

## 1966 Fremont Night Relays...

### **Bowling Green To Defend Fremont Night Relay Title Tonight**

An unbeaten Bowling Green track team moves into town tonight with its sights set on repeating as Fremont Night Relays champion. The Bowling Green team was the class of the meet a year ago and its record so far this season indicates the defenders have the depth again to be rated as favorite.

Host team will be Fremont Ross and the competitors will include Bowling Green, Foster, Findlay, Oregon Clay and

Port Clinton. Ross finished fourth in its own meet a year ago.

All competition will be on the relay basis. In field events the best efforts of three boys representing each school will be totaled. The six schools will begin competition 5 p.m. in field events and running at 7:30 p.m. in a card of 12 events.

Events to be contested in the Night Relays include the shot put, discus, high jump, broad jump, pole vault, 440-yard re-

lay, two - mile relay, shuttle hurdle, spring medley, distance medley, 880-yard relay and mile relay.

Starter at the 6th annual running of the night relays will be John Tiltsworth. George Gruse will be field announcer.

Coach Rod Lash of the host Ross team has hopes of higher finish for his team this year. He considers the strongest bids to be made by the Little Giants will come in the discus, 440-yard and 880-yard relays and

hurdles. Lash noted the Ross team could also figure as point opportunities the spring medley and shot put.

In the discus, for which the meet record is a three - man combined distance of 382 feet, five and one-half inches, Ross will be led by Fred Tolhurst. If the three Little Giant entries could hit their season highs they could threaten the record. Tolhurst has thrown the disc 140 feet. High for Wally Pankratz

this year has been 129 and John Burkin is capable of a 124 toss.

In both the 440 and 880 relays Lash will use the quartet of Tim Arnold, Dave Loganbach, Tim Arndt and Steve Parker. For the hurdles Fremont will use a team of Gary Snyder (unbeaten this year), Ben Chambers, Dave Loganbach and Jeff Wise, a sophomore. If Loganbach, who will be a workhorse of the meet competing in the short relays and pole vault, is

unable to run hurdles, another sophomore, Rick Smith will fill his place.

In looking over the field Lash also had hopes for his sprint medley team of Tim Arnold, Bob Patterson, Steve Parker and Rusty Williams, and the shot put trio of Russ Coleman, John Burkin and Jim Behler.

In the medleys there is a combination of several events. The sprint medley will be comprised of legs of 110, 110, 220 and 440 yards. Distance medley is made

up of legs of 880, 220, 440 and mile.

Ross is the holder of two records in the Night Relays — 880-yard relay, 1:33.7, and 440-yard relay, :45.2. Other records are: Shot put, Findlay, 148-2; discus, Findlay, 352-5/8; High jump, Clay, 16-9; broad jump, Bowling Green, 39-9; pole vault, Clay, 32-4; two mile relay, Bowling Green, 8:23.7; shuttle hurdle, Clay, :55.2; sprint medley, Bowling Green, 1:37.2; distance medley, Clay, 8:07.3; mile relay, Bowling Green, 3:35.6.

## ROSS WINS 880-YARD RELAY

# Bowling Green Repeats Night Relay Victory

Bowling Green won five, finished second in three and failed to place in only one of 12 events to successfully defend its Fremont Night Relays title Friday night. The Bobcat thinclads outdistanced the six-team field

with 49 points. Fostoria, winner of three events finished second with 39 points. Fremont Ross was third at 29, while Port Clinton and Oregon Clay tied for fourth at 26. Findlay brought up the rear of the tight battle for

the final four places with 23 points.

### Three Records Fall

Three Night Relay records were broken, one of these by the Bowling Green mile relay team as the defending champs

wrapped up another title. In the final event of the relays the Bobcats ran the mile relay in 3:34.2 to cut 1.5 seconds off the record. Old mark of 3:35.6 had also been held by Bowling Green.

Other records to fall were in the broad jump and pole vault. With one jumper topping 20 feet and two others surpassing 19, Fostoria set a new broad jump standard of 60 feet, three and one-half inches. This combined leap erased the 59-0 which had been set by Bowling Green.

Oregon Clay topped its own pole vault record of 32-6 when its three men teamed for a total of 33-9 Friday night.

Host Fremont Ross showed strength in the shorter running events and failed to place in only the distance medley. The Ross 880-yard relay combine of Tim Arnold, Dave Longanbach, Tim Arndt and Steve Parker teamed for the only first place ribbon by the local team.

In winning the 880-relay the Little Giants reversed an earlier defeat against Bowling Green. In a dual meet Ross had been nipped by one-tenth of a second at Bowling Green in this distance. Friday in the Relays Ross last leg runner Steve Parker and Bowling Green's anchor man matched strides to the finish line with Parker breasting the wire by fractions ahead of the Bobcat runner.

### Other Ross Strengths

Ross also showed considerable strength in the Shuttle Hurdle and 440-yard relays where it finished second and with thirds in the sprint medley and pole vault. In the 440-yard relay Ross led until the final turn when a swift Fostorian Art Burton Jr. pulled into the lead. Burton, son of the track coach at Fostoria and former Fremont, also led Fostoria to first in the shot put. Fostoria edged Port Clinton in this event despite tosses over the 50-foot mark by Port Clinton's Bob Nichols.

Bowling Green carried home its second Fremont Jaycees-sponsored championship trophy. Fostoria was presented the Ross Rooster Club trophy for second place.

## Final Golfer Comes Through, Fremont Wins

It all came down to the fifth and final man at Fremont Country Club Friday afternoon and Ross' Mike Wing responded to the pressure. Wing took two and one-half points to give Ross a 10 1/2-9 1/2 victory over Perkins on the local links. The victory gave Ross its second victory of the season against four losses.

In the first four matches Ross had taken one and Perkins one, both with three points, and two had been split. The fifth man was the deciding one and Wing beat his opponent by two strokes to take two of three medal points and split the match point.

Ross number one golfer Bill Wingard was medalist with a pair of 41 rounds for an 82-stroke 18-hole total. With this score he captured three points. Wingard had an eagle two on the ninth hole. In the number two match Jeff Gibbs equalled the 84 of his opponent but dropped three points. Craig Wright and Bob Van Hook then halved their matches to set the stage for Wing's clincher.

Medalist for Perkins was Bob Strang, who played Gibbs, with an 84.

Ross will have two more warmups before competing in the Buckeye Conference tournament to be held at Fremont Country Club May 2. Tuesday Ross will be host to Sandusky and Thursday it will be Findlay, defending district champ, at the local club.

## St. Joseph Reserves Fall To Port Clinton

PORT CLINTON — Three unearned runs contributed to the difference as Port Clinton topped St. Joseph, 7-3, in a Friday reserve contest. The game featuring the second line players from the two schools was played at Port Clinton.

Port Clinton tallied four runs, enough to win and all earned, in the first inning. They added three more in the final two times they were at bat with the aid of St. Joseph miscues.

The Little Streaks put their only offensive punch together for three runs in the third inning. The combination of Sherwood and Below on the mound for Port Clinton limited St. Jo-

## NATIONAL LEAGUE ROUNDUP:

# Boyer Adapts To Mets Style And Doesn't Like Change

Ken Boyer would like to stop fielding like a New York Met, and the Cincinnati Reds would like to start hitting like Frank Robinson.

Boyer, the National League's best fielding third baseman while with St. Louis last year, committed three errors that contributed to Atlanta's 8-4 victory over the Mets Friday night.

The Reds, meanwhile, again failed to play their role as pre-season pennant favorites by dropping their sixth straight game 9-7 to Philadelphia.

Or the easy on either.

In other NL games, Los Angeles edged Chicago 2-1, St. Louis stopped Pittsburgh 7-5 and Houston trimmed San Francisco 2-0.

Curt Flood's fifth-inning three-run homer snapped Pittsburgh's winning streak at six games. The blow broke the 4-4 deadlock created by Willie Stargell's three-run homer in the top of the inning.
