remain.

Three Finals

1:30-pole vault

1:30-shot put

1:30-discus

1:45-high jump

2:00-400 yard dash

2:15-high jump

HARMON FIELD TEEMS WITH REAL ACTION

Gridders, Baseballers and Track Men Out for Practice

Harmon Field presents a busy appearance these nights. Bob Oldfather, football mentor, has his heavily armored crew out working the gridiron stuff in spring practice; Ed Weil track and field coach has his thin clads in there tearing up the cinders while, way down yonder in the northeast corner, Coach Warren Weiler of the baseball team, has his collection of workers out looking over the scenery. The three squads look fairly good.

The gridders, according to the word, are to be taken to Toledo over the week-end for a clash with the spring grid crew that is laboring for Libby High. This will be one of the first, really the pioneer effort, in which an F. H. S. grid squad has ever taken on outside football matches in the spring.

Oldfather's team has been out there for the past 10 days and the squad is in pretty fair shape for some stiff going and will give a good account of themselves if the weather remains cool and fit for the grand old game of hit and miss.

WEILER FILES ACCOUNTING OF ATHLETIC FUNDS

Neat Balance Shown Af- ter Heavy Expendi- tures; Itemized

That athletics pay for themselves at Fremont High school and that football, king of the group, carries the lesser activities along on its capable and armored shoulders, is evident in a detailed report issued today by Warren Weiler, faculty manager of athletics at the big Croghan street seat of learning.

In reply to a bit of criticism, the faculty manager has gone to the extra trouble of preparing an itemized accounting of all the financial activities within his jurisdiction and under his administration, no mean chore at any time.

Weiler's report covers a period from November 1929, when the gridders were rampaging up to March 1930, covering the expenditures in all branches of the sport that include the grid, diamond, cage, track, repairs and necessary improvements at Harmon Field, general expenses and every angle of finances.

The report shows a balance of \$65.88 on hand May 1, 1929 and shows that the total receipts were \$6,604.71 and a saving fund of \$2,753.50 is also reported. The sum total of balance, receipts and savings fund is \$9,424.09.

Expenditures from the various angles in the months designated in the report are as follows: November, \$3,293.33; December, \$914.89; January, \$1,148.34; February, \$490.94; March, \$674.61. The total expenditures were \$6,522.11.

This amount deducted from the savings fund, balance and receipts gives a balance of \$2,901.98.

The report, neatly gotten up, shows football to be the king of spenders with \$2,710.59. Basketball cost the school \$1,389.22 and Harmon Field called for the expenditure of \$763.67 for bleachers alone to prepare for the Sandusky-Fremont grid classic.

FIELD DAY TROPHY PUT ON EXHIBITION

The silver trophy to be awarded the winner of the Little Big Seven track meet to be held at Harmon Field on May 10, has arrived here and is on exhibit at the High school gym office.

A statue of a Grecian runner placed at the top of a silver Corinthian column features the trophy and a silver band about the base of the award is inscribed the words, "Winner, Little Big Seven Track Meet, Fremont, May 10."

GRIDDERS JOIN HIGH TRACK CREW

Reinforced by replacement troops that have returned from the spring football wars, Ed Weil's track and field crew got down to the real business of spiking cinders and grass last evening on Harmon Field. Among the boys from the grid who have stepped out for action among the thin clads were Bob Redding, Kohr, Shamp, Brehm, Pettiford, Beach. These have joined a crew composed of J. W. Miller, Bob Ross, Newton, Leedy, Jimmy O'Farrell, Nelson Jones, Brokate and others who have been laboring with the Weil clan and the business of getting ready for the big doings that will climax in May and all the L. B. S. teams will gather on Harmon Field, is now past the preliminary stages.

Coach Weiler and his assistant Howard Laub will soon have a squad of 25 or more baseballers way down yonder in Harmon Field preparing for the diamond grind and the crack of the bat is already mingling with the crunchy of cinders.

INTER-CLASS THIN CLADS GATHERING

The annual inter-class track and field session staged by candidates for positions on the Fremont high track team, is the big event at Harmon field this afternoon and not a few lovers of the parade of the thin clads were stepping out that way this afternoon. Competition is keen and there are several stirring events listed on the program. This meeting will also give Coach Eddie Weil some splendid insight on the ability of several youngsters he has under observation and he will also look over the old-timers who will be called upon to strut their wares to hold their heads up above the oncoming tide of new talent.

J. W. MILLER IS BIG NOISE IN CLASS DOINGS

Wins Four Events; Bob Ross Second; Coach Picks Talent

Those sedate Seniors of Fremont High school, lead by their famous prima donna, J. W. Miller, bunched the honors at the annual inter-class meet on Friday. However, the afternoon sun walked off with the works. The total, as recorded by fatigued scorers was as follows: Seniors 67½; Juniors 52; Sophomores 50 and Freshmen 51. Several others had six and seven eighths, but they were on the order of new spring hats. Verne Elsworth, one of the athletic mentors had an 18 eighths record. He was in a perfectly good pair of shoes and a perfectly good time was had by all.

J. W. Miller, rounding out one of the most sensational careers ever enjoyed by a H. S. athlete, was the solo wizard of the doings. He entered five events, won four of them and --- a second position in a three-cornered tie for the high jump. The record was 5 feet 6 1/2 inches, the best of the purple and white leapers.

Miller won the 100 yard dash, shot put, broad jump and the 220 low hurdles, propelling himself to 25 points of the grave.

Bob Ross gathered 14 points for second high scorer and Nelson Trafalger Jones, ex-football fame, dug him out points with 11 points.

It was an afternoon to be recalled for the sport. In fact it was the first afternoon of the season that Coach Ed Weil has had opportunity to allow his thin kids to stretch in their best effort. No records were smashed or crashed or even endangered, but the coach was given some good insights into the material he can expect his team to yield brightened in future cinder and siccaward competition.

In the dashes he has J. W. Miller, Bob Redding and Eddie O'Farrell and the sturdy Bob Ross. J. W. Miller and Wonzer can step forth. The high jump can be capably handled by the Leedy boy, "Leaping Len" of the third team on the purple and white. Harry, Paul Schwartz, Paul Babione and Wolf can sail the javelin, while Kahr, J. W. Miller and "Nosey" Lawrence may be called upon to do a bit of weight throwing.

Distance Joggers

Nelson Trafalger Jones has proven himself a capable shiner of the school's distance team. He has to array himself at the head of the half-mile joggers together with Eddie Brehm and Lawrence. Eggle Newton is still a star at the quarter mile dash in 220 feet 2 1/2 inches and Jimmie O'Farrell can disturb clouds of cinders. Johnny Shamp can also amble some in the dashes.

In the mile jog a boy named Ireland can ease a nice pace, so can Kahr and Schaefer. J. W. Miller is outstanding in the broad jump but he has a bit of competition in "Eddie" Bowers, Freshman, who is in the lead of the team and who leaped 19 feet two inches Friday, just two inches behind the Townsend wizard.

Bobby Ross, the school's prize of the high pole vault, it will be up to him to defend the honors of alma mater, or what's the matter with Alma, at heights that are dizzy from a take-off on the leaning bamboo.

Coach Weil should also pick a fair and speedy relay team from his collection which doesn't look a bit bad and will do credit to a passingly fair troupe of performers.

The coach is not predicting any sensational showing in the season results, but the outfit that trim him will have to do lots of climbing and tear up wads of sod.

Friday Results

The summary of the events on Friday's program, the winners, their time, height and distances is as follows:

220 Low Hurdles—J. W. Miller (S), Ross (S), Wonzer (J). Time 29.5.

Discus—Jones (S); Kahr (J); Pittiford (F). Winner's distance, 23 feet, three inches.

High Jump—Leedy (S); Bowers, (F); Ross (S); Miller (S). Winner's record 5 feet 4 1/2 inches. Three tie for second.

Broad Jump—Miller (S); Bower (F); Jones (S). Distance 19 feet four inches.

Javelin—Schwartz (S); Wolfe (S); Babione (J). Winner's record, 120 feet.

100-Yard Dash—Miller (S); O'Farrell (J); Redding (J). Time 10.44.

Mile—Ireland (S); Beeker (S); Schaefer (S). Time 5:30.

Shot Put—Miller (S); Lawrence (S); Kahr (J). Distance 36 feet, one inch.

Half Mile—Jones (S); Lawrence (S); Wonzer (S). Time 19.

220 Yard Dash—Redding (J); O'Farrell (J); Shamp (S). Time 23.2.

100 High Hurdles—Ross (S); Lawrence (S); Wonzer (S). Time 19.

LAKE SIDERS MADE PURPLE HURRY ALONG

Issue In Doubt Before Fremont Shakes Itself To Victory

Fremont High's cinder army won from Port Clinton's gallant crew in a dual meeting at the latter place Monday afternoon. Score 51 to 44. The closeness of the figures indicate that the victory was not of the walkaway order and that the victors had to extend themselves to win and for a time the results of the session were in doubt.

A chill wind and threatening weather made a condition that was not favorable for the sport and both sides of the issue were handicapped.

J. W. Miller, first in the 220 and the shot put and second in the 100 yard dash and broad jump, was the outstanding point getter of the afternoon, closely followed by Hurrell, Port Clinton's best bet. Hurrell copped the century and took the 440, trimming the great J. W. in the former and outlegging the fast galloping "Eggie" Newton in the second. Captain Bob Ross, of F. H. S. also garnered some points for his side of the house, taking the pole vault and the high jump. Jones, of Fremont won the 880 and Newton trimmed his partner, J. W. Miller, in taking the broad jump.

Leedy, Fremont, was second in the high jump and in a tie with Bowers, also of Fremont. Paul Schwartz took second in the javelin and Ireland, of Fremont finished second in the mile run.

The summary:

11-yd. dash—Hurrell, (P. C.) won; Miller (F) second; Davis (P. C.) third. Time: 10.5 seconds.

220-yd. dash Miller (F) won; Davis (P. C.) second; Woodman (P. C.) third. Time—22 seconds.

440-yd. dash—Hurrell (P. C.) won; Newton (F) second; Woodman (P. C.) third. Time—64 sec.

880-rd. run — Jones (F) won; Ronk (P. C.) second; Lampe (P. C.) third. Time: 2:14.

Mile run — Frye (P. C.) won; Ireland (F) second; Matthisen (P. C.) third. Time: 5:22.

Pole vault — Ross (F) won; Kohenke (P. C.) second; Fry (F) third. Height—10 ft. 4 in.

Shot put — Miller (F) won; Yarborough (P. C.) second; Hurrell (P. C.) third. Distance 38 ft. 3 1-2 in.

High jump — Ross (F) won; Leedy (F) and Bowers (F) tied for 2nd. Height—5 ft. 4 in.

Javelin — Short (P. C.) won; Swartz (F) second; Hostrup (P. C.) third. Distance—147 ft.

Broad Jump — Newton (F) won; Miller (F) second; Bowers (F) third. Distance—19 ft. 6 3-4 in.

Mile relay — Won by Port Clinton (Lampe, Davis, Goodman and Hurrell). Time: 3:48.8.

WEIL TRACKERS OFF TO DEFIANCE MEET

Late this afternoon Ed Weil, coach of the Fremont high school cinder brigade loaded his group of thin clads into a motor bus and started the 65 mile trek for Defiance where Saturday the purple and white will engage in an invitational meeting and compete with a flock of other high schools. Coach Weil will depend upon such well known performers as Captain Ross, J. W. Miller, Eggie Newton, Eddie Brehm, Bob Redding, Nelson Jones, Ireland, Leedy, Jimmy O'Farrell, Johnny Shamp, Sylvester Kohr, Paul Schwartz, Bowers, Walter Schafer.

BOB CAT THIN CLADS FINISH FIFTH PLACE

**Lead Tiffin and Fostoria;
J. W. Miller Fails to
Place**

Fremont High's army of thin clads mingled with the class of the north country in the Defiance relays Saturday and came home with 14½ points registering in fifth place ahead of Tiffin Columbian and Fostoria and a flock of other delegates.

Columbus (Ohio) Central won the meeting with 56½ points; Toledo Scott, second, 52½; Toledo Libby third, 28 and Toledo Waite, fourth, 23.

Daniels, clever negro performer with Columbus Central, copped the individual honors with 17½ points. Blumm, Tiffin weightman, won two first and 10 points. J. W. Miller, Fremont's ace of aces, failed to make a point in any of the four events, 220 dash, 120 low hurdles, broad jump or relay, he entered.

Fremont's best bid for a first place developed in the mile relay, when a team composed of Happy George, Eggie Newton, Bob Redding and Nelson Jones, finished second, 3:43.1. Jones, of Fremont, also had a chance to win the half mile run, but reserved his burst of speed for a belated moment and finished third behind two Scott men whom had shoved to a new record making strides. The time was 2:11.4. At the finish the two Scotters were bunched on the inside lane and Jones, compelled to cut in behind near the finish line, lost ground and a chance to win the event.

Eggie Newton placed third in the 440 and fourth in the broad jump and Captain Bob Ross placed fourth in the high hurdles and was tied for second in the pole vault that was won by Lowery, Scott, who soared to a height of 11 feet five inches, a new record.

The weather was fit and the meeting was attended by 538 athletes representing 43 schools.

BIG TOLEDOANS SLIPPED NIFTY SURPRISE PACK

Going Was Nip and Tuck Until Mile Relay Pulled Trick

If the purple and white thin clad of Coach Weil and Captain Ross never accomplish another major athletic project this season, they will always be able to claim as the outfit that triumphed big, hairy and rocky Waite High, Toledo, in one of the hottest cinder and grass scrambles ever held on Harmon field. Score 65 to 57.

It occurred, Saturday afternoon during a period when glorious sunshines made perfect weather for an event of the kind and the atmosphere conditions brought out all that was good in the two contending armies, one from the heartlands of the Maumee and the other from the winding banks of the Sandusky.

The going was nip and tuck all afternoon and was not decided until the fog end of the program when Fremont stepped out and won the mile relay, piling up a margin of eight points and one sweet bit of victory.

Fremont won eight first position taking the pole vault, discus, 100-yard dash, 440, 220 dash, relay, half mile and the high jump. Waite pipped Fremont in the running victory in the broad jump, shot put, mile run, high and low hurdles.

J. W. Miller, Fremont ace, who failed to show in the Defiance relays, regained his stride Saturday and was high point winner taking discus, 100, 220, 440, half mile, century and the 220, was third in the broad jump, second in the shot put and finished in the same position in the low hurdles.

Captain Bob Ross, of the purple and whites, won his pet event, pole vault, and got a piece of three way tie, all Fremont won in the high jump, and was second in the high hurdles.

Newton won the 440 and took second place in the broad jump. Nelson Jones, the top man taking the half mile and the discuss heaven. Other Fremont points were won by Bob Redding, Johnny Shamp, Ireland, Leedy, George, Bowers and Schwartz.

Alexander the Great
Alexander was Toledo high man with points, but the commanding star of the visiting brigade was Rieman, a classy hurdler, who took the high sticks in 15.8, a new track record and a second faster than the mark established by another Waite hurdler, Duhaime, two years ago. Rieman also won the low hurdles, and was Fremont relay man that won the final and deciding event of the afternoon was composed of Redding, George, Jones and Newton. They won with a hundred yards to spare and were not even shoved to win the event.

The notable victory, coming on the eve of the Little Big Seven session here next Saturday, puts the purple and whites in fine trim for their major effort of the year in cinder. Hitting at top speed and showing the front, they displaced Saturday Captain Ross and his men will have quite a bit to say when they start counting noses among the stars from Fremont, Norwalk, Tiffin, Bellevue, Willard, Oberlin and, of course, Sandusky.

The 100-yard dash: Miller, F., Sphar, W., Shamp, F. Time 10.8 seconds. Shot put: Alexander, W., Miller, F., Rieman, W. Distance, 38 feet, 7 inches.

Mile Run: Riley, W. won; Ferrell, W., Ireland, F. Time: 4:55.6.

440-yard dash: Newton, F., Kaiser, W., Redding, F. Time: 55 seconds.

Pole Vault: Ross, F., Petroff, W., Bowers, F. Heights, 10 feet, 6 inches. 120-yard high hurdles: Rieman, W., Jones, F., Leedy, F. Time: 15.8 seconds.

Discus: Jones, F., Alexander, W., Beebe, W. Distance, 97 feet, 11 inches.

Half Mile, Jones, F., Riley, W., Ferrell, W. Time: 2:10.4.

High jump: Ross, F., George, F., Leedy, F. all tied for first. Height, 5 feet, 7 inches.

220-yard dash: Miller, F., Sphar, W., Welling, W. Time 24.8 seconds.

220-yard low hurdles: Rieman, W., Miller, F., Leedy, F. Time: 27.4 seconds.

Javelin throw: Murphy, W., George, F., Schwartz, F. Distance 150 feet, 3 inches.

Broad Jump: Alexander, W., Newton, F., Miller, Distance, 20 feet, 1 inch.

1 Mile Relay: Fremont. Time: 3:40.8.
