## Pt. Clinton Posts Big 78-35 Victory Over Ross Squad

No new records were set nor were any old ones matched Thursday afternoon at Harmon field as Ross high school made its first track appearance at home this season, absorbing a 78 to 35 loss to Port Clinton in a dual meet.

For Coach Mal Mackey's Little Giants, the loss was the second of the year in as many outings. Meanwhile, Coach Joe Lukac's Port Clinton forces were racking up win number four in seven starts.

Both Port Clinton and Ross had two double event winners. Walt Hurse, running in the 100 yard dash and the 220 yard dash for Ross, topped firsts. And Gail Brauchla, also of the Little Giants, took firsts in the high jump and the broad jump.

Charles Meek and Tony Vallinotti got two firsts each for the visitors. In one of his wins Meek churned the Harmon field oval in 4:44.9 in the mile event as the Port Clinton team slammed the event along with the 880 yard run, the pole vault and the discus.

Pat Shanahan and Gail Brauchla gained seconds in the 100 yard dash and the 120 yard low hurdles for the only runnerup places. Jim Tiller, who appeared in the Marion triangular a week ago for Ross, was not in running togs and among the competitors yesterday.

# Fostoria Arrives For Ross Track

Victory number one for the season is the goal Tuesday at Harmon field when the Ross high school track team sets out against Fostoria in the third meet.

Coach Mal Mackey's thinclads are shooting to erase the Port Clinton loss when Coach Joe Lukac's squad posted a heavy-sided 78 to 35 win over the Little Giants in a dual meeting.

Ross has another track meet this week when on Friday the athletes go to Sandusky for the Buckeye Conference day at the Blue Streak school. All six schools, also including Findlay, Marion, Elyria and Lorain, in addition to Ross and host Sandusky, take a crack at the crown.

Marion high's Prexies enter as defending champions in the meet. In a triangular at Marion this year, Marion copped the crown by 82½ points, Findlay got 33½ and Ross had 22.

# Brauchla Sets New High Jump Mark As Ross Downs Fostoria, 82½-35½

One new record was established and Ross high took 11 firsts out of 14 events Tuesday afternoon at Harmon Field as the Little Giants turned back visiting Fostoria by a 82½ to 35½ margin. For Ross the win was the first of the season, against two losses.

Fostoria, under the coaching of Bruce Schmidt, was losing its fifth meet in six outings.

Ross' new record came in the high jump with Gail Brauchla, newcomer to Little Giant track this spring, clearing the bar at 5 feet 11¼ inches, surpassing the Harmon field mark of 5' 11", set by Pressing of Norwalk in 1935, and topping the mark of 5' 10½" set by Pettiford, of Ross in 1932.

Having set out on a late track start following the spring grid practice, Coach Mal Mackey's crew is taking shape after working out against several schools.

In addition to the high jump, Brauchla scored a first in the 120 high hurdles, with the time of 16.2.

Jim Tiller covered the 100 yard dash in 10 seconds flat, and came through with a first, too, in the broad jump when he leaped out to 20', 2½".

These were the only double winners for Ross against the Redmen.

Friday afternoon the Ross track team moves out in the Buckeye Conference Sports Day in Sandusky high school. Marion is defending champion in this event.

Then on next Tuesday the Little Giants meet Sandusky on the Blue Streaks' track, which is the final meet preliminary to the district and state events on May 18 at Bowling Green and the 28th of May at Columbus.

## Wertz Reviews Bout With Polio

By JACK HAND

NEW YORK (AP)—"When the doctor told me I had polio, I went numb all over — all I could think of was a wheel chair and an iron lung."

Vic Wertz spoke slowly with feeling as he reviewed the agonizing days of last August when he was stricken. The pains are gone now except for a slight stiffness when he gets up in the morning. He is hitting .356 as Cleveland's first baseman on a remarkable comeback.

"Like most people, it's the bad cases you think about," he said. "People don't realize how many kinds of polio there are. Luckily I had the non-paralytic type. I just hope I can have a good year to show others they can fight their way back."

How did it start? What were the symptoms? When did he first know he had it?

"For about a week I hadn't been feeling well," he said. "The bat felt awfully heavy. My legs got a little stiff, something like you feel when you've got the grippe. One day Al Rosen and I were driving to the ball park and I told him about the stiffness. 'Funny thing if I had polio' I said."

"Then I began to get severe pains, up my legs and back and finally headaches. We were playing the Yankees one night and I had played right field the day before. I had the headache but I went to the park anyhow. I couldn't even get off the rubbing table. Rosen drove me home. I didn't sleep, tossed around all night and the next morning I passed out twice at home. They brought an ambulance and wheeled me out."

While Wertz was in the hospital he received 14,000 to 15,000 letters ("We weighed them by the pound"), about 200 telegrams and 40 or 50 baskets of fruit. The baldish 30-year-old athlete (now 31) never knew he had so many people in his corner.

Wertz now weighs 206, about the same as when he was stricken. He got down to 189 during his illness.

"This cold weather hasn't helped," he said. "Last week I had a good checkup. I feel good. People can beat this thing if they catch it early enough."

# Ross Teams Meet Sandusky Tuesday

Ross high school athletes on the track and tennis teams will find themselves coming and going with Sandusky high school Tuesday afternoon.

First off, the track squad of Coach Mal Mackey takes to the road for a meet of dual proportions with the Sandusky Blue Streaks, only dual slated with that school this year.

In the Friday Buckeye Conference sports day on the Sandusky track, Ross high ran fourth to the field while Sandusky scored a second place spot in its efforts.

# Ross Second In Triangular

## Sandusky Wins Event, Fostoria Is Third

SANDUSKY, O.—Three firsts were garnered Tuesday afternoon at Sandusky as Ross high school's track team finished second in a triangular meet with Sandusky winning the event and Fostoria placing last.

Sandusky rolled up 90½ points to 47 for Coach Mal Mackey's thinclads and 10½ credited to Fostoria.

Taking a first in the 100 yard dash in the time of 10.4, and also winning the 220 yard dash in 23.4, Jim Tiller was the only double first winner of the meet.

Gail Brauchla, who has been having his best results in the high jump, took first again with a leap of 5' 11".

Rain fell during the meet hampering efforts at bettering any marks that exist in the Strobel field record book.

Ross' next track action will be in the district meet at Bowling Green this weekend.
