

2003 Sectional Meet...

# Hogan, O'Connor lead Ross group to district

News-Messenger reports

TOLEDO — Seventeen Fremont Ross swimmers advanced to the Northwest Ohio District Meet during sectional competition Saturday at St. Francis High School.

The boys finished seventh overall against 14 teams, and the girls were fourth in Division I. There is only one division for all boys teams statewide, and the girls swim in two divisions.

## Sectional Swimming

Fremont will be represented in 22 of the 24 events at districts.

"Last year, we advanced 22, but last year we had a much bigger team. So the average is there, and we're pretty happy with sectional results," Ross head coach Phil Moran said.

Seniors Elliot Hogan and Brittany O'Connor have to be among the happiest, having finished in the top three in their individual events.

After winning the 100 breaststroke and gaining Ross's only automatic seed with a season-best time of one minute, 5.06 seconds, Hogan exclaimed, "That was awesome!"

At districts on Saturday — where sectionals from Li-

ma, Oak Harbor, Mansfield and St. Francis come together — Hogan is seeded third in the event.

He will swim from the 11th-seed position in the 50 freestyle, having placed sixth at sectionals.

"That one didn't come off as well as I hoped," he said, "but I have the center lane in the second-last heat, and, in the 50 free it's anybody's race. They tell me guys have

gone to state from the second heat before, so you never know."

O'Connor finished second in the 100 backstroke with a season-best time of 1:02.09, giving her a second-seed position at districts. She was third in the 100 freestyle with a 56.40, making her the fifth seed in that event this coming weekend.

The Lady Giant relay teams also have a lot to

smile about. Megan Wasserman, Jaymelee Glaspy, Jenny Fate and O'Connor will be swimming from the second seed position in the 400 freestyle relay at districts following their second-place finish at sectionals.

Wendy Farrell, Wasserman, Glaspy and O'Connor also finished second in the 200 medley relay and will

swim as the third seed at districts. The girls 200 freestyle relay — which includes Fate, Farrell, Emily Grayson and Emily Zamora — also made the cut with a sixth-place finish and 12th-place seed.

"None of us are tapered, so we know we'll go faster next weekend. That you can count on," O'Connor said.

Freshman Megan Wasserman made herself known at sectionals with a fifth-place finish in the 100 butterfly at 1:05.23, a season-best time by more than a second. She was seventh in the 200 individual medley and will swim in the final heat of both events at districts with eighth and ninth seeds, respectively.

Seniors Wendy Farrell and Jenny Fate will be swimming in two individual events apiece. Farrell was ninth in the 100 breaststroke with a season best of 1:15.98 and 12th in the 200 freestyle. Fate swam a pair of season bests, dropping almost a second in the 100 butterfly for eighth place (1:07.67) and nearly two seconds in the 200 individual medley (2:28.18) for ninth overall.

Jayelee Glaspy finished fourth in the 50 freestyle and will be seeded 11th at districts, and she was ninth in the 100 freestyle for a 16th seed. Junior Stephanie Mullins got her ticket to districts with the biggest time drop on the girls side, going almost 10 seconds faster than her season best for a 6:20.92 in the 500 freestyle. Emily Grayson qualified with two season bests in both the 50 freestyle and 100 breaststroke, dropping 4 seconds in the latter event. Heather Williams landed a spot in the 100 freestyle with a 1:05.03, her best by half a second.

On the boys side, sophomore Jake Ickes will be swimming in the final heat of the boys 100 freestyle following his fourth-place finish. His season best time of 51.57 has him seeded seventh at district.

"It's like he (Hogan) said ... anybody's race," said Ickes, who also dropped 3.25 seconds off his season-best 200 freestyle time to finish fifth at St. Francis.

"At districts," Moran said, "Jake's seeded 12th in the 200 after a fifth on Saturday. Every year, it seems one or two events are loaded with talent, and this year it's the boys 200. Two guys at St. Francis went under 1:50. Napoleon and Lima both have speed in the upper distances this year, so the competition in the 200 and 500 is tough.

"What's most encouraging is that none of our top swimmers are tapered."

Swimmers taper by cutting back on the number of yards they swim over consecutive days in order to store energy and rest muscles for a major competition like districts.

"We're happy with the time drops at sectionals, but the best, if they taper well, is yet to come," Moran said.

Moran is hoping a good taper will propel the boys relays into top contention. Hogan, Ickes, Brandon Spicer and Noah Grayson just missed the final heat in the 200 medley with a fifth-place finish of 1:38.05, which has them seeded 11th at districts.

The 200 freestyle relay of Hogan, Ickes, Grayson and Greg VanDyne also finished fifth and will swim from the 12th-seeded spot come Saturday. The boys 400 freestyle relay — including Alan Gamble, Spicer, VanDyne and Nate Bowen — also made the cut with a sixth-place finish.

VanDyne will compete individually in the 50 freestyle and 100 breaststroke following ninth- and 10th-place finishes, both with season-best times.

Grayson will also be swimming in two individual events, the 200 IM and the 500 freestyle, with teammate Alan Gamble next to him in the 500. They both clocked season-best times in the event at sectionals, Gamble dropping nearly eight seconds for 12th place, and Grayson just under three for 13th. Spicer qualified through in the 100 butterfly with a season-best 1:02.48 and seventh place.

"A lot of the new kids had some big drops in their personal-best times," Moran said. "Kevin Held dropped 19 seconds in his 500. He may not have made the cut, but what an effort. (Matt) Bachelder just missed in the 50 free. He dropped over half a second. Even though some of the kids may not have moved on, their times should give them a lot of incentive for next season."
