Third consecutive year

Ross wins golf tournament

Charlie "Chuck" Baker
could relax at last.

The veteran Fremont Ross golf team had watched his team accomplish one of the early season goals he had set for it — winning the Buckeye Conference Golf Tournament for the third consecutive time.

"We're very happy," beamed the Ross mentor. "We got good performances all the way down for us."

The Little Giants won the 18-hole tournament by 12 strokes, 25 strokes back of last year's record-setting 302 winning total. Coming in second were Marion Harding and Elyria, deadlocked at 339.

Ross' Buck Baumann took the Conference's medalist plaque with a 78 over the Fremont Country Club course. Baumann and the rest of the golfers were bothered by brisk winds that hampered play on the first nine holes of play.

Baker agreed that the wind was a big factor but he also pointed toward Ross' Scott Young as one of the key players in the Little Giant win. Young had an 81 for the day after soaring into the 90s in two previous matches this past week.

"He's very happy with him," Baker said as he talked about Young. "He was the key to our win — especially the way he has come back from the problems that he has

been having with his game. You might say that he was the grease on the pole" or the pivotal point for us."

Young, however, and the rest of the golfers were bothered by brisk winds that hampered play on the first nine holes of play.

Baumann shot a 39 on both nines, double-boogeying the 13th hole for his only real serious problem on the trip in. Rob Hall, Ross' second man, shot a 78 and was involved in a three-way playoff for the second medalist honors. Jim Conkle, the eventual second place winner, of Marion Harding, and Roger Dillon of Admiral King, had 81s. Hall and Dillon received Buckeye Conference medals.

Baumann had a birdie on the first hole while Hall was credited with third medalist honors and Dillon, fourth. Baumann received a plaque for the third medalist honor while Conkle, Hall, and Dillon received Buckeye Conference medals.

Besides Baumann, Hall, and Young, the Little Giants used the score of sophomore Alex Garcia who carded an 88.

Tonight Ross will travel to Clyde for a match with the Clyde Fliers at the Green Hills Golf Course. Earlier this month the Fliers stopped the Little Giants' 16-match winning streak by downing Ross on the Little Giants' home course, the Fremont Country Club.

Netters nearly avenge loss

TOLEDO — Ross came close but just missed in an effort to avenge its only match loss to Toledo St. John's tennis team. The Little Giants were turned back, 3-2. Earlier this season, St. John's had beaten Ross, 5-0.

"The whole team turned in quite a performance," Ross coach Peter Michaels said. "Anytime you lose to a team like St. John's by a 3-2 score, then you have played quite a match."

Jim Flower and Jack Hiltz came up with the Little Giants' only point in singles competition. Flower turned back previous unbeaten Erick Iskersky while Hiltz took care of Steve Solys. Both Ross players won in straight sets.

"I think this was Flower's

finest moment of glory," Michaels flatly claimed. "He played nearly flawlessly ... only one of his overheads went wrong."

"Really, Jim did to Iskersky what Iskersky had pulled off against him the first time they played this year."

Ishersky had beaten Flower, 7-5, 6-0, and 6-1, in the previous match but it was Flower all the way this time, 6-2 and 6-3. Flower's cross court shots and passing shots were hitting just inside the lines with uncanny accuracy.

"Jim attacked all the way," Michaels explained. "I feel like he played a great game of offensive tennis."

Hiltz also came in for his share of praise from Michaels.

"Both of our doubles team played well," Michaels explained. "They seemed to love their concentration and those of St. John's kids took advantage of those lapses."

Joe Albrechta and Roger Parker had St. John's first

doubles team of Jim Rippel and Tom Nagy down 5-2 in the first set but played "a couple of bad games and lost their concentration" according to Michaels, and could not get going again. The Ross pair lost the match, 7-6 and 6-2.

Karen Driftmyer and Mark Albrechta lost to Greg Biernacki and Ken Kozek, 6-3 and 6-2, for St. John's third match points.

St. John's, Ross 2.
